'Zero Tolerance' towards encroachment on Govt. Land District Administration SA demolishes illegal structures at Ferrargunj, Swaraj Dweep, Little Andaman & Port Blair

Port Blair, May 7 The District Administration, South Andaman District in its continuous efforts to contain the encroachments over Government lands, carried out eviction drives at Port Blair Tehsil.

During the drive, encroachments done in the shape of temporary sheds at South Point village near wireless quarters and APWD quarters under Port Blair Tehsil were evicted and a house and plantation at Shyamnagar Village, Swaraj Dweep was evicted. An area of 1000 sq. mtrs approximately has been restored to Government Khata with the assistance of Patwari, Patwari Assistant and CDVs in the Tehsil.

Strict vigil and monitoring is being done by the Revenue Authorities and in its continuous efforts, 8000 sq. mtrs of land has been restored back from encroachment by unscrupulous elements in South Andaman District.

The Deputy Commissioner, South Andaman has cautioned the general public that the District Administration has zero tolerance towards encroachment on Government land and to refrain from encroaching on Government land.

In case of any inquires/complaints, the general public can communicate with the District Control Room at phone numbers 03192-240127/238881/1070/9531888844 (WhatsApp). The identity of the person providing the information will be kept secret, so as to protect the individual, a press release from DC, SA said.

Left out Ration Card beneficiaries urged to get e-KYC done for all members before May 15

Port Blair, May 7 The Department of CS&CA has extended the last date for doing e-KYC for FIC holders upto 31st March. However, it is noticed that despite repeated request and all possible effort, there are considerable number of beneficiaries who have not yet approached their Fair Price Shops or the Department of CS&CA and respective Supply Units functioning in the Inter Islands for updating their e-KYC.

Hence, all those left out Ration Card beneficiaries (APL/PHH & AAY) who have not yet updated their e-KYC due to whatsoever reason have been once again requested to contact any of their nearest Fair Price Shops along with their Aadhaar numbers to get the e-KYC done for all the members listed in the Ration Card.

The Ration Card beneficiaries can also approach the Directorate of CS&CA, Port Blair at Room No. 20 or their respective Supply Units for updating their e-KYC before 15.05.2024 without fail. The list of left out beneficiaries has been made available in their respective Fair Price Shops for information.

Further, it is also reported that some of the beneficiaries are not able to update their e-KYC as the device is unable to read their finger prints due to old age, requested to contact

Secretary, DARE & Director General, ICAR, New Delhi urges farmers to embrace scientific farming to boost income

Mayabunder, May 7 Dr. Himanshu Pathak, Secretary, DARE & Director General, ICAR, New Delhi urged the farmers to seize the available opportunities and embrace scientific methods to boost their income. He stated this while inaugurating the Administrative-cum-Training Building of KVK, Nimbunder yesterday, in the presence of Dr. V.B. Patel, Assistant Director General (Fruits & Plantation Crops), Dr. Pradip Dey, Director, ICAR-ATARI, Kolkata, and Dr. E.B. Chakurkar, Director, ICAR-CIARI, Port Blair.

The Director General said, in the present scenario, traditional farming methods are no longer profitable and it is crucial for farmers to embrace new varieties and scientific management practices, as well as explore food processing and marketing options.

He remarked that KVK will showcase innovative techniques to enhance production and increase income. He said, with knowledge and expertise, farmers can cultivate in a more efficient manner. He further stated that the Andaman region is blessed with abundant biodiversity, unlike other parts of the country and advised farmers to replace traditional varieties with new ones developed by scientists, as the improved varieties yield four times more.

Dr. V.B. Patel, ADG (F&PC) highlighted the importance of KVK providing various training programs to farmers in Agriculture, Animal Science, Fisheries, and other related fields to

DC (N&MA) reviews status of water & power supply, pendency of e-district and progress of NH-4 Issues direction for timely redressal of grievances

Mayabunder, May 7

In response to the growing concern faced by the people of N&M Andaman, the Deputy Commissioner, N&M Andaman, Shri Dilkhush Meena, IAS held a meeting today to review the status of water supply in the district. He directed the concerned officials to identify new sources of water and focus on augmentation of existing sources in order to mitigate the water supply demand.

