Elderly people enrolled under the scheme being provided Ayushman Vay Vandana Card

Sri Vijaya Puram, Dec. 15

Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana (AB-PMJAY) is a flagship scheme of Government of India noted as the world's largest health assurance programme. The scheme has now been extended to include all senior citizens across the country into the scheme.

This extended policy aims to provide a cashless treatment worth Rs 5 lakh to all senior citizens, with an only eligibility criterion, that the individual must be aged 70 years and above, as determined by the age recorded in their Aadhaar Card, regardless of economic status. The elderly people enrolled under the scheme will be provided Avushman Vay Vandana Čard.

Further, the Government has clarified that all senior citizens aged 70 and above, who belong to families already covered under AB-PMJAY, will be eligible for an additional Rs.

5 lakh coverage. The rest of the family members will continue to receive their

existing Rs 5 lakh coverage. Senior citizens of the age 70 years and above who are already availing benefits of other public health insurance schemes such as Central Government Health Scheme (CGHS), Ex-Servicemen Contributory Health Scheme (ECHS), **Avushman Central Armed Police Force** (CAPF) may either choose their existing scheme or opt for AB-PMJAY. It has been clarified that senior citizens of 70 years and above who are under private health insurance policies or Employees' State Insurance scheme will be eligible to avail benefits under AB-PMJAY.

The enrollment of senior citizens 70 years and above under the scheme may be done by visiting the website pmjay.gov.in, where they can click on the "PMJAY for 70+" option on the homepage and self register as beneficiary or one can download "Ayushman App" from Google play store and self register as beneficiary. Prakriti. The increasing incidence of lifestyle diseases has become a significant public health concern and continues to be the leading cause of death worldwide. Ayurvedic concepts can be used effectively in the prevention and treatment of lifestyle disorders. This approach aligns with modern P5 medicine principles-predictive, preventive, personalised, participatory and precision medicine.

The month long Prakriti Parikshan campaign is being implemented in A & N Islands by the AYUSH Wing of DHS and National Ayush Mission through Medical Officers/Practitioners (Ayush) as Prakriti assessors. Following the assessment, participants will receive on-going Health advice aimed at promoting positive health outcomes. Participants will pledge to adopt a healthier lifestyle and have an opportunity to be part of setting several Guinness World Records, including the largest online photo album of individuals with Prakriti certificates, the most pledges for a health campaign, and the largest video album of participants sharing a campaign message. This campaign is your chance to understand your Prakriti, adopt personalized health practices, and join a nationwide movement for wellness.

People have been appealed to contact the nearest AYUSH Centres situated across the Islands to get their Prakriti (based on Ayurveda principles) assessed. Desh ka Prakriti Parikshan App can be downloaded through following links and QR Code: Apple App Store:
