## Sindhu's Barren Island Cruise Wows Passengers - Next Sailings Announced

### Feedback received after the voyage from passengers reflect immense satisfaction and enthusiasm for the initiative

Sri Vijaya Puram, Oct. 26

The passenger vessel Sindhu embarked on its voyage to Barren Island, marking a significant milestone in promoting adventure and eco-tourism in the Islands. The initiative, launched under the aegis of the A&N Administration, drew enthusiastic participation from public and students.

The vessel set sail from Haddo Wharf at 2100 hrs. on 24<sup>th</sup> October, 2025 towards Barren Island. In the early hours of the next day, at around 0300 hrs., passengers were treated to a breathtaking sight as the Island's active volcano came into view with red glow on its crest. As dawn broke, the ship circled the island, offering all on board a stunning panorama of volcanic splendour and a golden sunrise over the sea. After this unforgettable encounter with nature's raw beauty, Sindhu began her return voyage at 0800 hrs and reached Sri Vijaya Puram by 1430 hrs. on the 25<sup>th</sup> October, 2025, marking the end of an extraordinary and historic voyage.

Feedback received after the voyage reflected immense satisfaction and enthusiasm for the initiative.

**Students:** "It was an incredible experience to see an active volcano up close! The views, the sunrise, and the entire journey made learning about nature so exciting", said Master Stevenson, a student of Class XI. "Sailing on Sindhu and witnessing the volcanic activity was unforgettable. I will always remember this journey as one of the most thrilling experiences of my life", says Ms. Jayashree, a student of Class XI.

**Accompanying Coordinator, Shri. V Marudhu Pandian & Teachers:** "The Barren Island trip provided our students with a rare hands-on learning opportunity. The arrangements were excellent, and the ship staff ensured a safe and memorable experience for everyone."

**Passengers:** Archana Devi - "The ship? Spotlessly

neat! No foul odours, no chaos - just clean corridors, maps, and clear signage everywhere. The crew was dressed sharp, spoke politely, and handled everything with crisp professionalism. Hats off to them - truly the pride of Sindhu! Beyond all suggestions, one thing's for sure - this was an opulent, once-in-a-lifetime experience. Watching the earth breathe fire from just a few nautical miles away is something words can hardly do justice to."

Shri. Aldrin Xavier - "It was an amazing experience for myself along with my friends on Sindhu sailing from Sri Vijaya Puram to Barren Island." Ms. Monideepa Chowdhury - "We thank team Sindhu for such a wonderful trip. Love Andaman." Shri. Rakshit - "Excellent Services & Hygiene, Very good initiative." Ms. Sindhu Pillai - "The staff was extremely courteous, food was delicious. Looking forward to undertake the next journey onboard Sindhu."

The Directorate of Shipping Services has also

scheduled round voyages to Barren Island for November 2025, as detailed below:

| MONTH          | NAME OF THE VESSEL | DATE & TIME OF DEPARTURE |
|----------------|--------------------|--------------------------|
| NOVEMBER, 2025 | SINDHU             | 14.11.2025 at 2100 Hrs   |
|                | NALANDA            | 28.11.2025 at 2100 Hrs   |

**Tickets can be conveniently booked through the DSS e-Ticketing Portal at <https://dss.andamannicobar.gov.in/eticketing>, which will be available 24x7 with effect from 27.10.2025 at 0900 Hrs. For user convenience, a QR code linking directly to the portal has also been provided, a press release from DSS said.**

## Hon'ble MP expresses deep solidarity with fire victims of Rangat

Sri Vijaya Puram, Oct. 26

Shri Bishnu Pada Ray, Hon'ble Member of Parliament, Andaman & Nicobar Islands, has expressed deep sorrow and concern over the tragic fire incident that occurred at Rangat on the late night of 25<sup>th</sup> October, 2025 in which around 20 commercial shops were gutted, resulting in severe loss of property and livelihood of the affected shop owners.

In his message, Shri Bishnu Pada Ray stated that this unforeseen tragedy has brought immense distress to the affected families and the local community. He conveyed his heartfelt sympathies to all those who have suffered losses in the incident and urged the concerned authorities to carry out an immediate assessment of the damages and to extend necessary relief and rehabilitation assistance to the victims at the earliest.

He further prayed that the affected families find strength and courage to overcome this difficult situation, a press release from Office of the MP, A & N Islands said.

**Hon'ble MP urges Administration to provide more facilities in JNRM Hostel**

Sri Vijaya Puram, Oct. 26

Shri Bishnu Pada Ray, Hon'ble Member of Parliament, Andaman & Nicobar Islands, has urged the Administration to provide more facilities in JNRM Boys Hostel located near the JNRM College Complex.

During his recent casual visit to the hostel, he interacted with the students.

Hon'ble MP requested for upgradation of facilities and handing over of new hostel building. The Hon'ble MP has urged the Chief Secretary, A&N Administration, to take cognizance of the issues and ensure early restoration of necessary hostel facilities, a press release from Office of the MP, A & N Islands said.

