Indian Army conducts Recruitment Outreach in remote regions of A&N Islands

Sri Vijaya Puram, Apr. 22

The Indian Army has released its Recruitment Notification for the year 2025-26, inviting applications from eligible youth across the country to join one of the world's most respected defense forces. The online registration process, which began on March 12, 2025, is currently open on the official website www.joinindianarmy.nic.in and will remain active until April 25, 2025. Applications are being accepted for various categories, including Agniveer General Duty, Agniveer Technical, Agniveer Clerk/Store Keeper Technical, Agniveer Tradesman (10th Pass and 8th Pass), Soldier Technical, Nursing Assistant, Sepoy Pharma, and Agniveer General Duty (Women Military Police).

As part of a committed effort to ensure nationwide outreach and inclusivity, the Recruiting Office Chennai, in close coordination with the Local Military Authorities and Civil Administration, launched a targeted recruitment campaign across the remote

regions of the Andaman and Nicobar Islands. The initiative was designed to extend awareness and access to Army recruitment opportunities for youth residing in geographically isolated communities.

Despite logistical challenges, team from Recruiting Office (Headquarters), Chennai reached out to the local population and conducted a series of awareness and registration facilitation programs across the Islands. Seven dedicated registration camps were established in Diglipur, Mayabunder, Rangat, Swaraj Dweep, Sri Vijaya Puram, Lapathy, and Campbell Bay i.e. minimum two locations in each district. These camps were equipped with computers and internet connectivity, with crucial support from the Military Component, HQ ANC and the National Cadet Corps (NCC), enabling seamless digital registration of more than 300 aspiring candidates.

Beyond merely facilitating the application process, this outreach sought to inspire young individuals to consider

Point Wise Rebuttal by ECI based on Facts

- During Assembly Elections in Maharashtra 6,40,87,588 electors, who reached the polling station from 7 am to 6 pm, voted. About 58 lakh votes were polled per hour on an average. Going by these average trends, nearly 116 Lakh voters could have voted in last two hours. Therefore, casting of 65 lakhs votes by electors in two hours is much below the average hourly voting trends.
- Further, in every polling booth, the voting progressed in front of the polling agents formally appointed by candidates/political parties. INC's nominated candidates or their authorized agents have not raised any substantiated allegations with regards to any kind of abnormal voting at the time of scrutiny before the Returning Officer (RO) and the Election Observers on the next day.
- Electoral Rolls in India including Maharashtra are prepared as per the Representation of People Act, 1950 and the Registration of Electors Rules, 1960. As per law, either just before the elections and/or once every year, Special Summary Revision of the Electoral Rolls is conducted and a final copy of the Electoral Rolls is handed over to all the National/State political parties, including Indian National Congress (INC).
- After the finalisation of these Electoral Rolls during Maharashtra elections, as against 9,77,90,752 Electors, only a total of 89 appeals were filed before the 1st appellate authority (DM) and only 1 appeal was filed before the 2nd appellate authority (CEO). Therefore, it is amply clear that there was no grievance of INC or any other political parties before the conduct of Maharashtra Assembly Elections in 2024.
- During the revision of Electoral Rolls, for 1,00,427 Polling Booths, along with 97,325 Booth Level Officers appointed by the EROs, 1,03,727 Booth Level Agents were also appointed by all Political Parties, including 27,099 by INC. Therefore, these unsubstantiated allegations raised against the Electoral Rolls of Maharashtra are affront to the rule of law.
- The Election Commission had brought out all these facts in its reply to INC on 24th December 2024 itself which is available on ECI's website. It appears that all these facts are completely being ignored while raising such issues again and again.

SUMMARY

All Indian elections are held as per Law. The scale and accuracy with which elections are held in India are widely acclaimed across the world. The entire nation is aware that each election process including the preparation of electoral rolls, polling and counting etc. are all held by Government staff and that too in the presence of authorised representatives formally appointed by Political Parties/Candidates from polling station upto constituency level.

Any misinformation being spread, by anyone, is not only a sign of disrespect towards Law, but also brings disrepute to the thousands of representatives appointed by their own political party and demotivates lakhs of election staff who work untiringly and transparently during elections.

After any unfavourable verdict by the voters, trying to defame the Election Commission by saying that it is compromised, is completely absurd. (Source: CEO, A&N Islands)

enthusiasm and response from the youth of these Islands have been truly encouraging."

The success of this recruitment drive was made possible through the seamless coordination between the Recruiting Office, Military Component HQ ANC, 1 A&N Independent Infantry Company NCC and local District Administration. Their support played a vital role in ensuring smooth logistics, candidate mobilization, and the overall execution of the campaign. This effort underscores the Indian Army's core values of service, unity, and equal opportunity, highlighting its role not just as a guardian of the nation but also as a catalyst for social upliftment and empowerment, a press release from RO, HQ Chennai said.
