2nd rank in Kata and 3rd in Kumite, J Shivesh got 1st rank in Kata and 1st in Kumite, Soyel Rhaman bagged 3rd rank in Kata and 3rd in Kumite, S Yuvan 3rd secured rank in Kata and 1st in Kumite, Mohammed Tawfiq won 1st rank in Kata, Jobby Jhonson secured 1st rank in Kata and 3rd in Kumite, Ms Shanaya Kullu won 2nd rank in Kata, Ms Disha Bhowmick bagged 3rd Rank in Kata, a press release received here said.

Four 5-star resorts to come up in Andaman and Nicobar in push to.....

(Contd. from page 1)

marina will be instrumental in attracting cruise tourism and private yachts, enhancing the Islands' profile as a luxury destination," Dr. Kumar noted.

Heritage conservation and promotion form another pillar of the government's tourism push. Dr. Kumar revealed that efforts are underway to secure UNESCO World Heritage Site recognition for the iconic Cellular Jail, which already features on the tentative list.

"We want visitors to truly connect with the legacy of India's freedom struggle," he said.

To this end, a new tourism circuit is being developed linking the Cellular Jail, Netaji Subhas Chandra Bose Island, and Viper Island. This circuit will feature light and sound shows, curated tours, and immersive experiences designed to educate visitors about the islands' historical significance.

In a bid to harness the potential of the islands' vast coastal stretch - which represents over 25 per cent of India's coastline - the administration is expanding water-based adventure activities such as scuba diving, snorkelling, and game fishing. These will be conducted under strict safety standards and professional guidance.

Additionally, the region's clear, unpolluted skies are being tapped for astro-tourism, offering stargazing opportunities rarely available in urban India.

"Tourism is no longer confined to Swaraj Dweep and Shaheed Dweep. New destinations like Baratang Island, known for its mud volcanoes and limestone caves, are gaining popularity," Dr. Kumar stated.

To support this tourism expansion, a strong focus is being placed on human resource development. Training programmes are being rolled out for local youth in areas such as tourism, hospitality, fisheries, and related support sectors, aimed at fostering inclusive employment growth.

Tourism figures from the Islands' Department of Tourism reveal a sharp upward trend in visitor arrivals over recent years.

Industry stakeholders anticipate a further 25 per cent increase in tourist numbers in 2025, citing the impact of upgraded infrastructure and focused promotional drives.

As the Islands pursue a future of environmentally responsible and culturally rich tourism, officials remain optimistic about their potential to emerge as a leading destination on the international travel map. (https://www.cnbtv18.com/ on June 20, 2025)

A&N Police observes International Day Against.....

(Contd. from page 1)

Unit under the supervision of the Drug Disposal Committee chaired by Dr. A. Kaon, IPS, DIGP (PRO), with Jitendra Kumar Meena, IPS, SSP (CID) and Shri. Vikas, IPS, SP (Headquarters) as Committee Members.

On the occasion, the Director General of Police, Andaman & Nicobar Islands Shri Hargobinder Singh Dhaliwal, IPS, emphasized the collective responsibility in combating drug abuse. He stated, "the fight against drug abuse demands unity, awareness, and action. Through our week-long campaign, we reaffirm our unwavering commitment to a drug free society. I commend the efforts of our officers, students, and community partners. Together, let us continue building a safer, healthier future for all".

The successful observance of the International Day Against Drug Abuse and Illicit Trafficking reaffirmed the collective resolve of the Andaman and Nicobar Islands community. The synergy between law enforcement, students, educators, and government officials demonstrated a powerful example of unified action against drug-related challenges, a press release from SSP(CID) said.

Left out NFSA Ration Card Beneficiaries.....

Veterinary Officer, Veterinary Hospital Diglipur, Dr. Kshitij Pareek, Senior Veterinary Officer, Veterinary Dispensary Billiground, along with the staff of Veterinary Hospital Diglipur, who played an active role in examining and treating the animals.

This initiative is part of the Department's continuous efforts to enhance livestock productivity and provide doorstep veterinary services to rural farmers for improved livelihood and animal welfare, a press release from Veterinary Hospital, Diglipur, (AH&VS) said.

Heavy rain forecast in Isles

Sri Vijaya Puram, June 28
Heavy rain (07-11 cm) is very likely at Andaman & Nicobar Islands on June 29. Swell waves in the range of 14.0 - 19.0 sec period with 0.9 - 2.2 m height have been forecasted till 23:30 hours of 29-06-2025, a press release from Directorate of Disaster Management said.