## Fire incident at Rangat Bazar: Swift action prevents major disaster

Sri Vijaya Puram, Oct. 26

A massive fire broke out in the early hours of 26<sup>th</sup> October, 2025, at around 1 AM, in the old part of Rangat Bazar, near the Atal Bihari Vajpayee Auditorium and Murugan Temple. The blaze, which continued till around 6.30 AM, completely gutted 18 commercial establishments housed in the old wooden market structures. In addition, three residential houses and one RCC building belonging to the Temple Committee sustained partial damage.

Fortunately, no loss of life or injury has been reported. However, all goods and materials stored in the affected shops were entirely destroyed in the fire.

Shri Sushant Padha, IAS, Deputy Commissioner (North & Middle Andaman), personally visited the affected site alongwith AC(MA), SDPO, and representatives of the affected families to take stock of the situation. He interacted with the victims, inspected the damaged area in detail, and assured all possible administrative support. Subsequently, a public meeting was convened at the site with elected PRIs, affected shopkeepers, and residents, where Shri Padha expressed deep empathy for those who suffered losses and assured immediate and concrete relief measures. He directed the concerned Departments to take up the following actions on priority:

- ◆ A comprehensive investigation to ascertain the cause of the fire;
- ◆ Immediate constitution

## Initiative to promote sports & nurture talent among tribal youth

### Integrated Tribal Development Project boosts sports aspirations by distributing Cycling Skinsuits to Tribal Trainees to promote sports among youth

Car Nicobar, Oct. 26

In a significant initiative to promote sports and nurture talent among tribal youth, the Integrated Tribal Development Project (ITDP), Car Nicobar, distributed 15 professional cycling skinsuits to tribal trainees currently undergoing coaching under the Sports Authority of India (SAI), Car Nicobar.

The distribution ceremony, held yesterday at Car Nicobar, was presided over by Shri Amit Kale, IAS, Deputy Commissioner (Nicobar), who handed over the skinsuits to the beneficiaries. In his address, Shri Amit Kale encouraged the young athletes to pursue excellence and bring laurels to the islands by showcasing their talent at national-level competitions.

The event was also attended by Project Officer (ITDP) / Assistant Commissioner (HQ), Car Nicobar, along with the SAI Coach.

This initiative reflects ITDP Nicobar's unwavering commitment to nurturing local sporting talent, promoting youth engagement in competitive sports, and fostering a culture of sports among youth.

## Empowering women drivers: SBI and A&N Administration's 'SARTHINI' Scheme brings transformative change across Islands

Sri Vijaya Puram, Oct. 26

The Sarthini Scheme, a unique women-centric initiative jointly implemented by the RSETI State Bank of India (SBI) and the Transport Department, A&N Administration, has emerged as a powerful vehicle of change by providing free Light Motor Vehicle (LMV) driving training to women across the islands. Under the guidance of Chief Secretary, the SARTHINI scheme was launched with the aim to provide free driving training to women from diverse communities in this UT, especially from poor and underprivileged backgrounds who are being trained in driving and vehicle operation, enabling them to become self-sufficient and economically empowered. This collaborative initiative continues to make a remarkable impact in promoting women's empowerment and self-reliance across the Islands.

Under the scheme, SBI, in partnership with the Transport Department, designed the training modules to not only teach driving skills but also impart confidence, road safety education, and entrepreneurial guidance. Hundreds of women from both urban and remote island regions have joined the program with great enthusiasm.

Encouraging responses have so far been received from the female applicants from all over the UT. In this direction, first batch of 34 female candidates have completed their training in driving

Andaman Law College to conduct Elocution Competition as part of Viksit Bharat Youth Parliament-2026

Sri Vijaya Puram, Oct. 26 Andaman Law College has been designated as a nodal institution to conduct Viksit Bharat Youth Parliament-2026 by the Union Ministry of Youth Affairs and Sports. In this programme, a three minute Elocution Competition will be held at Andaman Law College on 20th November, 2025. Competition is open for all youth in the age of 18 to 25. They need to registered their name in <https://mybharat.gov.in> portal and then apply for participation in Viksit Bharat Youth Parliament 2026, said the PVN Sarma, Principal, Andaman Law College. To assist the non-student youth in registration in portal, a help-desk will be opened at the college, he added.

The Joint Director, Mera Yuva Bharat, Shri Sukharanjan Biswas, said the theme is "50 years of Emergency: Lessons for Indian Democracy". Elocution competition will be held in English, Hindi, Bengali, Tamil and Telugu. Three minutes will be the time limit for each participant. Among the participants, the judges will select top 10 for state level rounds. In the state level rounds, top three students will get a chance to represent A & N Islands at Delhi Youth Parliament 2026. He appealed the youth to make this programme a grand success with their active participation, a press release from ALC said.

Fire incident at Rangat Bazar: Swift action.....  
(Contd. from page 1)

of a Damage Assessment Committee to evaluate the extent of loss; and  
♦ Early release of compensation to the affected shop owners and households.

The Revenue Department team, headed by the Assistant Commissioner, the Police team led by the SDPO, and the Fire Service personnel worked tirelessly through out the night to bring the fire under control and to prevent it from spreading to adjoining parts of the market. The entire operation was carried out under the direct supervision of Shri Sushant Padha, IAS, Deputy Commissioner (N&MA), who continuously monitored the situation, coordinated inter-departmental efforts,

and ensured that all necessary assistance was provided promptly and efficiently.

The Administration has expressed deep sympathy for the affected families and reiterated its commitment to ensuring timely relief and rehabilitation for all victims.

The participation and support of the general public during the crisis were highly commendable. The assistance provided by private water tanker owners and the excavator deployed by the National Highway authorities significantly strengthened the joint fire fighting operation, enabling teams to control the blaze more effectively and prevent a major disaster, a press release from AC, Middle Andaman, Rangat said.

Empowering women drivers: SBI.....

(Contd. from page 1)

alongwith entrepreneurial module which started on 30.8.2025 in Swaraj Dweep. After successful completion of the training, the participants exuded improved confidence. After receiving the training completion certificate alongwith driving license Ms.Arпита Roy a resident of Swaraj Dweep was grateful to the Chief Secretary for providing such an opportunity as most of the females in their area never thought about getting outside their house without depending upon others for their mobility needs. Females from remote and faraway places have come to this training and we are able to learn not only on the correct and safe driving procedure but also about the vehicle mechanism which will help during emergent situations.

The benefits of the scheme were extended to the remote locations of the UT including Car Nicobar, Katchal, Champin, and far-flung areas such as Pashchim Sagar, Tal Bagan, Ramnagar, and Hathilevel in Diglipur Tehsil.

In Mayabunder tehsil, the scheme was inaugurated on 12.09.2025 with enrollment of 32 candidates and in Diglipur tehsil, the scheme was inaugurated on 14.10.2025 with enrollment of 30 candidates. In Sri Vijaya Puram Tehsil, the scheme was inaugurated on 06.10.2025 with enrollment of 33 candidates.

Beneficiaries have expressed their immense happiness and gratitude for the opportunities the Sarthini Scheme has created. Many participants shared that acquiring driving skills has allowed them to support their families more effectively, from taking dependents to hospitals and transporting school children, to engaging in tourism-related activities and ferrying village produce such as vegetables to nearby markets. This has not only enhanced their household income but also promoted savings and reduced dependence on others. Ms.Anjali from Champin Island, Nicobar District informed that she came to know about the Sarthini scheme through one of her friend and she has enrolled in the scheme to enable her to operate a travel agency. She thanked RSETISBI for providing such opportunity to her. Ms. Tanu from Katchal Island shared her experience. She said, she came to know about the scheme through her friend and approached SBI and enrolled in the scheme. She informed that apart from practical and theoretical training, SBI officials have also briefed about basic banking fundamentals and other Government schemes. This scheme not only helped her for skill development but also inter-personnel development. One of the beneficiary from Mithakhari village under Sri Vijaya Puram Tehsil, Smti. Rabina Khatun informed that she came to know about the scheme through news. Thereafter, she applied for the scheme and was short listed. She further informed that this scheme has immense benefits ranging from dropping children to school, going for household purchases, self employment, tourism activities, applying for Government jobs, income generation. This is a good platform for learning driving by the woman engaged in SHGs etc. All the above candidates thanked RSETI, SBI for providing them with such opportunity for learning driving skills. Tribal women from Car Nicobar, Katchal & Champin Islands and participants from communities like the Karen and Ranchi have shown impressive participation. Their stories reflect a growing sense of independence and social inclusion. Some beneficiaries have even started earning through eco-tourism services and school transport vehicles, turning their driving skills into sustainable livelihoods.

A senior official from the Transport Department remarked, "The Sarthini Scheme symbolizes a major step toward women-led development. By bringing skill training right to their doorstep, we are empowering women to take charge of their futures while improving mobility and connectivity across our islands."

SBI representatives added that the initiative aligns with the bank's broader vision of inclusive growth and community development. The Bank aims to continue supporting such socially meaningful programs in partnership with the administration to nurture economic participation and empowerment among women.

The Department plans to further expand the program's reach by establishing additional training centres and encouraging more participants from interior villages to enroll. With growing success stories, the Sarthini Scheme is paving the way for lasting socio-economic transformation in the Andaman & Nicobar Islands.

This entrepreneurship training initiative is a significant step towards women empowerment and skill development in the Islands, helping women become self-reliant and enabling them to explore employment and self-employment opportunities, a press release from Transport Department said.

Month-Long Monsoon Book Reading Festival 2.0 concludes

Sri Vijaya Puram, Oct. 26 The culminating programme of the Month-Long Monsoon Book Reading Festival 2.0 was held today at the State Library. As part of the event, a Quiz Competition for Classes IX to XII was organized, in which 18 teams from various schools of Sri Vijaya Puram and Wimberlygunj Zone enthusiastically participated. The first position was secured by GSSS Bathubasthi, while VKV Lambaline and Kamraj English Medium School bagged the second and third positions, respectively.

The festival commenced on Sept. 28, featuring a series of engaging competitions held on consecutive Sundays. These included elocution and essay competitions, fancy dress, skit, word building, daily English conversation practice, and a range of fun activities such as treasure hunt, draw

your book, speed reading challenge, picture hunt, book relay, and book pitch contest. The entire programme was coordinated by Smt. S Pratheebha, Librarian. Students from both Government and Private Schools participated in all events with great enthusiasm and showcased their talents, emerging victorious in various competitions.

