## PM addresses inaugural session of 'Journey Towards Viksit Bharat: A Post Union Budget 2024-25 Conference by CII

The speed and scale at which our Government is building infrastructure is unprecedented:PM

New Delhi, July 30 (PIB)

The Prime Minister, Shri Narendra Modi addressed the inaugural session of 'Journey Towards Viksit Bharat: A Post Union Budget 2024-25 Conference' organized by the Confederation of Indian Industry (CII) at Vigyan Bhawan in New Delhi today. The conference aims to present the outline for the Government's larger vision for growth and the industry's role. More than 1000 participants from industry, Government, the diplomatic community and think tanks among others attended the conference in person while many connected from the various CII centers across the country and overseas.

Addressing the gathering, the Prime Minister said that the nation can never fall back when its citizens have achieved stability in every aspect of life and are filled with enthusiasm. He expressed gratitude towards the Confederation of Indian Industry (CII) for inviting him to address the occasion.

Referring to the discussions during the pandemic with the business community regarding apprehensions about the growth, the Prime Minister remembered the optimism that he expressed at the time and mentioned the rapid growth that the country is witnessing today. "Today we are discussing - Journey towards Viksit Bharat. This is not just the change of sentiment, this reflects a change in confidence", he said, reiterating India's position as 5<sup>th</sup> largest economy in the world and rapid strides towards the 3<sup>rd</sup> place.

The Prime Minister recalled the time when the present Government was elected to power in 2014 and highlighted the need of the hour to bring the economy back on track. He pointed out the pre-2014 era when the nation belonged to the list of fragile five economies and was marred by corruption and scams worth lakhs of crores rupees. Without delving into the specifics of the economic conditions outlined by the Government in a white paper, the Prime Minister encouraged industry leaders and organizations to review the document and compare it to past economic

situations. He emphasized that the current Government has elevated India's economy to new heights and rescued it from dire straits.

Putting forth some facts from the recently presented Budget, the Prime Minister compared the current Budget of Rs 48 Lakh Crore with Rs 16 Lakh Crore Budget of 2013-14, an increase of three times. Capital Expenditure, the biggest measure of resource investment was 90 thousand crore rupees in 2004, which was taken to 2 lakh crore in the 10 years upto 2014, a 2 times increase. In comparison, this important indicator has reached beyond Rs 11 Lakh crore today a more than 5 times increase.

Reiterating that his Government is determined to look after every sector of the Indian economy, the Prime Minister said, "If you will look at different sectors, you will get an idea as to how India is focussing on each one of them." Drawing a comparison with the previous Government, Shri Modi said in the last 10 years, the budgets of railways and highways have seen an increase of 8 times. Meanwhile, the agricultural and defense budgets have witnessed a jump of more than 4 and 2 times, respectively.

The Prime Minister emphasized that the record increase in every sector's budget has been carried out after record deductions in tax. The Prime Minister informed, "In 2014, MSMEs earning Rs 1 crore had to pay presumptive tax, now MSMEs with income up to Rs 3 crore can also take advantage of this. In 2014, MSMEs earning up to Rs 50 crore had to pay 30 percent tax, today this rate is 22 percent. In 2014, companies used to pay 30 percent corporate tax, today this rate is 25 percent for companies with income up to Rs 400 crore."

The Prime Minister said this Union Budget was not just about budget allocation and tax reduction, but also about good governance. Shri Modi recalled that before 2014, big announcements used to be made in the budgets to create a facade of a healthy economy. However, the very announcements did not see the day of light when it came to their implementation on the ground. They were unable to spend even the allocated sum on infrastructure completely, but the headlines used to be made during the time of announcements. Share markets also used to register

## MP meets Union Power Minister; seeks immediate support to end power crisis in the Islands

Port Blair, July 30

Shri Bishnu Pada Ray, Hon'ble Member of Parliament, A&N Islands, yesterday met Shri Manohar Lal Khattar, Hon'ble Union Minister of Power, Govt. of India and submitted a three page detailed letter highlighting the problems related to Power Supply regime in Andaman & Nicobar Islands.

In his letter, Shri Ray has stated that the Andaman & Nicobar Islands, which has a population of less than 6 lakhs, has been reeling under severe power crisis since last many years. The power cuts have become a day to day affair with a minimum power supply disruptions for half an hour to 45 minutes on daily basis in the capital city, a tourism destination. Sometimes the disruptions get prolonged. This problem has remained unsolved since the last many years.

