Group of 20 students from PM SHRI Govt. High School, East Sikkim, during their visit to A&N Islands as part of National Integration Tour (NIT) called on Admiral D K Joshi, PVSM, AVSM, YSM, NM, VSM, (Retd.), Hon'ble Lt. Governor, A&N Islands and Vice-Chairman, Islands Development Agency today at Raj Niwas. The tour is organized by Indian Army under Operation Sadbhavana to foster educational exposure and cultural exchange.

Election Commission's Special Intensive Revision drive in A&N Islands to begin today

Sri Vijaya Puram, Nov. 3

The Election Commission's Special Intensive Revision drive in this UT of Andaman & Nicobar Islands begins tomorrow (Nov. 4). Here is everything you need to ensure your name in the Draft Electoral Roll, which will be published on 09th December, 2025.

Registered voters as on 27th October, 2025 of the Andaman & Nicobar Islands Parliamentary Constituency are required to fill a fresh enumeration form as part of the Election Commission's Special Intensive Revision (SIR). To ensure inclusion of your name in the Draft Roll, you must link your details with last SIR roll, either through your name or your parent's name.

No documents are required to be given during enumeration phase (4th November, 2025 to 4th December, 2025). Between November 4, 2025 and December 4, 2025 Booth Level Officers (BLOs) of the Election Commission will visit homes (upto three visits) to distribute pre-printed enumeration form in duplicate. Every registered voter currently on the electoral roll must fill and submit this form to ensure their name appears in the draft electoral roll to be published on December 9, 2025.

Your enumeration form will already have some of your information printed such as your name, EPIC Number, Address, Part Number & Name, Constituency Name, Photograph. Check these details carefully. Then fill in the missing fields: your date of birth, Aadhaar

number (optional), Mobile Number, parent's name and EPIC Numbers. You can also attach a new photograph in space provided.

For the SIR across the UT of A & N Islands, the Election Commission has added a new section to the enumeration form. This section requires electors to trace their name or a parent's name in the electoral roll from the last Intensive Revision held in the year 2002. The part wise 2002 electoral roll is available in website in pdf format: link <https://www.ceoandaman.nic.in/election/E-ROLL-2002/default.htm>. Additionally, a search facility for the 2002 electoral roll has been provided on the CEO's website : <https://ceo.andamannicobar.gov.in/sir2002/>. Using this feature, electors can easily able to search their names by entering any of the required fields.

The voters who have Shifted or migrated from other States and are presently in the electoral roll of the Andaman & Nicobar Islands Parliamentary Constituency are required to visit the respective State CEO's website or the ECI website : <https://voters.eci.gov.in/> to trace or link their name or their parents name in the electoral rolls prepared during last SIR held in respective State.

Once the elector has filled in all the required details in the enumeration form and established a link to last published SIR roll, they should sign the form and

Meeting with representatives of recognized Political Parties to brief on Special Intensive Revision of the Electoral Roll held

ERO, ANIPC explained the process, procedures & purpose of SIR

Sri Vijaya Puram, Nov. 3

A meeting with the representatives of recognized Political Parties was held under the chairmanship of Electoral Registration Officer, A&N Islands Parliamentary Constituency today in the Conference Hall of Deputy Commissioner's Office South Andaman to brief them on the Special Intensive Revision (SIR) of the Electoral Roll.

The Electoral Registration Officer, ANIPC explained the process, procedures, and purpose of the SIR and also shared the detailed schedule of the Special Intensive Revision (SIR).

S. No.	Activities	Schedule
1.	Preparation/Training/Printing	28.10.2025 (Tuesday) to 03.11.2025 (Monday)
2.	Enumeration Period	04.11.2025 (Tuesday) to 04.12.2025 (Thursday)
3.	Rationalization/Rearrangement of Polling Stations	By 04.12.2025 (Thursday)
4.	Updation of Control Table and Preparation of draft roll	05.12.2025 (Friday) to 08.12.2025 (Monday)
5.	Publication of draft electoral roll	on 09.12.2025 (Tuesday)
6.	Period for filing claims & objections	09.12.2025 (Tuesday) to 08.01.2026 (Thursday)
7.	Notice Phase (Issuance, hearing & verification) decision on Enumeration Forms and disposal of claims and objections to be done concurrently by the EROs	09.12.2025 (Tuesday) to 31.01.2026 (Saturday)
8.	Checking of health parameters of electoral rolls and obtaining Commission's permission for final publication	By 03.02.2026 (Tuesday)
9.	Final Publication of Electoral Roll	On 07.02.2026 (Saturday)

collect it, and submit it to the ERO/AERO.