India's percentage of Zero-dose children to the total population has declined from 0.11% in 2023 to 0.06% in 2024, positioning it as a global exemplar in child health

As per the UN-MMEIG 2000-2023 report, India's MMR stands at 80 per lakh live births, reflecting an 86% decline relative to the global reduction of 48% since 1990

New Delhi, June 28 (PIB) Vaccination remains one of the most powerful and cost-effective public health interventions. India's unwavering commitment to immunization is evident through its Universal Immunization Programme (UIP), which provides free vaccination services annually to 2.9 crore pregnant women and 2.6 crore infants (0-1 year). Our healthcare workers ASHAs and ANMs conduct over 1.3 crore immunization sessions across the country. As a result of the continued, sustained efforts and intensified implementation of vaccination drives and campaign across the country, the percentage of Zero-dose children to the total population has declined from 0.11% in 2023 to 0.06% in 2024. The approach remains progressive, and continuous efforts are being made in the current year to further reduce the burden of zero-dose children in the country.

These achievements have positioned India as a global exemplar in child health, as acknowledged by the UN Inter-agency Group for Child Mortality Estimation (UN IGME) in its 2024 report. India has been bestowed with the prestigious Measles and Rubella Champion Award by The Measles and Rubella Partnership (American Red Cross, BMGF, GAVI, US CDC, UNF, UNICEF, and WHO) at the American Red Cross Headquarters in Washington DC, USA on March 6th, 2024 for its committed endeavors. The effect of the increased

number of lifesaving vaccines in reducing Mortality and morbidity in children due to diarrhea, pneumonia, meningitis & encephalitis is also clearly observable.

As per the latest SRS (2020-22), Maternal Mortality Ratio (MMR) of India has declined from 130/lakh live births in 2014-16 to 88/lakh live births in 2020-22. As per the United Nations Maternal Mortality Estimation Inter-Agency Group (UN-MMEIG 2000-2023) report, the MMR of India stands at 80 per lakh live births, reflecting an 86% decline relative to the global reduction of 48% since 1990.

As per the United Nations Inter-Agency Group for Child Mortality Estimation (UNIGME 2024 Report), India achieved a 78% decline in the Under-Five Mortality Rate (U5MR) surpassing the global reduction of 61% and 70% decline in the Neonatal Mortality Rate (NMR) compared to 54% globally during 1990 - 2023.

In addition to focused attention on increasing vaccination coverage, India's Universal Immunization Programme (UIP) embodies a comprehensive range of vaccines recommended by the World Health Organization (WHO). Till 2013, there were only 6 available vaccines in the program. From 2014, six new vaccines (namely Inactivated Polio-virus Vaccine, Rotavirus Vaccine (RVV), Pneumococcal Conjugate Vaccine (PCV), Measles-Rubella Vaccine, Adult Japanese Encephalitis Vaccine and Tetanus-

Diphtheria Vaccine) have been introduced in the programme. Currently, India's UIP covers 12 vaccine-preventable diseases and has seen significant expansion.

With continued focus on improving vaccine coverage, India has taken a proactive and inclusive approach to reach underserved populations. The Govt. of India in consultation with all States/UTs, has launched targeted campaigns to address challenges among zero-dose children, particularly in urban slums, peri-urban areas, migratory populations, hard-to-reach regions, and communities affected by vaccine hesitancy. These efforts are also aligned with the National goal of eliminating Measles and Rubella.

To amplify our reach, we are leveraging technology and community engagement. The U-WIN platform tracks immunization status digitally, ensuring no child is missed. Public awareness campaigns are being intensified using mass media, community radio, social media, and even street plays to educate families. Healthcare workers, ASHAs, and ANMs will go door-to-door, not just to vaccinate, but to sensitize the beneficiaries about the benefits of vaccination.

Some key initiatives include-

i. Zero Dose Implementation Plan 2024: Rolled out across 143 districts in 11 states with a high burden of unvaccinated children.

ii. Mission

Indradhanush (Since 2014): Intensified in 2017 in collaboration with state governments, it has vaccinated 5.46 crore children and 1.32 crore pregnant women previously unreached or under-vaccinated.

iii. Pulse Polio Campaigns: Through National Immunization Days (NIDs) and Sub-National Immunization Days (SNIDs), India has maintained polio-free status since 2014.

iv. Village Health and Nutrition Days (VHNDs): Organized regularly for immunization and outreach activities at the community level.

