"After 2014 the Government reached the segments devoid of any hope and made them partners in the nation's development", said the Prime Minister. He said that the biggest beneficiaries of schemes like free ration, free medical treatment, pucca houses, toilets, and Ujjwala gas connection are the people on the periphery, the deprived segments. "Now we are working with the goal of saturation in these schemes", the Prime Minister said.

He informed that the Government has provided almost Rs 1 lakh 60 thousand crores for the welfare of the SC community this year alone. Pointing out that lakhs and crores of rupees were only associated with scams during the previous Governments, the Prime Minister affirmed spending this money for the welfare of Dalits and the deprived and for the development of the country. He mentioned increasing scholarships for SC, ST and OBC youth, reservation of 27 percent seats for OBC in the all-India quota of Medical seats, making inroads for OBC students in NEET examination, and assistance from National Overseas Scholarship for students from underprivileged communities to pursue Master and PhD degrees abroad. He further added that the amount of National Fellowship has also been increased to help students pursue PhD in science-related subjects. The Prime Minister expressed satisfaction that the National Commission for Backward Classes has got constitutional status. He also mentioned developing the Panch Teerths associated with the life of Babasaheb Ambedkar.

"Government is also giving priority to employment and self-employment of youth from deprived sections", the Prime Minister said, highlighting the Mudra Yojana which has provided financial assistance worth about Rs 30 lakh crores to the poor including SC, ST and OBC communities. He also touched upon the Standup India Scheme and Venture Capital Fund Scheme which promote entrepreneurship in SC and ST categories. "Keeping in mind the entrepreneurship among Dalits, our Government has also launched the Ambedkar Social Innovation and Incubation Mission", PM Modi added.

Referring to policies for the benefit of dalit and deprived communities, the Prime Minister concluded, "This is a testament to our commitment to provide dignity and justice to the underprivileged. Modi gives you this guarantee, this campaign of development and respect for the deprived class will intensify in the coming 5 years.