- Make at least three visits to the house of each elector.
- Facilitate online submission of the Enumeration Form (EF), particularly for urban voters and temporary migrants.
- Identify dead voters, permanently shifted voters, and those registered at more than one place.
- Note: Except for the EF, no other document needs to be collected during the Enumeration Phase.

Electors have been urged to fill the Enumeration Form (EF) and hand it over to the BLO. Alternatively, electors can submit the form online through the Election Commission portal at <https://voters.eci.gov.in>.

The guiding principle of the SIR is to ensure that no eligible citizen is left out and no ineligible person is included in the Electoral Roll. The meeting was attended by representatives of recognized Political Parties. The Electoral Registration Officer, ANIPC sought the cooperation of all Political Parties to ensure the smooth and successful conduct of the Special Intensive Revision process.

The cooperation of the general public have also been solicited for the successful completion of the SIR, a press release from ERO said.

Inter State Mock Exercise-2025 on Earthquake & Tsunami in A&N Islands to be conducted today

Exercise aims to test Incident Response System of A&N Islands

Sri Vijaya Puram, Nov. 3

The Andaman & Nicobar Administration and National Disaster Management Authority (NDMA), Government of India, New Delhi in collaboration with Indian National Centre for Ocean Information Services (INCOIS), MoES, GoI, Hyderabad will conduct the Inter State Mock Exercise (ISME) - 2025 on Earthquake and Tsunami in the A&N Islands on 04th November, 2025.

This exercise aims to test the Incident Response System (IRS) of ANI, evaluate the readiness and coordination of emergency response mechanisms, and strengthen disaster preparedness across the A&N Islands by involving all Emergency Support Functionaries (ESFs), Incident Response Teams (IRTs), and local communities.

The Director (Disaster Management), A&N Administration has requested the general public to extend their full cooperation during the forthcoming mock exercise on earthquake and tsunami preparedness. He has advised all residents to remain calm and continue with their normal routine activities, as the exercise is a scheduled preparedness drill and poses no real threat to public safety.

Key Activities during the Exercise

- ◆ Increased Emergency Presence: Citizens may notice increased movement of emergency

Inter-State Joint Mock Exercise on Tsunami and Cyclone Disasters to be conducted in N&M Andaman today

Sri Vijaya Puram, Nov. 3

The District Administration, North and Middle Andaman, in coordination with the line Departments, will be conducting an Inter-State Joint Mock Exercise on Tsunami and Cyclone Disasters on Nov. 4 from 0800 hrs to 1600 hrs in compliance with the direction received from the Directorate of Disaster Management.

The exercise aims to enhance the level of preparedness, inter-agency coordination, and response capabilities of various stakeholders in effectively managing large-scale natural disasters such as tsunamis and cyclones. It will also evaluate the readiness of the District Administration, emergency services, and local institutions in mitigating the impact of

such calamities. The mock drill will be conducted at Pokhadera Jetty,

Karmatang Village, Aerial Bay Jetty, LCT Jetty Durgapur, Nimbulata, and Nilambur.

Residents in nearby areas have been advised not to panic upon hearing sirens, witnessing rescue demonstrations, or observing emergency vehicle movement during the course of the exercise.

Exercise aims to test Incident Response..... (Contd. from page 1)

vehicles such as PCR vans, Fire Tenders, Ambulances, and other specialized units across the Islands. These are part of the planned exercise and are not responding to an actual emergency.

- ♦ Simulated Scenarios: The mock exercise will simulate earthquake and tsunami-related incidents, including mock fires, medical emergencies, and evacuation drills, along with testing of sirens, public announcements, and SMS alerts. All activities will be conducted safely under the supervision of trained officials from NDMA, A&N Administration, and other stakeholders.
- ♦ Location and Timing: The exercise will be conducted across various locations in South Andaman, North & Middle Andaman, and Nicobar Districts on Nov. 4, from 8 AM to 4 PM.

Public Advisory

- ♦ The public have been requested not to panic due to the movement of emergency vehicles, sounds of sirens, or other exercise-related activities.
- ♦ This is a controlled simulation supervised by professional trainers and disaster management officials.
- ♦ Citizens are encouraged to continue their daily activities as usual; no special precautions or changes to routine are required.
- ♦ To minimize inconvenience, residents are advised to avoid designated mock drill areas, as minor traffic diversions or delays may occur. Kindly cooperate with police and traffic authorities at all locations.
- ♦ Any updates or changes related to the exercise will be communicated through local media, social media platforms, and official communication channels.

Public Cooperation

This Inter State Mock Exercise is a significant step towards strengthening community-based disaster preparedness in the Andaman & Nicobar Islands. The cooperation and understanding of the public are greatly appreciated as we collectively strive to enhance the safety and resilience of our Islands against natural disasters.

For more information or queries, please contact Emergency Helpline Numbers of the State Emergency Operation Centre (1070), District Emergency Operation Centre (1077) and Emergency Response Support System (112), a press release from Directorate of Disaster Management said.

Election Commission's Special Intensive..... (Contd. from page 1)

keep it ready. During the next visit, the Booth Level Officer (BLO) will collect the completed form. The BLOs are also required to provide one copy of the form as an acknowledgement of receipt to the elector.

The BLO will assist electors in filling up the enumeration form, wherever required, to ensure that all details are correctly entered. The form also allows any senior family member of the house to sign on behalf of other family members who are not present during the Enumeration Phase.

Please refer to the information sheet provided on the reverse side of the Enumeration Form for guidance. For any queries or assistance, electors are advised to contact their respective Booth Level Officers (BLOs) whose name and contact number is pre-printed in Enumeration Form for necessary support.

The Chief Electoral Officer, Andaman & Nicobar Islands has requested all electors to extend their full cooperation to the Booth Level Officers (BLOs) by providing accurate details during the house-to-house visit. BLOs will visit every household as part of this exercise and your cooperation is essential for the successful completion of the Special Intensive Revision (SIR).

"No Eligible Voter to be Left Out, and No Ineligible person is Included in the Electoral Roll", a press release from CEO, A&N Islands said.

First Block-Level CwSN Inclusive Sports Meet begins at GSSS Bhatubasti School Ground

Sri Vijaya Puram, Nov. 3

The Block Project Officer, Samagra Shiksha, South Andaman, is organizing the First Block-Level CwSN (Children with Special Needs) Inclusive Sports Meet at GSSS Bhatubasti School Ground on 3rd & 4th November 2025.

Inaugurating the program as the chief guest, Shri Vikram Singh, Director (Education & Sports) emphasized the importance of encouraging CwSN students to actively participate in sports and physical activities. He instructed all PETs and PSRTs to provide maximum opportunities for these children to play, practice, and showcase their talents in various sports disciplines. He further assured that the Department will extend all possible support and facilities to promote sports at the school level.

The initiative aims to develop students' physical fitness, discipline, teamwork, and sportsmanship, thereby nurturing a healthy and confident young generation. The two-day event aims to promote inclusiveness, participation and equal opportunities for Children with Special Needs, while integrating them with their peers in sports and physical activities.

The meet will include track & field events, motor-skill based activities and team games suitable for CwSN participants, ensuring full support, accessibility, and safety, a press release from DEO (SA) said.

National Homoeopathic Pharmacovigilance prog. 2025 held at Clinical Research Unit (H)

Sri Vijaya Puram, Nov. 3

The Clinical Research Unit (Homoeopathy), Sri Vijaya Puram, under the Central Council for Research in Homoeopathy (CCRH), Ministry of AYUSH, Government of India, organized a one-day scientific event titled the 'National Homoeopathic Pharmacovigilance Programme 2025' on Oct. 27. The theme, 'From Awareness to Action - One Click Secures Your Safety,' underscored the importance of strengthening pharmacovigilance practices within the AYUSH system. The programme aimed to enhance awareness among practitioners across the Islands by providing the latest updates in pharmacovigilance and imparting practical training on reporting through the AYUSH Suraksha Portal.

Dr. Kalyan P. Kadhban, Deputy Director (AYUSH) & Coordinator for PV-Ayu. Drugs, graced the occasion as chief guest while Dr. Saroj Kumar Debnath, Research Officer (Ayu.), Scientist-4, Regional Ayurveda Research Institute, Sri Vijaya Puram, was the guest of honour. Dr. Santi Adhikary, Research Officer (H), Scientist-1, and Officer In-Charge, delivered the welcome address.

The scientific sessions featured insightful deliberations by eminent speakers - Dr. Swapan Paul, Associate Professor & Coordinator, National Institute of Homoeopathy (NIH), Kolkata; Dr. Suniti Chugh, Research Officer (Homoeopathy), Central Council for Research in Homoeopathy (CCRH), Headquarters, New Delhi; and Dr. Namita Gopal, Junior Research Fellow, (H.), Pharmacovigilance Program, Sri Vijaya Puram.

A pilot KAP survey among the offline attending doctors were also conducted. The programme witnessed the participation of 56 medical officers and private practitioners, both online and offline, and concluded with a vote of thanks and certificate distribution ceremony, a press release received here said.