He has further appraised in the letter that Port Blair is mostly

depended on private players who are running diesel fed small generators for transmission into main grid. Despite this arrangement, there is acute deficit of power in the Islands. The average requirement of power at Port Blair is about 45 MW. But all the available power producing sources put together including Department's 4 MW power plants are unable to meet the requisites.

## Chief Secretary virtually inaugurates District Integrated Public Health Laboratory at BJR Hospital, Car Nicobar

CS congratulates entire Health team in establishing such modern lab in remote tribal territory

Port Blair, July 30

Shri Keshav Chandra, IAS, Chief Secretary, Andaman and Nicobar Administration virtually inaugurated the District Integrated Public Health Laboratory (DIPHL) at BJR Hospital, Car Nicobar today in the presence of Smti Nandini Paliwal, IAS, Commissioner-cum-Secretary (Health) and other Senior Officers of the Administration along with Tribal Leaders from Car Nicobar.

This 'State of the Art' Laboratory has been established under Pradhan Mantri-Ayushman Bharat Health Infrastructure Mission (PM-ABHIM) with 100 % funding from the Ministry of Health & Family Welfare, GoI. It will be providing Diagnostic Facilities to conduct

surveillance of epidemic prone diseases in a decentralized manner, apart from the routine therapeutic investigations under one roof.

Speaking on the occasion, the Chief

Secretary, congratulated the entire Health team for their achievement in establishing such modern lab in the remote tribal territory and desired that this facility will be duly utilized towards

Paris Olympics 2024

Manu Bhaker-Sarabjot Singh script history with Bronze Medal in 10m Air Pistol Mixed Team Shooting

Paris, July 30

In the Paris Olympics, Manu Bhaker and Sarabjot Singh today clinched Bronze in the mixed 10-meter air pistol shooting event by defeating the South Korean pair of Oh YeJin and Lee Wonho 16-10. With this win, Manu etched her name in the history of Indian sports by becoming the first Indian athlete in post independent era to win two medals in the same edition of the Olympics.

Sarabjot, on the other hand, got his first Olympic medal. Earlier, Manu won a bronze in the women's 10m Air Pistol event. India has so far won 2 bronze medals in the event. Shuttler P V Sindhu and wrestler Sushil Kumar are the only two Indians to have won multiple Olympic medals but in separate Olympic Games.

Chief Secretary virtually inaugurates District...

providing better healthcare services especially related to early diagnosis and timely treatment in Nicobar itself.

Dr. Anwar Moosa, Medical Superintendent, BJR Hospital, Car Nicobar, on behalf of the Directorate of Health Services and the Tribal Community of Car Nicobar has expressed his gratitude to the Andaman and Nicobar Administration for opening such lab which will surely benefit the tribal populace.

Dr. Anil Agarwal, Special Secretary (Health)/Mission Director (NHM), informed that the Administration is committed to establish more such laboratories at Dr. R.P. Hospital Mayabunder to be made operational in August, 2024 and the third District Lab at the upcoming District Hospital Garacharama in the near future. The Laboratories at Dr. R.P. Hospital Mayabunder and BJR Hospital, Car Nicobar will act as satellite laboratories whereas, the DIPHL at upcoming District Health Garacharama will act as a State Reference Laboratory.

With this, the mandate under PM-ABHIM for establishment of three District Integrated Public Health Laboratories in this UT by March, 2025 is expected to be duly achieved, a press release received from Special Secretary (Health)/Mission Director(NHM) said.

Swachhta Awareness Team of PBMC...

hygiene in the city. He urged both teachers and students to actively participate in maintaining cleanliness by properly disposing of waste and ensuring it is handed over to sanitation staff for correct disposal. He also highlighted the important role that children play in promoting cleanliness at home, noting that they can encourage their parents and other family members to follow proper waste disposal practices.

The Chairperson, PBMC concluded by emphasizing that, through collective effort and commitment, we can build a cleaner and healthier community. Together, we can build a better and healthier community by working towards these goals, a press release from PBMC said.

Spot round counseling against vacant seats of Degree level Engineering, Architecture and Pharmacy course reserved at mainland institutions to be held on Aug. 8

Port Blair, July 30

All concerned candidates have been informed that the Spot Round Counseling of CSAB NEUT-2024 for allotment of vacant seats of Degree level Engineering, Architecture and Pharmacy course reserved at mainland institutions is scheduled to be held on 08.08.2024 at 10 am onwards in the Auditorium of Tagore Govt. College of Education (TGCE), Port Blair.