The closing ceremony was graced by Shri Ram Parvesh, Deputy Director of Education (Science), Directorate of Education, as the chief guest. In his address, he emphasized that the State Library is the cultural heart of the Centre and highlighted the ongoing process of modernization of the library.

Earlier, Shri Anbarasan, In-Charge, State Library, welcomed the gathering and highlighted the success of the month-long programme, noting that library memberships and readership have been continuously increasing as a result. Prizes were distributed to the winners of the Monsoon Book Reading Festival 2.0 as a token of appreciation and motivation. In addition, the winners of Seva Pakhwara were also felicitated during the ceremony. The programme concluded with a vote of thanks proposed by Shri Suresh J Panicker, Librarian, State Library, a press release from In-charge, State Library Said.

Andaman Law College conducts competitions to mark Vigilance Awareness Week observance

Sri Vijaya Puram, Oct. 26 Elocution, Essay Writing, Drawing/Poster Making, and Slogan Writing Competitions were held among the students of Andaman Law College yesterday. The topic for the elocution was 'Role of youth in fighting against corruption-threat to democracy,' and for essay writing it was 'shared responsibility of the youth for Viksit Bharat-2047.' While inaugurating the competitions, Principal

of the College, Dr. P.V. Nagendra Sarma urged the students to raise their voices against corruption. The Shipping Corporation of India Ltd. & Andaman Harbour Works sponsored the competitions. As many as 65 students participated in the events. The winners will be awarded prizes during a seminar to be held on Nov. 1 on the topic 'Vigilance: A Shared Responsibility', a press release from ALC said.

Entrepreneurship training for sustainable livelihoods held at Diglipur

Diglipur, Oct. 26

A training on 'Fostering Progressive Rural Entrepreneurship for Sustainable Livelihoods and Poverty Alleviation (Theme-1)' was held under RGSA at Diglipur. The programme was attended by EWRs, SHG members, and CRPs from various Gram Panchayats. The programme was attended by EWRs, SHG members, and CRPs from various

Gram Panchayats. Shri M. Rajendra Kumar, BDO Diglipur in his welcome address highlighted the importance of self-reliance through entrepreneurship. Shri Bibhash Mazumdar, Extension Officer, Ms. Bibi Afreen Nisha, IPO, Shri Manoranjan Kesari, Branch Manager, SBI Diglipur, spoke on the occasion, a press release from BDO , Diglipur said.

PMEGP beneficiaries urged to coordinate with financing Banks for timely subsidy claims

Sri Vijaya Puram, Oct. 26 Beneficiaries who have recently availed loans under the Prime Minister's Employment Generation Programme (PMEGP) are advised to contact their respective Financing Bank / Sponsoring Agency (District Industries Center / KVIB / Extension Office of Industries Department) for submission of subsidy claims under the scheme. Several PMEGP subsidy claims submitted by financing banks to the Khadi and Village Industries Commission (KVIC), Kolkata, have been

returned due to issues such as incomplete documentation or incorrect submissions. A considerable number of claims from previous years have been sent back by KVIC with remarks for corrections and resubmission.

In order to expedite the process and resubmission of PMEGP subsidy claims to KVIC, PMEGP beneficiaries are advised to contact respective Financing Bank / Sponsoring Agency (District Industries Center/KVIB / Extension Office of Industries Department).

Beneficiaries are urged to extend kind cooperation in this regard, after receipt of subsidy from KVIC the same shall be kept in fixed deposit account till repayment of loan and will be adjusted after third party physical verification and submission of report thereof.

For further information or assistance, one may contact District Industries Centre, KVIB, or Extension Offices of the Industries Department @ 232601 (DIC) / 233301(KVIB), a press release from DIC said.

fitness, discipline, and achievement among the tribal communities of the Nicobar District, a press release from AC (HQ), Car Nicobar said.

# Maritime India From Vision 2030 to Amrit Kaal 2047

## Key Takeaways

Nearly 95% of India's trade by volume and about 70% by value moves through maritime routes, underlining the sector's centrality to India's economy and competitiveness.

The Maritime India Vision 2030 charts 150+ initiatives with projected investments of Rs. 3–3.5 lakh crore, supported by a recent Rs. 69,725 crore package for shipbuilding.

In FY 2024–25, major ports handled ~855 million tonnes of cargo, signaling robust growth in maritime trade and port efficiency.

## Navigating India's Maritime Path

Across the oceans runs the current of India's economic strength. Nearly 95% of the country's trade by volume and around 70% by value still traverses the nation's maritime routes, highlighting the sea as the lifeblood of India's commerce. From crude oil and coal to electronics, textiles, and agricultural products, the vast majority of imports and exports flow through bustling ports, connecting India to markets around the world. With globalisation deepening supply chain interdependence and India emerging as a major manufacturing and energy hub, the efficiency of ports and shipping directly influences national competitiveness.