Department of AH&VS conducts awareness programme on Artificial Insemination in Great Nicobar

Sri Vijaya Puram, Nov. 3

The Department of AH&VS conducted awareness programs on Artificial Insemination (AI) in cattle at Joginder Nagar Community Hall under Laxmi Nagar Panchayat and at Veterinary Hospital, Campbell Bay for Govind Nagar and Campbell Bay Gram Panchayats recently. The initiatives aimed to educate dairy farmers and PRI members on advanced breeding techniques to enhance milk production and livestock quality.

The meetings were attended by Pramukh, Campbell Bay, Shri E.S. Rajesh; Up-Pradhan, Campbell Bay, Shri Sanjay Ekka; Pradhan, GP Laxmi Nagar, Shri Prahlad Singh; Pradhan, GP Govind Nagar, Shri Venkat; Up-Pradhan, GP Campbell Bay, Shri Emanual; Ward members from all three Panchayats; and dairy farmers from the respective areas.

Experts emphasized the benefits of AI in increasing milk yield, the use of sex-sorted semen for female calf production, and the importance of castrating scrub bulls to promote AI adoption. The programs also covered the value of cattle by-products, including cow dung-based biogas plants, cow urine utilization, and preparation of agarbatti (incense sticks) from cow dung, to encourage diversified income sources.

A key outcome was the unanimous recognition that scrub bulls contribute to low AI coverage in Great Nicobar. To address this, participants resolved to castrate all stray scrub bulls across the Gram Panchayats in coordination with the AH&VS Department. This collaborative decision marks a significant step toward systematic breeding improvement, a press release from Deptt. of AH&VS said.

Applications invited from licensed fishers of ZPSA

(Contd. from page 1)

Interested/eligible bonafide fishing boat owners have been requested to collect the prescribed application form and detailed terms and condition of the programme from the Fisheries Section, Zilla Parishad/Zonal Fisheries Offices, nearest Fisheries Sub Stations and submit the filled in application in the office of the Chief Executive Officer/ respective Fisheries Sub-Station latest by 15th December, 2025. For any clarification, fishers may contact Shri D. Xavier, AFDO, Zilla Parishad, South Andaman, Mobile No.9531844474, a press release from CEO, ZPSA said.

Inter-State Joint Mock Exercise on Tsunami and Cyclone.....

(Contd. from page 1)

These activities are part of a routine preparedness measure designed to strengthen disaster response mechanisms and ensure prompt coordination among all response agencies in the event of a real emergency.

The District Administration reiterates its commitment to community safety, disaster resilience, and effective coordination among all responding agencies, thereby ensuring the highest standards of preparedness in the North and Middle Andaman District, a press release from DC N&MA said.

State Level Sports Association reschedules sports events

Sri Vijaya Puram, Nov. 3

In view of the ongoing weather conditions and the Half Yearly Examinations of students, the State Level Sports Association has decided to reschedule the following events to be conducted during the months of November and December, 2025.

Sl No.	Name of Events	Date	Entry date
1	District Archery Championship (Senior, Junior & Sub-Junior) and selection trial for Sub-Junior for National Participation	Nov. 08-09	Closed

6	Open State Senior Basketball Championship cum selection trial	Dec. 6-7	Dec. 4

The Archery registration has already been completed, and the Swimming entry process is currently ongoing.

Entries for the Table Tennis, Badminton, and Basketball Championships have been opened through a Google Form, and the link will be shared in the respective WhatsApp groups of the concerned associations, allowing participants to register conveniently.

For accessing the Google Form or for any further information, participants may contact the respective Event Coordinators viz. Archery -9933243131; Swimming - 9476085468; Table Tennis - 7695046951; Badminton - 9434280768 and Basketball - 7063957589, a press release from ANSOA said.

Kudo Andaman Team shines in National Tournament

Sri Vijaya Puram, Nov. 3

The Kudo Andaman Team shines at 16th Kudo National Tournament, 6th Federation Cup, 17th Akshay Kumar International Kudo Tournament 2025 held at Gujarat Indoor Stadium, Surat from 24th to 31st October, 2025.

The Kudo Andaman team delivered an outstanding performance in the Tournament, securing a total of 14 medals, including 4 Gold, 4 Silver, and 6 Bronze. The team was led by Renshi Dhamain Turkey, Black Belt, an ex-serviceman, a press release received here said.

Block Level Science & Mathematics Quiz Competition organized by Block Project Office, Wimberlygunj

Sri Vijaya Puram, Nov. 3

An Inter-School Block Level Science and Mathematics Quiz Competition was organized on Oct. 31 by the Block Project Office, Wimberlygunj in the auditorium of Government Senior Secondary School, Wimberlygunj which was inaugurated by Dr. Manoharan, Deputy Education Officer, Wimberlygunj.