The Spot Round allotment will be made to candidates as per JEE Main Rank-2024 and category-wise vacant seats for Engineering and Architecture seats at the time of counselling. The details of eligibility requirement and academic qualifications for allotment of degree level Engineering, Architecture and Pharmacy course may be seen in the CSAB NEUT-2024 Information Brochure.

Hence, all eligible and interested candidates have been requested to submit the documents viz. Photo ID proof; Admit Card of JEE (Main)-2024 issued by NTA (For Engg./Arch. Candidates and not applicable for B. Pharmacy); Score Card of

JEE (Main)-2024 issued by NTA (For Engg./Arch. Candidates and not applicable for B. Pharmacy); Class X (High School) Board Certificate as proof of date of birth; Certificate and Mark sheet of qualifying examination; Category Certificate (ST Certificate/Local Certificate/Service Certificate); Duration/Bonafide certificate issued by the respective school; Certificate for Persons with Disabilities (PwD), if applicable. The certificate should be issued from a duly constituted Medical Board. The certificate should stand valid up to 31.12.2024. Certificate not issued by a medical board &/or getting expired before 31.12.2024 shall not be accepted and proof of place of examination center in case of final qualifying examination is from the National Institute of Open Schooling (NIOS) formerly known as National Open School (NOS) to the Development-IV Section (Higher Education Section), Secretariat, Port Blair on or before 06.08.2024 upto 5 pm.

The eligible interested candidates are required to bring all educational

qualification certificate/testimonials and other documents in support of their category in original along with one self attested copy as prescribed by the CSAB NEUT-2024 in their Information Brochure for spot round counseling on the date and venue as specified above. In addition, the candidates are also requested to bring two passport size photograph identical to the one pasted on the JEE (Main)-2024 application form.

Further, the aspiring students have been advised to ensure that he/she fulfils the state eligibility criteria during Spot Round Counseling. Further details in this regard can be obtained from the CSAB website <https://csab.nic.in>. It will be the sole responsibility of the candidate to verify his/her minimum eligibility and/or special eligibility for a particular course/program/Institute. The CSAB NEUT- 2024 or A&N Administration will not be responsible for any cancellation of seats due to non-fulfillment of minimum eligibility and/or special eligibility conditions, a press release received from Deputy Secretary (Hr. Edn.) said.

PM addresses inaugural session of...

(Contd. from page 1)

small jumps, and their Governments never prioritized completing projects on time. "We have changed this situation in the last 10 years. You all have witnessed the speed and scale at which we are completing every infrastructure project," Shri Modi added. Referring to the uncertainties of the current global scenario, the Prime Minister highlighted the exception of India's growth and stability. India's foreign exchange reserve witnessed robust growth and India is showing high growth and low inflation in a low-growth and high-inflation global scenario. He also called India's fiscal prudence during the pandemic, a role model for the world. India's contribution to global goods and services export is consistently increasing. He emphasized that India's contribution to global growth has reached 16 percent despite significant global shocks like the pandemic, natural disasters and wars.

Empowering future leaders: Industries Department organizes Startup Boot Camp for JNRM students

Port Blair, July 30

In yet another step towards empowering the students of Higher Education Institutions, the Directorate of Industries in association with Jawaharlal Nehru Rajkeeya Mahavidyalaya (JNRM) organized a Startup Boot Camp, at the Gallery of the College Campus. The program was conceptualized under the support and guidance of Shri Abhishek Bhukal, Director of Industries.

The Startup Boot Camp, drawing a diverse crowd of around 150 students from various disciplines, provided a comprehensive overview of the startup ecosystem, focusing on Government support, funding opportunities, and potential for innovative ventures in sectors like disaster management and climate etc.

Shri Hemant Kumar Sharma, Principal of JNRM who was the chief guest of the event, emphasized on the importance of self employment in the current scenarios by forming startups. Shri Ajit Anand, Deputy Director (Industries), highlighted the importance of entrepreneurship and startups in the Islands. This was followed by insightful remarks and examples of startups by

Shri C. Raj, Director, RSETI, State Bank of India (SBI). The HOD's and faculties of various Departments of the College namely Smti. Pearl Devdas, Dr. K.V. Ramana Murthy and Smti Ajitha also participated in the event.

The technical sessions commenced with a presentation by Shri P.K. Ummer Farooq, LDM, SBI on 'Government Support and Funding for Startups and Allied Activities through Financial Institutions'. The session provided valuable information on the financial assistance available to budding entrepreneurs through Banks.

