

Doctors of ANIIMS & GB Pant Hospital address media...

shortage of medicine as it is being monitored regularly through Medboard.

Regarding specialized treatment provided at GBPH, it was informed that so far, 621 Angiography (Coronary), 12 Angiography (Pheripheral), 200 Angioplasty, 80 pacemaker and 10 cardiocentesis were done. This advanced facility for heart related ailment has been made available here in Port Blair itself, thereby saving Island patients from incurring huge amount for treatment at mainland. AV Fistula has also been started in GBPH which is a great advantage for the patients requiring fistula surgery. Due to improved medical facilities, the referral cases to mainland has come down to 40% in the last one and half year.

During the press conference, it was also informed that 2 Basic Life Saving (BLS) Ambulance and 1 Advanced Care Life Saving (ACLS) Ambulance will be procured for the benefit of the islanders to cater to emergency cases. Further, it was disclosed that ANIIMS will apply for PG courses in multiple disciplines for the academic year 2025-26. It has also applied for accreditation for DNB Courses with National Board of Examination (NBEMS) in five disciplines (i.e. General Medicine, General Surgery, OBG, Pediatrics and Anesthesiology)

for the academic year 2024-25. It was further disclosed that a BSc. Nursing College will also start functioning from next year.

Referring about Kayakalp Scheme which is a national initiative by the Ministry of Health and Family Welfare (MoHFW), Government of India, to improve cleanliness, hygiene, and infection control practices in public health care facilities, it was informed that GBP Hospital scored more than 85% in internal, peer and external assessment and this has been sent to MoHFW for the financial year 2023 Award.

For managing critically ill patients whose referral to mainland hospital is not possible immediately, GBPH/ANIIMS has tie up with AIIMS, Bhopal to provide consultation service through real time data communication. This is a new initiative which is already in the pipeline and it will be established very soon.

The Administrative Building and Library Block of ANIIMS is almost completed and will be handed over soon besides the construction of third Boys Hostel for ANIIMS is almost complete. The upgradation and renovation of GBPH, which was established in 1964, is also in the pipeline.

The Hospital is taking adequate measures to prevent mortality and ensure patient safety. This

control protocols to minimize the risk of hospital-acquired infections. Additionally, the hospital has a dedicated team of specialists who continuously monitor patient progress and swiftly address any medical conditions that may arise during the course of treatment.

Understanding the importance of community involvement, the hospital is actively engaging with local communities to raise awareness about health and wellness. Educational programs and workshops are being conducted to inform islanders about preventive healthcare measures and the importance of seeking timely medical attention.

The hospital authorities are deeply committed to excellence in healthcare delivery. Every effort is being made to ensure that islanders have access to advanced medical services. With the ongoing upgrades and initiatives, GBPH and ANIIMS are striving to provide compassionate and high-quality care to every patient, despite the challenges.

GB Pant Hospital and ANIIMS are dedicated to creating a safe, efficient, and patient-centered environment. Through continuous improvement and innovation, they aim to provide islanders with healthcare services that meet the required standards.

The press conference was also addressed by Dr. Suja Antony, Director (Health Services), Dr. MK Saha, MS, I/C, Dr. Arpita Saha, Additional MS, Dr. Sunil Kumar, CMO, Store, Dr. Ajay Verma, Planning. They individually highlighted

(Contd. from page 1)

the steps taken and initiatives being put in place to address the medical issues which are being constantly monitored and upgraded as per the MCI guidelines.

The medical team also addressed queries raised by the media fraternity individually pertaining to patient care, facilities up gradation, availability of medicines, treatment of patients, and requirement of soft skill training for hospital staff in dealing with patients and their families, infrastructure upgradation and strengthening of staff/ doctor to meet the requirement. They also appealed to the patients and their attendees to ensure the environment of the hospital is maintained and refrain from littering and spitting around the hospital campus. The medical authorities also acknowledge the issues and challenges being faced, however, they are committed to provide their best in ensuring the safety and health care of the Islanders, who rely on them for their basic health requirements. The Doctors also appealed to the general public to be aware of lifestyle related ailments, which can be avoided by taking necessary steps.

Concluding the press conference, the doctors also appealed to the general public to co-operate with the health care professionals and ensure patients receive the required care they need to by reposing their faith in the capabilities of the doctors available here at GBPH/ANIIMS.