The competition was conducted in three categories- Upper Primary, Secondary, and Senior Secondary levels. Students from various schools enthusiastically showcased their knowledge and skills in Science and Mathematics, making the event both educational and engaging.

Prizes were awarded to the first, second, and third position holders in each category. The first-place winners from each category will represent the Wimberlygunj Zone in the forthcoming State Level Quiz Competition, a press release from DEO, Wimberlygunj said.

Awareness-cum-Registration Camp for construction workers to be held at Guptapara Gram Panchayat on Nov. 8

Sri Vijaya Puram, Nov. 3

The Andaman & Nicobar Islands Building and Other Construction Workers Welfare Board, in association with the Guptapara Gram Panchayat, will be organizing an Awareness-cum-Registration Camp for construction workers on Nov. 8 at 10 AM at the Guptapara Gram Panchayat premises.

The objective of the camp is to raise awareness among construction workers about various Social Security and Welfare Schemes implemented by the Board and to facilitate their registration on the spot. Participation in this camp will help workers gain a better understanding of the benefits available to them under these welfare schemes and enable them to register themselves to avail of these benefits.

All construction workers in and around Guptapara have been encouraged to attend and take advantage of this opportunity, a press release from Labour Department said.

Thunderstorm & lightning with gusty wind likely to occur in A&N Islands

Sri Vijaya Puram, Nov. 3

Thunderstorm with gusty wind (30-40 kmph) and lightning is very likely to occur at one or two places over A&N Islands on Nov. 4 & 5. Squally weather with surface wind speed reaching 35-45 kmph gusting to 55 kmph is very likely over North Andaman Sea. Sea condition is likely to be rough. Fishermen have been advised not to venture into the sea along and off North Andaman Sea till Nov. 5, a press release from Directorate of Disaster Management said.

National Beekeeping & Honey Mission

Bringing Sweet Revolution: Buzzing for a Better India

Key Takeaways
➔ National Beekeeping and Honey Mission (NBHM) is a Central Sector Scheme for promoting scientific beekeeping for holistic growth of beekeeping sector. The goal is to bring about a "Sweet Revolution".
➔ The mission has a total budget outlay of Rs. 500 crores and is being implemented for the period FY 2020-21 to FY 2025-26. National Bee Board (NBB) is implementing the NBHM.
➔ NBHM is implemented through 3 Mini Missions that focus on productivity improvement, post-harvest management, and research & technology generation.
➔ In 2024, India produced approx. 1.4 lakh metric tonnes (MT) of natural honey.
➔ India exported around 1.07 lakh metric tonnes (MT) of natural honey worth USD 177.55 million in FY 2023-24. It is now the second-largest exporter of honey globally, up from the 9th rank in 2020.
➔ The Madhukranti portal has been launched for the online registration and traceability of the source of honey and other bee products.

Introduction
The National Beekeeping and Honey Mission (NBHM) is a Central Sector Scheme launched by the Government of India for the overall promotion and development of scientific beekeeping and the production of quality honey and other beehive products. Implemented through the National Bee Board (NBB), the scheme was announced under the banner of Atmanirbhar Bharat with a total budget outlay of Rs.500 crore for three years (FY 2020-21 to 2022-23). It has since been extended for another three years (FY 2023-24 to 2025-26) with a remaining budget of Rs.370 crore from the original allocation.

Beekeeping, an agro-based activity undertaken by farmers and landless labourers in rural areas, forms an integral part of the Integrated Farming System. It plays a crucial role in pollination, thereby enhancing crop yields and farmers' income while providing honey and other high-value beehive products such as beeswax, bee pollen, propolis, royal jelly, bee venom, etc., all of which serve as important sources of livelihood for rural communities.

Integrated farming (or integrated agriculture) is a commonly and broadly used word to explain a more integrated approach to farming as compared to existing monoculture approaches. It refers to agricultural systems that integrate livestock, fisheries, crop production, horticulture, etc.

India's diverse agro-climatic conditions offer vast potential for beekeeping, honey production, and export. Recognizing its importance in rural development and agricultural sustainability, the Government of India launched the NBHM as part of the "Sweet Revolution", an ambitious initiative aimed at promoting apiculture to accelerate the production of quality honey and boost farmers' income through scientific and organized beekeeping.

