Expert Eye Surgeons from ANIIMS perform cataract surgery on 14 year old Nicobari Tribal Girl to restore her vision

Port Blair, May 16

A 14-year-old girl (Name deliberately Concealed), from Nicobari tribe, had cataract and thus no vision in her right eye since childhood. She was brought to GB Pant Hospital, Port Blair with the support of Nicobar District Administration for examination of the affected eye by the Ophthalmologist team in GBPH/ANIIMS. The treating team comprising of Dr. Anjali, Dr. Sneha S and Dr. Bhaskar and Shukla also consulted Guru Nanak Eye Centre and AIIMS Delhi regarding the procedure and possible outcome of the surgery to be performed since she had no vision in her

affected eye for a very long duration for almost about 14 years.

The Ophthalmologists also detected that the condition of her affected eye was further complicated by chronic infection of a part of eye (uvea). The Ophthalmologist team at the GBPH/ANIIMS decided to

perform cataract surgery under remote monitored medical care from the two institutions from Delhi to address the issue. The surgery was completed successfully and an intraocular lens was successfully placed, giving the girl the possibility of gaining her vision.

The team is hopeful that the girl will soon be able to have normal vision in the operated eye. Since her other eye that was normal, compensating for no vision in the right eye, the process of complete restoration of vision will be supported by the

Interested students, teachers, and research scholars may submit the drawing in the given email address (anrszsi@gmail.com) on or before 31st May, 2024 on the theme, a press release from ZSI said.

A&N Police issues public advisory regarding fake delivery parcel scam to get OTPs from targeted victims

Port Blair, May 16

As people become more aware about the methods used by cybercriminals, they are getting creative, developing new methods for fraud. Cybercriminals are perpetrating a new scam targeting many people to get OTPs (One Time Passwords) for making fraudulent bank transactions and getting access to the victims' email addresses/ smart phones by manipulating them with Fake Delivery Parcel Scam. These scams are often carried out by people who work closely with delivery agents or delivery agencies. When they find out that a particular person receives a lot of packages from various e-commerce companies, then they plan to target

him.

In this regard, Andaman and Nicobar Police has issued the following advisory to citizens:

- > Confirm your order history and the dates before accepting / cancelling any package.
- > Avoid clicking on any link received in an SMS when dealing with such package deliveries.
- > Scrutinize all the URLs (links) before opening and filling in any information/ OTP.
- > Avoid sharing your personal details such as address, email id, phone number, etc. if not required.

- > Avoid clicking on a link or calling back the number from an unexpected delivery notice via a SMS or email.
- For assistance, information or enquiries, contact: Cyber Crime Police Station, A&N Islands, over National Helpline No.1930 and A&N Police Cyber Helpline No. 9531856083 or v i s i t cybercrime.gov.in, a press release received from SP (CID) said.

The movie provided much needed recreation and fun for the elders, many of whom are often stuck in the routines of their care homes. It gave them a rare chance to enjoy new stories and experiences, boosting their emotional and mental wellbeing. Activities like these can also help seniors reconnect with society thereby reducing their struggle with social isolation and making them feel more included.

Dr. Nitin Shakya, Director (Social Welfare) expressed his gratitude to the owner of Anand Paradise Theatre, Shri K.P Anand for their support and contribution towards this program. He remarked that social gatherings and shared experiences like movie shows, can greatly improve seniors' mental health, reduce feelings of loneliness and foster a sense of community.

He also talked about future plans to make life better for senior citizens and urged the general public, organizations, and institutions to help the elderly and children in Child Care Institutions (CCIs) in any way they can. Visiting old age homes and CCIs to spend time with the residents can help break the cycle of isolation and loneliness they often experience, he added.

Speaking on behalf of all the senior citizens present, Shri Sudhir Bepari, senior citizen from Old Age Home, Ferrargunj expressed his heartfelt appreciation to the owner of Anand Paradise Theatre and the Directorate of Social Welfare for their thoughtful initiative in organizing such engaging activities for them.

If any Organizations/Institutions are interested to conduct similar programmes for senior citizens, divyangjan or children of CCIs, they may contact over phone no. 03192-244386, a press release from Directorate of Social Welfare said.

