Hon'ble Prime Minister releases 21st PM-KISAN Instalment of Rs. 18,000 Crore for 9 Crore farmers

India is on the path to becoming the global hub of natural farming: Hon'ble PM

New Delhi, Nov. 19 (PIB)

Hon'ble Prime Minister, Shri Narendra Modi inaugurated the South India Natural Farming Summit 2025 at Coimbatore, Tamil Nadu today. Addressing the gathering on the occasion, the Hon'ble Prime Minister said that Coimbatore has now gained further distinction, as its former Member of Parliament, Shri C.P. Radhakrishnan, is now guiding the nation in his role as Vice President.

Expressing that natural farming is a subject very close to his heart, Shri Modi extended his best wishes to all farmer brothers and sisters of Tamil Nadu for the organisation of the South India Natural Farming Summit. He acknowledged the presence of farmers, agricultural scientists, industry partners, startups, and innovators gathered at the event, and warmly congratulated all participants.

The Hon'ble Prime Minister stated that in the coming years, he envisions major transformations in

Indian agriculture. "India is on the path to becoming a global hub for natural farming", affirmed Shri Modi, noting that the country's biodiversity is evolving, and the youth are now viewing agriculture as a modern, scalable opportunity. This shift, he said, will greatly strengthen the rural economy.

Highlighting that over the past eleven years, the entire agricultural sector has undergone significant change, Shri Modi shared that India's agricultural exports have nearly doubled, and the government has opened every possible avenue to support farmers in modernising agriculture. Underscoring that through the Kisan Credit Card (KCC) scheme alone, farmers have received assistance exceeding Rs. 10 lakh crore this year, Shri Modi noted that since the extension of KCC benefits to livestock and fisheries sectors seven years ago, those engaged in these areas have also been availing its advantages extensively. He

added that the reduction in GST on bio-fertilizers has further benefited farmers.

The Hon'ble Prime Minister shared that just moments ago, from the same platform, the 21st instalment of the PM-Kisan Samman Nidhi was released, transferring Rs.18,000 crore to farmers across the country. He confirmed that lakhs of farmers in Tamil Nadu have also received funds in their accounts. The Prime

Minister highlighted that under this scheme, Rs. 4 lakh crore has been directly transferred to the bank accounts of small farmers so far, enabling them to meet various agricultural needs. He extended his best wishes to the crores of farmers who have benefited from this initiative.

Emphasising the expansion of natural farming is the need of 21st-century agriculture, the Hon'ble Prime Minister observed that in

recent years, rising demand has led to a sharp increase in the use of chemicals across farms and various agriculture-related sectors. Shri Modi noted that excessive use of chemical fertilisers and pesticides is reducing soil fertility, affecting soil moisture, and increasing the cost of farming year after year. He further emphasised that the solution lies in crop diversification and natural farming.

Asserting that to revive soil fertility and enhance the nutritional value of crops, the Hon'ble Prime Minister stressed that the country must move forward on the path of natural farming. This, he said, is both a vision and a necessity. Only then can we preserve our biodiversity for future generations. The Hon'ble Prime Minister underlined that natural farming helps us face climate change and weather fluctuations, keeps our soil healthy, and protects people from harmful chemicals. He said that today's event is poised to play a significant role in advancing this important mission.

Highlighting that the Government of India is actively encouraging farmers to adopt natural farming, Shri Modi shared that one year ago, the Central Government launched the National Mission on Natural Farming, which has already connected lakhs of farmers. He highlighted that the positive impact of this initiative is especially visible across South India, with approximately 35,000 hectares of land in Tamil Nadu alone now under organic and natural farming.

The Hon'ble Prime Minister remarked that South India has been a living

12,851 Island farmers benefit as 21st PM-KISAN instalment released

Sri Vijaya Puram, Nov. 19 The Hon'ble Prime Minister released the 21st installment of the PM-Kisan Samman Nidhi (PM-KISAN) scheme amounting to Rs.18000 crore for more than nine crore farmers across the country from Coimbatore, Tamil Nadu.

The PM-KISAN Scheme is a Central Sector Scheme

introduced in February 2019 to help landholding farmers throughout the nation with their financial needs under this initiative, farmers bank account linked to their Aadhaar numbers receive direct benefit transfers Rs 6000/- per year, in three equal installments. During the 21st installment, 12,851 eligible farmers of these

Islands are to be benefited with Rs 2.617 crore.

Since the Government of India has made eKYC, Aadhaar seeding with bank account and land seeding mandatory for all the PM-KISAN beneficiaries. It is requested that all the eligible PM-KISAN beneficiaries who have so far not done their

District Administration activates helpline for stray animal management

Sri Vijaya Puram, Nov. 19

In compliance with the Hon'ble Supreme Court of India Order dated 07.11.2025 in Suo Moto W.P. (C) No. 5 of 2025 IN RE: "City Hounded by Strays, Kids Pay Price", the District Administration, South Andaman has initiated a strengthened and coordinated mechanism to address issues relating to the movement and management of stray animals across public spaces. This initiative

aims to ensure public safety, safeguard vulnerable groups and streamline timely response measures by establishing dedicated reporting channels for citizens to register incidents involving stray animals or cattle within the district. The District Administration, South Andaman, has activated dedicated helpline services for the public to report any incidents involving stray animals or cattle in public areas.

Pre-event activities mark vibrant prelude to World Fisheries Day-2025 in A&N Islands

Sri Vijaya Puram, Nov. 19

In the run-up to the World Fisheries Day 2025 celebrations, the Department of Fisheries, A&N Administration, in collaboration with the Department of Education, successfully organised a series of engaging pre-events aimed at fostering awareness, participation, and knowledge among students and youth on

the importance of fisheries and marine resources.

As part of the initiative, a Quiz Programme on "Wonder

World of Fishes" and a Poster Making Competition on "Marine Biodiversity of A&N Islands" were held