Sub Schemes under NBHM

The NBHM is being implemented through 3 Mini Missions (MMs) - MM-I, MM-II & MM- III:
a. Mini Mission-I: Under this Mission, thrust will be given on production & productivity improvement of various crops through pollination

assisted by adoption of scientific beekeeping;
b. Mini Mission-II: This Mission will concentrate on post-harvest management of beekeeping/beehive products including collection, processing, storage, marketing, value addition, etc. with a thrust to develop requisite infrastructural facilities for these activities; and
c. Mini Mission-III: This Mission will concentrate on research & technology generation for different regions/states/agro-climatic and socio-economic conditions.
Objectives of NBHM
The main objectives of NBHM are:
a. Promoting holistic growth of beekeeping industry for income & employment generation, providing livelihood support to farm and non-farm households and to enhance agriculture/ horticulture production;
b. Developing additional infrastructural facilities for developing quality nucleus stock of honeybees, multiplication of stock by bee breeders and post-harvest and marketing infrastructures, including honey processing plants, storages/cold storages, collection, branding, marketing centre, etc.;
c. Setting up of state-of-the-art Quality Control Labs for testing of honey & other beehive products at regional levels and Mini/Satellite Labs at district levels in main honey producing districts/states;
d. To develop blockchain/ traceability system for traceability of source of honey & other beehive products and using IT tools in beekeeping, including online registration, etc.;
e. To develop and facilitate Honey Corridors in potential areas;
f. To promote agri-entrepreneurs & agri-startups for their involvement in beekeeping/honey production;
g. To promote trade-agreements between beekeepers & traders/honey processors/exporters, etc.;
h. To promote, develop and disseminate latest technologies and skill development in beekeeping industry for production of honey & other high value beehive products;
i. Empowerment of women through beekeeping;
j. To maximize, economic, ecological and social benefits by diversification through beekeeping by production of higher quantity and good quality of honey and other high value beehive products for domestic and export market; and
k. To strengthen beekeepers by developing institutional framework through collective approach like formation of Self-Help Groups/Farmer Producer Organizations/Beekeepers Cooperatives/Federations, etc.

Progress and Achievements of NBHM
In Marketing Year 2024 (January to December), India produced approx. 1.4 lakh metric tonnes (MT) of natural honey. Further, the government has made several efforts to ensure the progress of NBHM:
a. 6 world class Honey Testing Labs, 47 Mini Honey Testing Labs, 6 Disease Diagnostic Labs, 8 Custom Hiring centres, 26 Honey Processing Units, 12 Beekeeping Equipment's Unit, 18 Collection-Branding & Marketing Units, 10 Packaging and Cold storage have been sanctioned under NBHM till March 2025.
b. 424 hectares of land has been covered as Technology Demonstration on Beekeeping and 288 hectares as Plantations of Bee friendly Flora under the sanctioned projects of NBHM. Also, 167 activities have been sanctioned for

empowerment of women by bringing SHGs under NBHM in various states.
c. A National Centre of Excellence in Beekeeping has been sanctioned at IIT, Roorkee.
d. As per the demand of beekeeping sector Agricultural & Processed Food Products Export Development Authority (APEDA) imposed Minimum Export Price (MEP) of US \$ 2,000 (Rs. 1.67 lakh) per metric ton (PMT), i.e., Rs. 167.10 per Kg for honey. The announced MEP was imposed till December 31, 2024.
e. The Madhukranti portal has been launched for online registration and traceability of source of honey and other bee products. About 14,859 Beekeepers, 269 Beekeeping and Honey Societies, 150 Firms and 206 Companies have been registered with NBB on Madhukranti portal, as of October 14, 2025.
f. Under NBHM, formation of 10,000 FPOs, 100 FPOs of Beekeepers/Honey Producers are allotted to TRIFED (14), NAFED (60) and NDDB (26) for implementation of activities under NBHM. Out of total 100 FPOs allotted to NBB, 97 FPOs of Beekeepers/ Honey Producers have been registered/formed till March 2025.
g. As of March 2025, a total of 298 registered producers has been benefitted by the provisions of NBHM.
Export of Natural Honey from India
India exports a variety of natural honey like Rapeseed/Mustard Honey, Eucalyptus Honey, Lychee Honey, Sunflower Honey, etc. Major Indian states producing honey are: Uttar Pradesh (17%), West Bengal (16%), Punjab (14%), Bihar (12%) and Rajasthan (9%).
India exported around 1.07 lakh metric tonnes (MT) of natural honey worth USD 177.52 million in FY 2023-24. This is a commendable rise in exports since FY 2020-21 when India exported 59,999 MT of natural honey worth USD 96.77 million.
Major export destinations included U.S.A, UAE, Saudi Arabia, Qatar and Libya.
As per the July 2025 Monthly Dashboard for Honey, prepared jointly by the Agricultural and Processed Food Products Export Development Authority (APEDA) and Crisil, globally, India is the second largest exporter of honey, after China, as of marketing year 2024, up from the 9th rank in 2020.
National Bee Board (NBB)
National Bee Board was registered as a society under Societies Registration Act XXI of 1860, on July 19, 2000, and was reconstituted under the Chairmanship of Secretary (A&C) in June, 2006. The main objective of NBB is overall development, promotion of scientific beekeeping in the country to increase the productivity of crops through pollination and increase the honey production for increasing the income of the beekeepers/farmers. NBB has been designated/recognized as Nodal Agency for overall development/ promotion of scientific beekeeping in the country. The scheme NBHM is being implemented by NBB.
Conclusion
The National Beekeeping & Honey Mission (NBHM) represents a pivotal, multi-faceted initiative by the Government of India, driving the ambitious "Sweet Revolution" by promoting scientific beekeeping through funding and a structured implementation plan using the three Mini Missions. NBHM is successfully transitioning beekeeping from a traditional practice to a robust, technology-driven industry. (Source: PIB)