Further, the Deputy Commissioner directed the Revenue Department to clear the pending demarcation, mutation, valuation in all the three Sub-divisions at the earliest, giving priority and to process

the revenue cases immediately. It was also directed to identify illegal construction/encroachment and initiate necessary action as per rules.

The Deputy Commissioner directed the officials of NH-4 to expedite the maintenance of road work before the arrival of monsoon for making it motorable.

Similar review meetings to assess the situation will be held on weekly basis, a press release from DC, N&M said.

Electricity Deptt. urges consumers to comply with JERC Regulation for load enhancement

Port Blair, May 7

The Electricity Department has observed that some of the Electricity Consumers in A&N Islands have increased their connected/contractual power load without prior consent / permission and intimation to the Electricity Department. This unreported increase in power consumption, particularly during periods of hot weather, poses unforeseen challenges in the effective planning and distribution of reliable electricity to the citizens.

All such consumers who have increased their connected load have been advised to download the forms from the website/portal <https://vidyut.andaman.gov.in>, <https://andssw1.and.nic.in/> EMCOSP & format Annexure-VII of JERC Supply Code, 2018 and submit the filled in forms with load enhancement details to their respective site offices.

This will ensure that the Department is adequately informed, enabling it to plan and allocate resources effectively to meet the growing power demands. Failing to

adhere to this process not only impedes efficient power management but also disrupts overall equilibrium of electricity distribution network.

All the consumers of Electricity Department have been requested to cooperate and comply with the JERC Regulation under Section 5.98 (Load enhancement), a press release from Electricity Department said.

Public Health Advisory: Extreme Heat/Heat wave

Do's

For general population

Stay hydrated:

Drink sufficient water whenever possible, even if you are not thirsty. Thirst is not a good indicator of dehydration.

- ◆ Carry drinking water when travelling.
- ◆ Use Oral Rehydration Solution (ORS), and consume homemade drinks like lemon water, buttermilk/lassi, fruit juices with some added salt.
- ◆ Eat seasonal fruits and vegetables with high water content like watermelon, musk melon, orange, grapes, pineapple, cucumber, lettuce or other locally available fruits and vegetables.

Stay covered:

- ◆ Wear thin loose, cotton garments preferably light coloured.
- ◆ Cover your head: use an umbrella, hat, cap, towel and other traditional head gears during exposure to direct sunlight.
- ◆ Wear shoes or chappals while going out in the sun.

Stay alert:

- ◆ Listen to the Radio; watch TV; read the Newspaper for local weather news.
- ◆ Get the latest update on weather on India Meteorological Department (IMD) website at <https://mausam.ind.gov.in>.

Stay indoors/in the shade as much as possible:

- ◆ In well-ventilated and cool places.
- ◆ Block direct sunlight and heat waves: Keep windows and curtains closed during the day, especially on the sunny side of your house. Open them up at night to let cooler air in.

If going outdoors, limit your outdoor activity to cooler times of the day i.e., morning and evening. Reschedule or plan outdoor activities during cooler parts of the day.

Don'ts

Avoid getting out in the sun, especially between 12:00 noon and 03:00 pm. Avoid strenuous activities when outside in the afternoon. Do not go out barefoot. Avoid cooking during peak summer hours. Open doors and windows to ventilate the cooking area adequately. Avoid alcohol, tea, coffee and carbonated soft drinks or drinks with large amounts of sugar- as these actually, lead to loss of more body fluid or may cause stomach cramps. Avoid high-protein food and do not eat stale food. Do not leave children or pets in parked vehicles. The temperature inside a vehicle could get dangerous. *(Source: State Health Society, UTHM)*
