MESSAGE

The 70th Fire Service Day, on 14th April, 2025, is a solemn occasion to honour the unwavering courage and selfless dedication of our brave firefighters. Day and night, they stand as sentinels of safety, protecting precious lives and property- often at a great personal risk.

This year's theme, "Unite to Ignite: A Fire-Safe India," is a powerful and inspiring call for all of us to come together to promote fire safety across the nation. Fire safety is not merely the duty of a few brave individuals but a

collective endeavour-one that calls for vigilance, preparedness and widespread awareness within our + communities.

The commendable efforts of the Andaman & Nicobar Fire and Emergency Services in promoting fire safety awareness deserve special recognition.

Additionally, fire audits of schools, hospitals, coaching centres, hotels and cinema halls, along with mock drills, reflect their unwavering dedication to preparedness and public safety.

The sheer valour and efficiency of our firefighters were evident in their response to 392 fire calls and 807 special service calls in 2024, safeguarding property worth an estimated ₹166.34 crores. Their courage and professionalism continue to inspire, standing as a beacon of hope and resilience for our Islands.

Wishing them continued success in their noble service to the people of these Islands.

The event witnessed the enthusiastic participation of 250 budding sports trainees from across the Islands. The young athletes had the opportunity to interact with Smti Anju Bobby George, who created history by becoming the first Indian to win a medal at the World Athletics Championships winning bronze at the 2003 event in Paris. A true trailblazer in Indian athletics, she has represented the country at multiple Olympic Games and won Gold at the 2005 IAAF World Athletics Final.

Smti George is currently in the Islands as the Ambassador for the ANC-ANA Half Marathon 2025 and visited Sri Vijaya Puram in this regard. During the interactive session, she shared her inspiring journey from starting athletics at the age of five to becoming an international athlete and coach. She motivated the trainees with practical advice: balancing academics and sports, minimizing time spent on electronic gadgets, staying away from drugs, dedicating time for regular training, believing in oneself, and learning from failures. She urged the youngsters to be their own role models and pursue their dreams with passion and discipline. The vote of thanks was proposed by Shri Mohd.