Towards Universal Healthcare Ayushman Bharat Pradhan Mantri-Jan Arogya Yojana

Key Takeaways
►The Ayushman Bharat-Pradhan Mantri Jan Arogya Yojana is the world’s largest public healthcare scheme that aims at providing health insurance of up to Rs. 5 lakhs to each eligible household annually.
► AB-PMJAY was launched seven years ago on Sept. 23, 2018.
► AB-PMJAY makes quality healthcare more affordable for over 12 crore vulnerable families.
► As of Oct. 28, 2025, more than 42 crore Ayushman cards have been issued for AB-PMJAY beneficiaries.
► More than 86 lakh senior citizens have been enrolled in the scheme.
► It is a part of the Ayushman Bharat scheme with multiple components; together they deliver affordable and quality healthcare to achieve universal health.

Introduction
Investing in healthcare makes communities more resilient, capable, and productive. Universal health coverage is about ensuring everyone, including the most vulnerable families, gets access to affordable, quality healthcare, enabling them to live healthy and fulfilling lives.

As India’s economic growth trends upward, the Government of India has been able to focus on ensuring affordable universal healthcare— in line with "Sabka Saath, Sabka Vikaas" — so that people can enjoy good health and well-being and build a Viksit Bharat @ 2047.

The Government of India launched the Ayushman Bharat - Pradhan Mantri Jan Aarogya Yojana (AB-PMJAY) on Sept. 23, 2018, to achieve universal health care. It is the world’s largest public healthcare scheme with crores of vulnerable Indian families enrolled in it.

The National Health Policy 2017 addresses changing healthcare challenges in India as technology advances, socio-economic conditions evolve, and disease patterns shift — such as the rise of lifestyle diseases like non-communicable diseases alongside traditional infectious diseases. In line with this policy, AB-PMJAY is one pillar of the larger Ayushman Bharat scheme launched in 2018, a health initiative designed to provide equitable health coverage, especially for rural and economically weaker sections.

The other pillars under Ayushman Bharat include:

AB-PMJAY is one pillar of the larger Ayushman Bharat scheme launched in 2018, a health initiative designed to provide equitable health coverage, especially for rural and economically weaker sections
The other pillars under Ayushman Bharat include:
♦ Ayushman Aarogya Mandirs (AAM) ensures that primary healthcare is accessible to people near their homes or through a phone call.
♦ Ayushman Bharat Digital Mission (ABDM) that digitally links all health facilities—from village clinics to big hospitals. It aims to develop the integrated digital health infrastructure of the country. It will connect different stakeholders of the healthcare ecosystem through digital highways.
♦ PM-Ayushman Bharat Health Infrastructure Mission (PM-ABHIM), launched in 2021, builds robust healthcare capacity — from village health centres to district hospitals
Ayushman Bharat makes quality healthcare accessible on all three levels – primary, secondary and tertiary.
Ayushman Bharat - Pradhan Mantri Jan Arogya Yojana
AB-PMJAY provides healthcare coverage up to Rs. 5 lakhs per year for secondary and tertiary care services and hospitalization to enrolled socio-economically deprived families, saving them from catastrophic medical

bills. The scheme provides cashless treatment across empanelled government-funded and private hospitals.