FAKE CALLS - Don't take any calls threatening to disconnect your mobile on behalf of DoT/TRAI and report at www.sancharsaathi.gov.in

DoT does not make calls to citizens threatening disconnection

New Delhi, May 16 (PIB)

The Department of Telecommunications (DoT), Ministry of Communications, has issued an advisory to citizens to not to take fake calls being received by the citizens wherein callers are threatening to disconnect their mobile numbers, or their mobile numbers are being misused in some illegal activities.

The DoT had also issued advisory about WhatsApp calls from foreign origin mobile numbers (like +92-xxxxxxx) impersonating Government officials and duping the people.

Cyber criminals through such calls try to threaten or steal personal information to carry out cyber-crime/financial frauds. The DoT/TRAI does not authorise anyone to make such call on its behalf and has advised people to stay vigilant and report such fraud communications at 'Chakshu - Report Suspected Fraud Communications' facility of Sanchar Saathi portal (www.sancharsaathi.gov.in/sfc). Such proactive reporting helps DoT in prevention of misuse of telecom resources for cyber-crime, financial frauds, etc.

The DoT also advises citizens to report at cyber-crime helpline number 1930 or www.cybercrime.gov.in in case of already a victim of cyber-crime or financial fraud.

Various measures have been taken to combat suspected fraud communications and to curb cybercrime activities:

Under CHAKSHU facility, 52 Principal Entities, involved in sending malicious and phishing SMSs to the citizens have been blacklisted.

700 SMS content templates have been deactivated. 348 mobile handsets blacklisted on pan- India basis across all telecom operators. 10,834 suspected mobile numbers flagged for re-verification to the telecom operators, out of which, 8272 mobile connections disconnected failing re-verification till 30th April 2024.

1.86 lakh mobile handsets blocked on pan India basis for involvement in cybercrime/financial frauds.

Advisories have been issued on a regular basis for the public to create awareness on fake notices impersonating DoT/TRAI, suspected fraud communications and malicious calls via press, SMS, and social media.

Ramcharitmanas, Panchatantra, and Sahridayaloka-Locana enter 'UNESCO's Memory of the World Asia-Pacific Regional Register'

New Delhi, May 16 (PIB)

The Ramcharitmanas, Panchatantra and Sahridayaloka-Locana have been included in 'UNESCO's Memory of the World Asia-Pacific Regional Register'. This inclusion is a proud moment for India, a confirmation of the country's rich literary heritage and cultural legacy. It signifies a step forward in global cultural preservation efforts, highlighting the importance of recognizing and safeguarding the diverse narratives and artistic expressions that shape our shared humanity. By honouring these literary masterpieces, society not only pays homage to the creative genius of their creators but also ensures that their profound wisdom and timeless teachings continue to inspire and enlighten future generations.

The 'Ramcharitmanas', 'Panchatantra', and 'Sahridayaloka-Locana' are such timeless works that have deeply influenced Indian literature and culture, shaping the nation's moral fabric and artistic expressions. These literary works have transcended time and place, leaving an indelible mark on readers and artists both within and outside India. It is noteworthy that 'Sahridayaloka-Locana', 'Panchatantra', and 'Ramcharitmanas' were authored by Acharya Anandvardhan, Pt. Vishnu Sharma, and Goswami Tulsidas, respectively.

The Indira Gandhi National Centre for the Arts (IGNCA), played a vital role in securing a historic moment during the 10th meeting of the Memory of the World Committee for Asia and the Pacific (MOWCAP). At the gathering in Ulaanbaatar, 38 representatives from member states convened alongside 40 observers and nominees. Advocating for three Indian nominations, IGNCA ensured their placement in 'UNESCO's Memory of the World Asia-Pacific Regional Register'.

Professor Ramesh Chandra Gaur, Dean (Administration) and Head of the Department, Kala Nidhi Division at IGNCA, successfully presented these three entries from India: The Ramcharitmanas, Panchatantra, and Sahridayaloka-Locana. Prof. Gaur effectively defended the nominations at the Ulaanbaatar convention. This milestone accentuates IGNCA's dedication to preserving and promoting India's cultural heritage, reaffirming its commitment to global cultural preservation and the advancement of India's literary legacy. This marks the first time IGNCA has submitted nominations to the Regional Register since its inception in 2008.