In a bold move to position itself as a global maritime powerhouse, India has set sail with the Maritime India Vision 2030 (MIV 2030), a transformative roadmap launched in 2021. With over 150 strategic initiatives, the vision seeks to modernise ports, expand shipping capacity, and strengthen inland waterways, while embedding sustainability and skill development at its core. More than a blueprint for cargo movement, MIV 2030 is a catalyst for trade, investment, and employment, charting India's course toward economic growth and global competitiveness.

## Central Themes of MIV 2030

The Maritime India Vision 2030 identifies ten pivotal themes that will shape India's journey toward becoming a global maritime powerhouse, positioning the nation at the forefront of the international landscape.

## India Maritime Week 2025: The Maritime Ambition in Motion

India Maritime Week 2025 (IMW 2025) is a landmark event in the global maritime calendar, taking place from 27<sup>th</sup> to 31<sup>st</sup> October 2025 at the NESCO Exhibition Centre, Mumbai. Bringing together key stakeholders from the shipping, port, and logistics communities, IMW 2025 will serve as a strategic platform for dialogue, collaboration, and business development. The event is expecting participation from over 100 countries and drawing more than 100,000 delegates, port operators, investors, innovators, and policymakers alike. The five-day programme will feature 500 exhibitors, thematic pavilions, technology demonstrations, and sessions spanning port-led development, shipbuilding clusters, and digital corridors.

## Charting a Decade of Maritime Transformation: 2014 to 2025

Charting a new course for economic growth, India's maritime sector is cruising ahead with record performance across ports, coastal shipping, and inland waterways. The sector's progress underscores its critical role in strengthening the nation.

## India's Ports Set New Benchmarks

India's ports sector has witnessed a transformative leap, with total port capacity nearly doubling from 1,400 million metric tonnes per annum (MMTPA) to 2,762

MMTPA, reflecting major investments in modernisation and infrastructure.

Cargo handling volumes have grown impressively from 972 Million Metric Tonnes (MMT) to 1,594 MMT, signaling robust growth in maritime trade and port efficiency with major ports handling approximately 855 million tonnes of cargo in FY 2024-2025, an increase from 819 million tonnes in FY 2023-24.

Operational performance has improved significantly, as the average vessel turnaround time has been reduced from 93 hours to just 48 hours, enhancing overall productivity and global competitiveness.

The sector's financial strength has surged, with the net annual surplus rising sharply from Rs. 1,026 crore to Rs. 9,352 crore, underscoring improved revenue generation and cost management.

Efficiency indicators have also strengthened, with the operating ratio improving from 73% to 43%, marking a major step toward sustainable and profitable port operations.

## Indian Shipping Expands Fleet, Capacity, and Workforce

India's shipping sector has charted steady growth, with the number of Indian-flagged vessels rising from 1,205 to 1,549, reflecting the nation's expanding maritime presence.

The gross tonnage of the Indian fleet has increased from 10 million gross tonnes (MGT) to 13.52 MGT, underscoring a stronger and more capable shipping capacity.

Coastal shipping has gained significant momentum, with cargo movement nearly doubling from 87 million metric tonnes (MMT) to 165 MMT, reinforcing the shift toward efficient, low-cost, and eco-friendly transport modes.

## India's Inland Waterways Surge Ahead

In a landmark development for inland water transport sector, the Inland Waterways Authority of India (IWAI) reported a record cargo movement of 146 MMT in 2025, up from 18 MMT in 2014, an increase of around 710 percent.

The number of operational waterways has increased remarkably from 3 to 29, reflecting a major boost to India's inland transport network.

IWAI handed over the Haldia Multi-Modal Terminal (MMT) to IRC Natural Resources, marking a major step in advancing inland waterway infrastructure and promoting multimodal logistics under the Public Private Partnership (PPP) model. Built with World Bank's assistance, the West Bengal terminal has a capacity of 3.08 million metric tonnes per annum (MMTPA).

Ferry and Ro-Pax (a ship that carries both vehicles and passengers) have also gained strong traction, carrying over 7.5 crore passengers in 2024–25, reflecting growing public adoption of water-based transport for safe and efficient travel.

In just a decade, India's seafarer workforce has surged from 1.25 lakh to over 3 lakh, now accounting for 12% of the global seafaring workforce, making the country one of the world's top three suppliers of trained seafarers and opening up vast opportunities in navigation, ship operations, logistics, and allied maritime industries at home and overseas.

## Financing the Waves: Support & Innovation

The MIV 2030 projects a total investment of INR 3–3.5 lakh crore across ports, shipping, and inland waterways. Backed by a recent landmark package of Rs. 69,725 crore to boost shipbuilding and revitalise the maritime ecosystem, India is charting a strategic course to leverage its vast coastline to anchor itself firmly on the global maritime map. The targeted allocations and strategic initiatives align seamlessly with the overall vision, translating its projected investments into actionable measures.

With a Rs. 25,000 crore corpus, the Maritime Development Fund (MDF) is set to provide long-term financing to expand India's shipping tonnage and shipbuilding capacity. Complementing this, the revamped Shipbuilding Financial Assistance Scheme (SBFAS) with an outlay of Rs. 24,736 crore, tackles domestic cost disadvantages and incentivises ship-breaking, while the Shipbuilding Development Scheme (SbDS) drives greenfield clusters, yard expansions, and risk coverage with Rs. 19,989 crores outlay. Adding to this, the Rs. 305 crore Indian Ship Technology Centre (ISTC) in Visakhapatnam will emerge as a national hub for ship design, R&D, engineering, and skill development.

