"I am very satisfied that this scheme is proving very useful for small farmers across the country": PM

New Delhi, Feb. 24 (PIB)

In line with his commitment towards ensuring Farmers welfare, the Prime Minister, Shri Narendra Modi today released the 19<sup>th</sup> instalment of PM KISAN from Bhagalpur, Bihar. He added that there were preparations for the upcoming Maha Shivaratri too in the holy land of Baba Ajaibinath. He said that he was fortunate to release the 19<sup>th</sup> instalment of PM KISAN during such a pious moment and around Rs.22,000 crore was credited directly into the bank accounts of farmers through Direct Benefit Transfer.

The Prime Minister noted that there were around 75 lakh farmer families from Bihar who were beneficiaries of the PM KISAN scheme, whose 19<sup>th</sup> instalment was released today. He added that around Rs.1,600 crore was credited directly into the bank accounts of Bihar farmers today. He extended his warm greetings to all the farmer families from Bihar and other parts of the country.

Reiterating the words from his speech at Red Fort, Shri Modi said, "there are four main pillars of Viksit Bharat: poor, farmers, youth

and women". He added that whether it is the Central or the State Government, the welfare of farmers remains a priority. "We worked with full force to solve every problem of the farmers in the last decade", said Shri Modi. He noted that farmers need good seeds, sufficient and affordable fertilizers, irrigation facilities, protection for their livestock from diseases, and safety from losses during disasters. Previously, farmers were plagued by these issues. The Prime Minister stated

that their Government has changed this situation, highlighting that in recent years, hundreds of modern seed varieties have been provided to farmers. Earlier, farmers had to struggle for urea and face black marketing, while today, farmers receive sufficient fertilizers, he added. Shri Modi highlighted that even during the major crisis of the pandemic, the Government ensured no shortage of fertilizers for farmers.

Asserting that farmers would

not have received the benefits of the PM Kisan Samman Nidhi scheme, if their Government was not elected, the Prime Minister highlighted that in the six years since the scheme's inception, approximately Rs. 3.7 lakh crore has been directly transferred to farmers' accounts. Shri Modi emphasized that small farmers, who previously did not receive the full benefits of Government schemes, are now getting their due. Their Government introduced the PM Fasal Bima Yojana, under which farmers have received claims worth Rs.1.75 lakh crore during disasters, he added.

The Prime Minister said that their Government was promoting animal husbandry to increase the income of landless and small farmers. He highlighted that animal husbandry is helping to create "Lakhpati Didis" in villages and so far, around 1.25 crore Lakhpati Didis were created across the country, including thousands of Jeevika Didis in Bihar. "India's milk production has increased from 14 crore tons to 24 crore tons over the past