After undergoing rigorous deliberations and receiving recommendations from the Register Subcommittee (RSC), and subsequent voting by member state representatives, all three nominations secured inclusion, thereby marking significant Indian entries predating the inception of the Register in 2008.

Alert against incidents of 'Blackmail' and 'Digital Arrest' by Cyber Criminals Impersonating State/UT Police, NCB, CBI, RBI and other Law Enforcement Agencies

New Delhi, May 16 (PIB)

A large number of complaints are being reported on National Cyber Crime Reporting Portal (NCRP) regarding intimidation, blackmail, extortion and "Digital Arrests" by cyber criminals posing as Police Authorities, Central Bureau of Investigation (CBI), Narcotics Department, Reserve Bank of India (RBI), Enforcement Directorate and other Law Enforcement Agencies.

These fraudsters typically call a potential victim and inform that the victim has sent or is the intended recipient of a parcel, which contains illegal goods, drugs, fake passports or any other contraband item. Sometimes, they also inform that a near or dear one of the victim has been found to be involved in a crime or an accident and is in their custody. A demand for money is made to compromise the "case". In certain instances, unsuspecting victims are made to undergo "Digital Arrest" and remain visually available over Skype or other video conferencing platform to the fraudsters, till their demands are met. The fraudsters are known to use studios modeled on Police Stations and Government offices and wear uniforms to appear genuine.

Across the country, several victims have lost large amounts of money to such criminals. This is an organized online economic crime and is learnt to be operated by cross-border crime syndicates.

The Indian Cyber Crime Coordination Centre (I4C), under the Ministry of Home Affairs, coordinates activities related to combating cybercrime in the country. MHA is closely working with other Ministries and their agencies, RBI and other organizations to counter these frauds. I4C is also providing inputs and technical support to Police Authorities of States/UTs for identifying and investigating the cases.

I4C has also blocked more than 1,000 Skype IDs involved in such activities, in collaboration with Microsoft. It is also facilitating blocking of SIM cards, Mobile devices and Mule accounts used by such fraudsters. I4C has also issued various alerts through infographics and videos on its social media platform 'Cyberdost' for e.g. X, Facebook, Instagram and others.

Citizens are advised to be alert and spread awareness about these types of frauds. On receipt of such calls, the citizens should immediately report the incident on cybercrime helpline number 1930 or www.cybercrime.gov.in for assistance.

CBDT releases new functionality in AIS for taxpayers to display status of information confirmation process in real-time

Taxpayers can now check whether their feedback is acted upon by the Source/Reporting Entities

New Delhi, May 16 (PIB)

The Annual Information Statement (AIS) is available to all registered Income Taxpayers through the compliance portal, accessible through the e-filing website (www.incometax.gov.in). AIS provides details of a large number of financial transactions undertaken by the taxpayer which may have tax implications. AIS is populated based on the financial data received from multiple information sources.

In AIS, taxpayer has been provided with a functionality to furnish feedback on every transaction displayed therein. This feedback helps the taxpayer to comment on the accuracy of the information provided by the Source of such information. In case of wrong reporting, the same is taken up with the Source for their confirmation, in an automated manner. It may be noted that, information confirmation is currently made functional with regard to information furnished by Tax Deductors/Collectors and Reporting Entities.

The Central Board of Direct Taxes (CBDT) has now rolled out a new functionality in AIS to display the status of information confirmation process. This will display, whether the feedback of the taxpayer has been acted upon by the Source, by either, partially or fully accepting or rejecting the same. In case of partial or full acceptance, the information is required to be corrected by filing a correction statement by the Source. The following attributes shall be visible to the taxpayer for status of Feedback confirmation from Source.

Whether feedback is shared for confirmation: This will let the taxpayer know if the feedback has been shared with the Reporting Source for confirmation or not.

Feedback Shared On: This will let the taxpayer know the date on which the feedback has been shared with the Reporting Source for confirmation.

Source Responded On: This will let the taxpayer know the date on which the Reporting Source has responded on the feedback shared with it for confirmation.

Source Response: This will let the taxpayer know the response provided by the Source on the taxpayer's feedback (if any correction is required or not).

This new functionality is expected to increase transparency by displaying such information in AIS to the taxpayer. This is another initiative of the Income Tax Department towards ease of compliance and enhanced taxpayer services.