Over Rs. 1,000 crore has been invested in the development of Inland Waterway Infrastructure across Northeast India, marking a significant push to enhance transportation and trade through the country's river networks. Of this investment, projects valued at around Rs. 300 crore have already been completed, and the remainder approaching completion, providing a boost to connectivity and regional commerce. The region is also set for a major tourism upgrade, with two luxury

cruise ships currently being built at the Hooghly Cochin Shipyard in Howrah, Kolkata, at a combined investment of Rs. 250 crore. Slated for launch in 2027, the vessels will ply the Brahmaputra River, promising to transform Assam's river tourism landscape under the government's Cruise Bharat Mission.

Sagarmala Programme, a flagship initiative to transform India into a global maritime hub is a core pillar of the Maritime India Vision 2030 and Maritime Amrit Kaal Vision 2047. The programme focuses on cutting logistics costs, enhancing trade efficiency, and creating employment through smarter, greener transport networks. Under its sphere, 840 projects worth Rs. 5.8 lakh crore are being implemented by 2035, with 272 projects worth Rs. 1.41 lakh crore completed and 217 projects worth Rs. 1.65 lakh crore in progress.

## Sailing into the Future

India's maritime sector is entering a decisive decade, with new laws, mega projects, and global investment ambitions shaping the Maritime India Vision 2030. With a strong focus on green technologies and digital innovation, India is preparing to not only meet its trade demands but also emerge as a maritime leader. Building onto this foundation is the Maritime Amrit Kaal Vision 2047, a long-term roadmap for India's maritime resurgence, with investments of nearly Rs. 80 lakh crore earmarked for ports, coastal shipping, inland waterways, shipbuilding, and green shipping initiatives. The government is driving sustainable maritime operations by setting up green corridors, introducing green hydrogen bunkering at major ports, and promoting the use of methanol-fueled vessels. Outlining more than 300 actionable initiatives it projects India's rise as one of the world's top maritime and shipbuilding powers by the centenary of independence.

The momentum of this vision has been carried forward through landmark initiatives that are reshaping India's maritime landscape. A historic milestone in this journey was achieved in September 2025 during the “Samudra Se Samridhhi – Transforming India's Maritime Sector” event where 27 Memoranda of Understanding (MoUs) were exchanged, unlocking investment potential of over Rs. 66,000 crore and paving the way for more than 1.5 lakh jobs. The agreements spanned port infrastructure, shipping, shipbuilding, sustainable mobility, finance, and heritage, reflecting India's integrated vision for becoming a global maritime and shipbuilding hub.

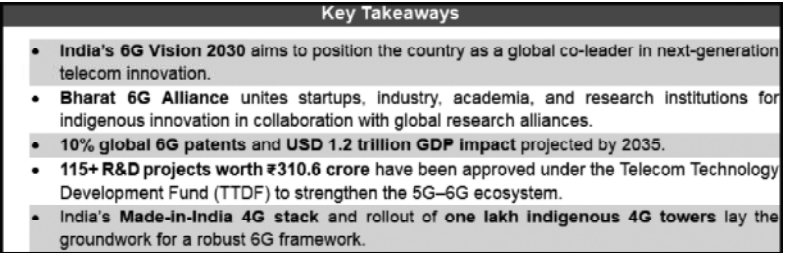

Notable projects included Greenfield Port at Bahuda in Odisha with 150 million tonnes per annum (MTPA) capacity at an expected investment of around Rs. 21,500 crore, Water Metro Project in Patna using electric ferries valued at around Rs. 908 crore, and a strategic Vessel Owning Joint Venture Company between Shipping Corporation of India (SCI) and Oil Public Sector Undertakings (PSUs) to reduce foreign fleet dependence and boost Indian-built ships. Alongside this, shipbuilding MoUs across five states, major shipyard investments, financing tie-ups, and a Rs. 266 crore lighthouse museum at the National Maritime Heritage Complex in Lothal, Gujarat further reinforce India's vision to rank among the world's top shipbuilding nations by 2047.

Under the New Mangalore Port Authority (NMPA), eight significant maritime development projects have been launched recently, including construction of a dedicated cruise gate for international tourists, establishment of a 150-bed multi-speciality hospital under PPP mode with an investment of Rs. 107 crore, among others to enhance user experience and operational capacity. These developments exemplify the commitment to creating a future-ready maritime ecosystem that fosters trade, tourism, and economic resilience.

