Hon'ble President presents National Handicrafts Awards for the years 2023 & 2024

Handicrafts are not only a part of our cultural identity but also an important source of livelihood: Hon'ble President

New Delhi, Dec. 9 (PIB)

The Hon'ble President of India, Smt Droupadi Murmu, presented National Handicrafts Awards for the years 2023 and 2024 in New Delhi today. Speaking on the occasion, the Hon'ble President said that art reflects our memories of the past, experiences of the present, and aspirations for the future. Humans have been expressing their emotions through painting or sculpture since ancient times. Art connects people to culture. Art also connects people with each other.

The Hon'ble President said that if our centuries-old handicraft tradition has remained

vibrant and preserved, it is due to the commitment of our artisans, generation after generation. Our artisans have adapted their art and tradition to changing times, while keeping the original spirit alive. They have

preserved the fragrance of the country's soil in each of their artistic creations.

The Hon'ble President said that handicrafts are not only a part of our cultural identity but also an important source of

livelihood. This sector employs over 3.2 million people in the country. It is noteworthy that most of the people who derive employment and income from handicrafts live in rural or remote areas. This

sector promotes inclusive development by decentralizing employment and income.

The Hon'ble President said that promoting handicrafts is important for social empowerment, as this sector has traditionally provided support to people from weaker sections. Handicrafts not only provide a means of livelihood to artisans, but their art also gives them recognition and respect in society. She stated that the development of this sector will also strengthen women's empowerment, as women comprise 68 percent of the workforce in this sector.

2nd WHO Global Summit on Traditional Medicine to be held in New Delhi from Dec. 17-19

Sri Vijaya Puram, Dec. 9

The Ministry of Ayush organized a Curtain Raiser Press Conference at the National Media Centre, New Delhi, yesterday ahead of the 2nd WHO Global Summit on Traditional Medicine, to be held from 17-19 December, 2025 at Bharat Mandapam, New Delhi. Union Minister of State (IC) for Ayush, Shri Prataprao Jadhav, expressed great pride that India will host the Second WHO

Global Summit on Traditional Medicine, following the successful first edition held in Gujarat in 2023. He stated that this Summit stands as another important milestone in the collective global effort to mainstream traditional medicine for the health, happiness, and well-being of humanity, in alignment with India's vision of "Sarve Bhavantu Sukhinah, Sarve Santu Niramayah."

Shri Jadhav

informed that this year's Summit carries the theme "Restoring balance: The science and practice of health and well-being." The event will bring together Ministers, policymakers, global health leaders, researchers, experts, industry representatives, and practitioners from over 100 countries. Emphasizing India's global leadership in Traditional Medicine,

Hon'ble MP requests centre to enhance UT budget and sanction special grant of Rs.5,000 Crore for infrastructure development

Sri Vijaya Puram, Dec. 9

Shri Bishnu Pada Ray, Hon'ble Member of Parliament, Andaman & Nicobar Islands, has once again urged the Central Government to enhance the Union Territory's Budget under the Revised Estimates (RE) and Budget Estimates (BE), and to sanction a special grant of Rs. 5,000

crore for essential infrastructure development across the Islands.

In his communication addressed to the Hon'ble Prime Minister, Shri Narendra Modi, Hon'ble Home Minister, Shri Amit Shah, and Hon'ble Finance Minister, Smt. Nirmala Sitharaman,

the MP highlighted that the present allocations especially under the Capital Head are insufficient to meet the pressing infrastructural needs of this remote Island territory. The funds are urgently required for improving and expanding key civic and rural infrastructure, a press release from MP Office said.

Hon'ble President presents National Handicrafts.....

(Contd. from page 1)

The Hon'ble President said that the handicraft industry's greatest strength is its reliance on natural and local resources. This industry is eco-friendly and has a low-carbon footprint. Today, the need for an eco-friendly and sustainable lifestyle is being emphasized worldwide. In such a context, this sector can make a significant contribution to sustainability.

The Hon'ble President was happy to note that the GI tag is strengthening the identity of the Indian handicraft products across the world. She urged all stakeholders to work towards obtaining a GI tag for their unique products. She said that the GI tag will give their products a unique identity and enhance their credibility at the national and international level. She underlined that the One District One Product (ODOP) initiative is also strengthening the international recognition of our regional handicraft products.

The Hon'ble President said that on the strength of the knowledge, dedication and hard work of our artisans accumulated over generations, Indian handicraft products have established their identity across the world. She underlined that the demand for Indian handicrafts offers immense potential for growth. She said that this sector offers excellent opportunities for young entrepreneurs and designers to establish enterprises.

ownership and scientific management of stray dogs. In a well-planned north-to-south sweep, veterinary teams have already reached thousands of school children, teachers, panchayat members, shopkeepers and residents - starting from North & Middle Andaman (Diglipur, Mayabunder, Rangat, Kadamtala), moving to Car Nicobar, Teressa, Katchal, Kamorta and Nancowry, then to Swaraj Dweep and Shaheed Dweep, and finally covering South Andaman including Sri Vijaya Puram and Ferrargunj areas.

Every session drives home simple, practical and life-saving messages: maintain safe distance from unknown dogs, never tease or disturb an animal while eating or sleeping, wash any bite or scratch wound thoroughly with soap under running water for at least 15 minutes, report immediately to the nearest health or veterinary facility, vaccinate pet dogs regularly, avoid roadside feeding of strays that attracts packs to highways and residential areas, and extend full support to the Department's Animal Birth Control (ABC) programme - the most effective and compassionate tool to keep stray dog numbers under control.

Programmes are being conducted in various schools of A&N Islands. School authorities and the community have overwhelmingly welcomed the initiative and requested its continuation on a regular basis. The Department has assured that the campaign will be further expanded in the coming weeks to cover additional schools, gram panchayats, market committees and tourist areas, a press release from Deptt. of AH&VS said.