Progress on AB-PMJAY Scheme

Speciality Name	Total Count	Total Amount in Rupees
General Medicine	21741389	183725535263
Ophthalmology	4499544	25218529234
Medical Oncology	4141188	45971190452
Obstetrics & Gynaecology	3564071	26921505469
General Surgery	3334123	51359883676
Orthopaedics	2445678	81185282099
Urology	1995470	36603974579
Emergency Room Packages (Care requiring less than 12 hrs stay)	1976059	3097080136
Cardiology	1282206	86730606349
Neo-natal Care	1104752	23200653194

Since its launch, AB-PMJAY has saved families over Rs. 1.52 lakh crores in out-of-pocket healthcare expenses, according to the latest Economic Survey of India (2024-25).

As of Oct. 1, 2025, AB-PMJAY has over 42 crore people enrolled, according to the Ayushman cards created for the scheme’s beneficiaries. More than 86.51 lakh senior citizens over 70 years have been provided Ayushman Vay Vandana (VVS) Cards. Over 33,000 hospitals across the country - 17,685 public and 15,380 private - are empaneled under AB-PMJAY.

Financial Year	Budget Estimate (in crore rupees)
2019-20	6,556
2020-21	6,429
2021-22	6,401
2022-23	7,857
2023-24	7,200
2024-25	7,500
2025-26	9,406

Lakhs of people availed all kinds of healthcare services under the scheme (as on Oct. 28, 2025).

AB-PMJAY Budget

The scheme is fully funded by the Government of India and respective state and union-territory governments, both sharing the costs of implementation. The union government’s budget estimates have increased over the past few years, with a budget of Rs. 9,406 crore estimated for 2025-26. Union Budget for AB-PMJAY over the years:

Ayushman Arogya Mandirs

Ayushman Arogya Mandirs (AAM), the second pillar of Ayushman Bharat, makes primary healthcare more accessible and closer to people’s homes. They are envisaged to deliver expanded range services that go beyond maternal and child health care services to include care for non-communicable diseases, palliative and rehabilitative care, oral, eye and ENT care, mental health and first-level care for emergencies and trauma, including free essential drugs and diagnostic services.

AAMs, which include primary and sub-health care centres, are equipped with all the required resources including:
♦ Upgraded infrastructure

- ♦ Additional human resources
- ♦ Essential drugs and diagnostics
- ♦ IT systems, etc.

Teleconsultation services are also available at all operational AAMs across the country, including in rural areas. More than 39.61 crore teleconsultations were conducted at the AAMs (as of Sept. 2025).
Ayushman Bharat Digital Mission
ABHA creates unique health identification numbers for people in the healthcare ecosystem. This enables continuity of care across the various levels of healthcare and the availability of services everywhere, including in remote and rural areas.
Progress on the scheme (as of Aug. 5, 2025):
♦ 79,91,18,072 ABHAs accounts created
♦ 4,18,964 health facilities have been registered on HFR
♦ 6,79,692 healthcare professionals have been registered on HPR
♦ 67,19,65,690 health records have been linked with ABHA
♦ PM-Ayushman Bharat Health Infrastructure Mission
During COVID-19, the Indian government responded quickly using a whole-of-government approach. The pandemic showed that India's health systems needed better facilities at all levels - from local clinics to major hospitals. To address these gaps, the PM-Ayushman Bharat Health Infrastructure Mission (PM-ABHIM) was launched on Oct. 25, 2021, as part of the Budget 2021-22.

The main goal of PM-ABHIM is to fix critical gaps in health infrastructure, disease monitoring, and health research across both cities and villages, so India can handle future pandemics independently. It is the largest public health infrastructure scheme in India since 2005, with a total budget of Rs. 64,180 crore for the period 2021-2026. Of this amount, Rs. 54,205 crore is allocated for state-level programs, while Rs. 9,340 crore is for central programs. This is a major 5-year plan to upgrade India's hospitals, clinics, and health research facilities nationwide, making the country better prepared for future health emergencies.

Ayushman Bharat Scheme: Performance Overview
Progress on the scheme as of 2025:

Between the fiscal years 2022-23 and 2024-25, states and union territories collectively spent over Rs. 5,000 crore on the development and operation of Ayushman Arogya Mandirs.

Conclusion

AB-PMJAY ensures the vulnerable sections of society get access to quality and affordable healthcare, and the Ayushman Arogya Mandirs bring primary healthcare closer to people's homes. The ABHA (Ayushman Bharat Health Account) scheme provides every citizen with a unique digital health ID to maintain their health records seamlessly across facilities. PM- ABHIM strengthens the underlying healthcare infrastructure— building hospitals, labs, and health centres from village to district level — to ensure the system can deliver quality care and respond to emergencies. Together, these schemes under Ayushman Bharat and the Ministry of Health and Family Welfare provide affordable, good quality and comprehensive healthcare, ensuring universal health coverage for all.(Source: PIB)