## From Vision to Voyage

India is turning its vast coastline into a canvas of possibilities. With Maritime India Vision 2030, the nation is not just building ports, it's building futures, empowering millions with jobs, skills, and sustainable growth. This is India's moment to rise as a global maritime leader, proving that vision, strategy, and determination can turn waves into pathways of prosperity. In shipping lanes that carry the world's oil and cargo, India is determined to secure its place not as a passenger, but as a navigator of the future. The Maritime Amrit Kaal Vision 2047 extends this journey further. From green ports and sustainable shipping to smart logistics and cultural heritage projects, India is aligning economic growth with environmental responsibility and global leadership. As the world looks to resilient supply chains and clean energy transitions, India's maritime sector is poised not just to serve national interests, but to shape the very currents of global trade in the decades to come. # Building a Viksit Bharat with 6G From 4G Self-Reliance to 6G Global Leadership

## Introduction

The Government of India is steering the nation's transition towards next-generation connectivity through a series of strategic initiatives aimed at advancing 6G technologies. Anchored in the principles of affordability, sustainability, and ubiquity, India's 6G vision focuses on empowering society through indigenous innovation, advanced R&D, and global collaboration. With active participation from industry, academia, and research institutions, India is positioning itself as a global hub for future telecom technologies, aligned with the broader national goal of building a Viksit Bharat by 2047.

## What is 6G?

6G, or sixth-generation wireless technology, will succeed 5G and make internet connections significantly faster and smoother. It will use higher radio frequencies than 5G, letting it handle vast data at once with almost no delay.

6G aims to send and receive information in just one microsecond, that's 1,000 times faster than the response time of 5G. This means instant connections with almost zero lag, which will be useful for things like remote medical surgeries, smart robotics, and real-time gaming.

The 6G network will also improve features like advanced imaging, precise location tracking, and creating lifelike virtual experiences. When combined with artificial intelligence (AI), it will be smart enough to decide automatically where to store, process, and share data, making technology more efficient and responsive everywhere.

## India's 6G Vision: Positioning India as a Global Telecom Innovator

The Bharat 6G Vision manifesto aims to make India a leading supplier of advanced telecom technologies, aligned with Viksit Bharat objectives. The rapid rollout and domestic adoption of 5G is laying the foundation for India's 6G vision, positioning the country as a global leader in future telecom innovation. 6G Vision is based on principles of affordability, sustainability, and ubiquity.

On March 22, 2023, the "Bharat 6G Vision" document was released, envisioning India as a frontline contributor in the design, development, and deployment of 6G technology by 2030. The Government has taken following initiatives to facilitate the development of 6G technology in the country:

Funding two testbeds namely 6G THz Testbed & Advance Optical Communication Testbed to promote R&D and innovation in the country.

Sanctioned 100 5G labs at academic institutions in FY 2023–24, across India for capacity building & for building a 6G ready academic and start-up ecosystem

in the country.

104 research proposals have been approved on 6G network ecosystems to promote research and innovation in line with global roadmap for 6G technology.

## Bharat 6G Alliance

The Bharat 6G Alliance (B6GA) is an initiative of Indian industry, Telecom Service providers, academia, national research institutions, and standards organizations. Supported by the government and industry, it drives indigenous 6G research and development to create a self-reliant, globally competitive ecosystem for advanced communications technologies. With state-of-the-art labs and innovation focus on multi-chip modules, SoCs, and advanced IoT applications, India aims to lead the global 6G movement. B6GA is an industry-led body, facilitated by the government, providing a collaborative platform to technology stakeholders including public/private companies, academia, research institutions, and standard development organizations. Bharat 6G Alliance has constituted seven Working Groups on different domains of 6G like Spectrum, Technology, Applications, Green and Sustainability and use cases.

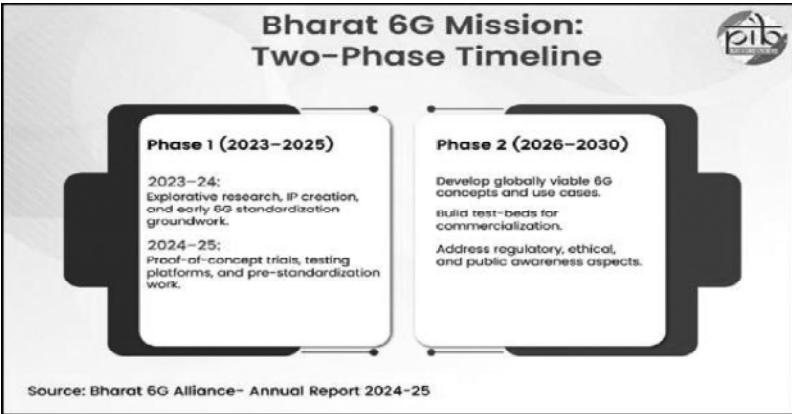

In a step towards redefining the future of global communication, the Bharat 6G Alliance signed a Memorandum of Understanding (MoU) with leading research alliances like the NextG Alliance (USA), 6G IA (Europe), 6G Flagship Oulu University (Finland) 6G Forum South Korea, XGMF Japan, NGMN Alliance, 5G ACIA, UKI FNI, UK TIN, European Space Agency (ESA) and 6G Brasil (Brazil) to collaborative research and standardization. It has MOU with TSDSI and NASSCOM to utilise national synergy. These MoUs with 6G research alliances will further enable development of secure and trusted telecommunication technology including resilient supply chains.