v. Multi-tiered Task Forces: State (STFI), District (DTFI), and Block (BTFI) level task forces ensure coordinated and effective implementation.

vi. Regular IEC (Information, Education, Communication) Campaigns: Help increase awareness and combat vaccine hesitancy. The annual birth cohort in India (2.6 crore) exceeds the total population of several countries, including New Zealand, Australia, Finland, and Switzerland. Given the varying sizes of the countries across the globe, the percentage comparison shows it at par with the

vaccination coverage levels observed in many high-income countries for e.g., New Zealand (DTP-1 93%), Germany & Finland (DPT-3 91%), Sweden (MCV-1 93%), Luxembourg (MCV-2 90%), Ireland (PCV-3 83%), United Kingdom of Great Britain and Northern Ireland (Rota C 90%). (WUNEIC report 2023).

Annexure:1 demonstrates that India's antigen-wise immunization coverage surpasses global averages across all antigens. In particular, national coverage for DTP1 and DTP3 ranks among the highest compared to other countries with the largest number of zero-dose children (Annexure 2). According to WUENIC 2023, India with high population size and socio-geographical diversity, National DTP-1 (Penta-1) has a coverage of 93% that is 2.47 crore out of 2.65 crore infants have been vaccinated even though during equivalent period which is significantly higher than Nigeria's 70%. There is a commensurate decrease in dropout percentage from DTP-1 to DTP-3 from 7% in 2013 to 2% in 2023 and increased coverage of Measles from 83% in 2013 to 93% in 2023.

The comparative results of countries on zero dose children as a percentage of

the total population shows that Yemen (1.68%), Sudan (1.45%), Angola (1.1%), Afghanistan (1.1%), Nigeria (0.98%), DR Congo (0.82%), Ethiopia (0.72%), Indonesia (0.23%), Pakistan (0.16%) have far more zero dose children as a percentage of their population compared to India's (0.11% during 2023 as per the last Wuneic report released).

Any comparison of India with any other countries with high burden zero dose children needs to take into consideration India's large population size and high vaccination coverage rate. Therefore, any interpretation or analysis based on isolated factors does not lend credence to the country's progress on its immunization program.

The Universal immunization program has always been prioritized by the Govt. of India to ensure that the children of our country are protected against deadly diseases. Elimination of Polio in 2014 and Maternal & Neonatal Tetanus in 2015 and the recent launch of Measles Rubella campaign in 2025 is a testament of the fact. With focused strategies and committed healthcare workers, the endeavor will always be last mile delivery to ensure comprehensive vaccination coverage.

Ministry of Youth Affairs and Sports Launches WhatsApp Chatbot Integration with MY Bharat Portal to Enhance Youth Engagement and Experience

New Delhi, June 28 (PIB)

In a progressive move to enhance digital engagement and streamline access to services for India's Youth, the Ministry of Youth Affairs and Sports has launched WhatsApp integration with the MY Bharat portal (<https://mybharat.gov.in>).

The WhatsApp chatbot is now live on the MY Bharat Portal and also accessible directly via WhatsApp (7289001515), offering users a more seamless, real-time, and user-friendly way to interact with the platform. This release includes core features for all registered MY Bharat users, allowing them to explore Experiential Learning Programs, Volunteering Opportunities, CV creation, Mentorship, Organization Joining/creation, report any issues and access MyBharat Support.

To start the session in WhatsApp chatbot, individual need to send a message 'Hi' to 7289001515 number. Individual login identity shall be identified through OTP and session shall be established.

In upcoming releases many new features will be introduced like In-app Registrations, Notifications with downloads, Media Uploads for event participation, Reminders and Follow-up, Profile / Task Completion etc. In addition to transactional services, the chatbot can be used to send automated reminders, deliver certificates, other resource documents, and share compliance alerts. It will also broadcast campaign content, event highlights, updates on government schemes, best practices, and tool kits to keep youth informed and actively involved.

Key Benefits to Youth:

- Convenient access to MY Bharat services through WhatsApp
- Faster onboarding, Event Participation, and Application tracking
- Real-time updates and reminders
- Easy issue reporting and support resolution
- Regular broadcasts on opportunities, schemes, and best practices
- A familiar, mobile-first interface to stay connected with national programs
- This integration reinforces the Ministry's commitment to empowering youth by embedding public services into the digital platforms they use most, making it easier for them to stay connected, engaged, and informed.