Earlier, the Nodal Officer of Startup, Smti S. Sunitha Kumari welcomed the gathering. Dr. E. Yuvraj, Associate Professor of Disaster Management from Pondicherry University, Port Blair Campus deliberated on the 'Scope of Startups in Disaster Management, Climate, and Allied Sectors in Andaman and Nicobar Islands'. His presentation underscored

the unique opportunities for startups in the region, particularly in addressing local environmental challenges, Waste Management etc.

The event also featured inspiring success stories from local startups wherein, Shri S. Sanjeev, Founder of M/s Sriko TI Group shared their journeys, offering insights into the challenges and successes they encountered along the way. Their stories served as a source of inspiration for the aspiring entrepreneurs in attendance.

The Boot Camp concluded with vote of thanks proposed by Shri Shahid Khan, Industries Promotion Officer. The Startup Boot Camp 2024 at JNRM has set a strong foundation for fostering innovation and entrepreneurship among students, equipping them with the necessary tools and knowledge to navigate the startup ecosystem successfully, a press release received from Directorate of Industries said.

Edn.) said.

MP meets Union Power Minister; seeks ...

(Contd. from page 1)

The problem of power crisis is not limited just to Island capital but is being experienced in all populated Islands of the territory. Shri Ray has also pointed that the 33 KV and 11 KV tie lines in Port Blair are very old and requires immediate revamp to address the power cut crisis.

Shri Ray has appreciated the proposal of undersea power cable to Port Blair connecting the region to national power grid. However, he observed that it may take many years to get the undersea cables laid and it can only be a long term solution. Currently, the Islanders require a concrete intermediate solution to take care of the never ending power crisis through an expert team intervention.

Shri Ray suggested that the Power Minister may consider suitable size Nuclear Power Generators which can meet the Isles requirements.

In addition to the technical issues, Shri Ray also pointed that the Electricity Department requires the revival of SE post and up-gradation of the same to CE post.

Further, Shri Ray has suggested that the Engineers working in the Electricity Department in the Isles require regular exposures and training on advanced technological developments in power sector, which the Ministry may look into, a press release received from MP Office said.

Provisional merit list for B.A.L.L.B. Degree Course in Andaman Law College displayed

Port Blair, July 30

Provisional general merit list and category wise merit list of candidates for admission to B.A.L.L.B. (Five Years - Integrated Course) in Andaman Law College for the academic year 2024-25 has been published in the Common Online Admission Portal for Colleges (CCAP) (<http://collegeadmission.andaman.gov.in>) and also displayed on the

College Notice Board.

The candidates who have any objection/ grievance relating to their ranking in the merit list may send their objection/grievance by email to [alcadmission2023@gmail.com](mailto:alcadmission2023@gmail.com) or submit in person at the College Office on or before 03.08.2024. Any claim received thereafter will not be entertained, a press release from Principal (i/c) said.

MoU to be inked between A&N Police and...

(Contd. from page 1)

Earlier, the Andaman & Nicobar Police, under the visionary guidance of Shri Devesh Chandra Srivastva, IPS, Director General of Police, A & N Islands, had envisaged a comprehensive training programme aimed at enhancing the skills and knowledge of Investigating Officers concerning the New Criminal Laws.

This proposal entailed a collaboration with the NLSIU, Bengaluru, one of the premier law schools in India. The MoU between the Andaman & Nicobar Police and NLSIU, Bengaluru, outlines the framework for the training programme. It has been meticulously designed to cover the nuances and applications of the New Criminal Laws to ensure that the Investigating Officers (IOs) are well-equipped to handle cases under the new legal framework. The MoU aims at capacity building and professional development of the officers, which will ultimately lead to more effective law enforcement and judicial processes.

The proposal received approval from the Hon'ble Lt. Governor, emphasizing the support of this initiative for the A & N Administration. It was pushed by the Chief Secretary, A & N Administration, underscoring the administrative support and the strategic importance of this collaboration.

The formal signing of the MoU is to be done shortly, with the Vice Chancellor of NLSIU, Bengaluru and the Director General of Police, Andaman & Nicobar Islands, officiating the ceremony. This event will mark the commencement of a new chapter in the professional development of the Andaman & Nicobar Police force.

This collaboration is a testament to the commitment of the Andaman & Nicobar Administration to uphold the rule of law and ensure that justice is served effectively and efficiently, a press release from A&N Police said.

IGNOU B.Sc Lab courses to be conducted from Aug. 5

Port Blair, July 30