## Bharat's 6G Mission

India's pursuit of 6G began with an ambitious vision to become a global leader in next-generation wireless communications. This vision has driven the emergence of a dynamic ecosystem of innovators, researchers, startups, and policymakers, all dedicated to advancing connectivity. As the mission progresses

into its next phase, the focus is on scaling past achievements, deepening technological innovation, and ensuring that 6G not only benefits India but originates here. Through collaboration and shared purpose, India is paving the way for leadership in the global digital future.

## Spotlight on India @ India Mobile Congress, 2025

The International 6G Symposium 2025, held during the India Mobile Congress (IMC) 2025, marked a significant milestone in India's journey towards next-generation communication technologies. The event highlighted the nation's growing strength in telecom innovation, indigenous R&D, and global digital leadership.

## Advancing India's Technological Self-Reliance

India's Made-in-India 4G stack was showcased as a landmark achievement in the country's drive toward technological self-reliance and export readiness. This indigenous development forms the foundation of the 'India 6G Vision 2030', aimed at creating future-ready, secure, and scalable telecom networks.

India's 6G roadmap envisions the sector contributing nearly USD 1.2 trillion to the national GDP by 2035. The country is targeting 10% of global 6G patents, underscoring its emergence as a hub for innovation in telecom technologies. In parallel, the satellite communications market is projected to triple by 2033, strengthening India's space-linked connectivity ecosystem.

## Focus on Collaboration and Inclusivity

The symposium called for greater international cooperation, indigenous R&D, and synergy between academia, industry, and governments to shape an inclusive and affordable global 6G framework. Emphasis was placed on building a swadeshi telecom ecosystem, supported by recent advances such as the nationwide rollout of one lakh indigenous 4G towers, a crucial step towards developing a resilient infrastructure for next-generation networks.

The guiding vision emphasized that India is moving beyond being a consumer of technology to becoming a co-creator and co-leader in the 6G revolution, shaping the future of communication for both domestic and global needs. (Source: PIB)

VACANCY NOTICE

Applications are invited through proper channel from eligible officials working under the A&N Administration/Central Govt/Autonomous body for filling up 1(one) post of Chief Accounts Officer in the scale of Pay PB-3 Rs.15600-39100+GP Rs 6600 in the establishment of Sri Vijaya Puram Municipal Council by transfer on deputation basis. The method of recruitment as per notified RR is brought out as hereunder:-  
**Deputation:** - i. Officers of the Central/State Govt. /UTs  
ii. Holding analogous post on regular basis in the parent cadre/department

OR  
1. Senior Accounts Officer in the Scale of Pay of Rs. 15600-39100 with Grade Pay of Rs. 5400 in PB-3 with 2 Years regular service in the grade.

OR  
2. Accounts Officer in the Scale of Pay of Rs 9300-34800 with Grade Pay of Rs 5400 in PB-2 with 4 Years regular service in the grade.

**Note 1:** Period of deputation including the period of deputation in another ex-cadre post held immediately preceding this appointment in same or some other organization/department of the Central Government shall ordinarily not to exceed three years. The maximum age limit for appointment by deputation shall be not exceeding 56 years as on the closing date of receipt of applications.

Eligible officers may submit the application in the prescribed format appended below through proper channel along with last five (05) years ACR Dossier, Vigilance clearance Certificate and Integrity Certificate to the Secretary, Municipal Council, Sri Vijaya Puram. The application complete in all respects shall be submitted duly countersigned on the above address **latest by 20/11/2025.**

The Head of the department/Office may ensure that the applications of officials against whom disciplinary proceedings are pending or being contemplated are not forwarded/recommended.

Application received after the due date and incomplete shall not be entertained.  
**Administrative Officer (i/c)**  
**Municipal Council**

PROFORMA FORM OF APPLICATION FOR THE POST  
OF CHIEF ACCOUNTS OFFICER

- Name of the Applicant (in Block letters).
- Father/Husband Name
- Date of Birth (in Christian era)
- Address for Communication with Telephone/Cell No.
- Education Qualifications
- Date of Entry in Govt. Service.
- Experience as per details of Service

| Dept. | Post Held | From | To | Scale of Pay | Nature of Duty |
|-------|-----------|------|----|--------------|----------------|
|-------|-----------|------|----|--------------|----------------|

- Scale of pay and Present Basic Pay + Grade pay
- Please state whether working under
  - Central Government
  - State Government
  - A & N Administration
  - Other (specify)
- Additional information if any, which you would like to mention in support of your suitability for the post (add separate sheet if necessary)
- Remarks.

Signature of the Candidate

Place:  
Date:

"The information given by the applicant as above has been verified from the official's record and it is found correct. It is also certify that the neither any vigilance case/departmental enquiry is pending against the applicant nor the same is contemplated. Photocopies of for the last five years ACR are also enclosed. In the event of the selection of above applicant this Organization shall have no objection to relieve him for appointment on transfer on deputation basis to the SVPNC".

Signature of HOD/HOI  
(Office Seal)

Place:  
Date:  
End:

JOB VACANCY

Applications are invited for the Post of Nurse / DMLT Technician.

- Requirements:
- Minimum 2 years of Experience
  - Responsible and Patient Friendly Attitude
  - Valid 2 Wheeler DL (Preferred)