MY Bharat is a technology platform designed by Department of Youth Affairs (DoYA) and developed by Digital India Corporation (DIC) MeitY Government of India to put in place an institutional method for engagement of youth force of the country. With the main intent of empowering the youth with Indian Ethos of 'Seva Bhav' and 'Kartavya Bodh' this platform provides options for participation in various volunteering and learning activities, getting mentorship from experts, creation of youth profile & CV, connect with other youths and other exiting capacity building activities.

Government revamps Sugamya Bharat App to strengthen Accessibility Support for Divyangjan and Elderly Citizens

New Delhi, June 28 (PIB)

The Sugamya Bharat App (SBA), a flagship initiative of the Government of India dedicated to enhancing accessibility for divyangjan and elderly citizens in India, has been recently revamped to provide a more user-friendly and impactful experience. The recent revamp of the App introduces several enhanced features, including:

- A more intuitive and user-friendly interface
- AI-powered chatbot support to assist users in real time
- Circulars and notifications about new initiatives related to accessibility
- Integration of government schemes and other valuable resources for persons with disabilities

Upto 25.06.2025, the app has 14,358 total registered users and witnessed 83,791 app downloads (82,291 on android platforms and 1500 on iOS platforms) across both android and iOS platforms. The Sugamya Bharat App is currently available for download on Google Play Store for Android devices and on Apple App Store for iOS platforms.

Launched in 2021 by the Department of Empowerment of Persons with Disabilities (DEPwD), Union Ministry of Social Justice and Empowerment, the app serves as an essential platform for citizens to report accessibility issues across public infrastructure, transportation, and information and communication technology (ICT) systems.

Users can easily upload geo-tagged photos of locations where accessibility barriers exist, enabling authorities to take prompt corrective action. Since its inception, the app has received a total of 2,705 complaints, of which 1,897 have been successfully resolved, reflecting the government's commitment to creating an inclusive environment for all. The DEPwD continues to encourage public to actively participate in reporting accessibility challenges and supporting the Government's vision of a barrier-free India.

AFFIDAVIT

I, MOKA VENKATESWAR RAO, S/o Late Moka Rathiah, R/o Dignabad, Aberdeen Village under Sri Vijaya Puram Tehsil, South Andaman District, do hereby solemnly affirm and declare as follows:
1. That I am resident of the above mentioned address.
2. That due to inadvertently the name of my father has been wrongly mentioned in my Republic of India Passport No. T 9230860 as MOKA RATHIAH instead of MOKA RATHIAH.
3. That both MOKA RATHIAH and MOKA RATHIAH is the same and one identical person.
4. That my father's actual and correct name is MOKA RATHIAH. Which is mentioned in my Aadhaar Card No. 3713 3363 4383 and PAN Card No. EIJPR1262N.
5. I affirm this affidavit for the purpose of correcting the name of my father in my Republic of India Passport T 9230860. I shall use correct and appropriate name as MOKA RATHIAH in all purposes. Hence this affidavit.
That the above statement made herein above from para 1 to 5 are true to the best of my knowledge and belief.
Date: 27-06-2025

AFFIDAVIT

I, Sreedharan Pillai, S/o Late Ayyappan Pillai, aged 86 years, bearing Aadhaar Card No. 4855 5479 6804, R/o Aerial Bay, Diglipur, North Andaman District, Andaman & Nicobar Islands, Hindu by faith, Indian by nationality, do hereby solemnly affirm on declaration as follows:
1. That I say that I am permanent resident of this Island and reside at the address mentioned herein above.
2. That I say that my elder brother Late Ayyappan Pillai, S/o Late Ayyappan Pillai during his life time had executed to me with sound mind without coercion a Gift Deed duly registered on dated 21st December, 2005 before the Sub Registrar, Mayabunder upon the landed property bearing Sy. No. 335/1 measuring an area of 0.2000 hectares (P-II) comprised in Holding No.2 of Kerelepuram Village under Diglipur Tehsil, North Andaman as Free Gift.
3. That I say that during execution of the Gift Deed by elder brother Ayyappan Pillai my name has been inadvertently entered and written as Sreedharan Nair instead of my actual and correct name as Sreedharan Pillai in the said registered Gift Deed due to oversight and mistake.
4. That I say that for the purpose of verification and rectification of my name from Sreedharan Nair to be corrected as Sreedharan Pillai in the said registered Gift Deed before concerned authority, hence this affidavit.
5. That I say that Sreedharan Nair and Sreedharan Pillai is the name of one and identical person.
6. That the above statements are true to the best of my knowledge and belief and nothing concealed thereof.
Dated: 24/06/2025
