Hon'ble Union Home Minister & Minister of Cooperation inaugurates 'India Maritime Week - 2025'

Summit will play a pivotal role in achieving the goal of positioning India at the top in the maritime industry by 2047: Hon'ble Union Home Minister

5 Billion Dollar Great Nicobar Project will significantly enhance India's maritime global trade: Hon'ble Union Home Minister

Mumbai, Oct. 27 (PIB)

Hon'ble Union Home Minister and Minister of Cooperation, Shri Amit Shah inaugurated the 'India Maritime Week - 2025' in Mumbai, Maharashtra today. In his address, Hon'ble Union Home Minister and Minister of Cooperation, Shri Amit Shah stated that Mumbai is home to the world-famous Gateway of India. He said that this moment is India's Maritime Moment, which is transforming the Gateway of India into the Gateway of the World. He said that over the past decade, Maritime Summits have proven that, based on the deep structural reforms implemented in the Maritime Economy, India has emerged as a powerful force and stands with full strength on the global maritime map.

Shri Amit Shah stated that India's maritime strength and strategic location are evident from the fact that our coastline stretches over 11,000 kilometers. The 13 coastal States and Union Territories contribute approximately 60 percent to the GDP. He noted that the 23.7 lakh square kilometer Exclusive Economic Zone (EEZ) attracts investors and manufacturers worldwide, with around 800 million people residing in these maritime states. Shri Shah further said that the 38 countries in the Indian Ocean Region (IOR) contribute approximately 12 percent to global exports. Through this summit, we are showcasing this immense potential to global investors and champions of the maritime industry.

Union Home Minister stated that, leveraging its maritime position, democratic stability, and naval capabilities, India is playing the role of a bridge between the Indo-Pacific and the Global South, fostering development, security, and environmental progress. India's maritime history spans nearly 5,000 years. He said that under the leadership of Prime Minister, Shri

Narendra Modi, India stands ready to create a new maritime history. The presence of representatives from over 100 countries at this conference is proof that India's maritime tradition remains a focal point for global partnership and regional stability. Shri Amit Shah stated that the Indian Maritime Week has emerged as the most prestigious Maritime Dialogue Platform in the Indo-Pacific region. This 2025 summit will significantly contribute to achieving the goal of securing India's prominent position in the maritime industry by 2047. He said that this year's edition will see participation from over 350 speakers from more than 100 countries, over 500 companies, and more than 1

lakh delegates. Additionally, it will create investment opportunities worth 10 lakh crore. The Home Minister emphasized that India believes not in competition but in mutual cooperation. Through mutual cooperation, we have developed a comprehensive roadmap to connect the entire country's maritime industry with the global maritime industry. Union Home Minister and Minister of Cooperation stated that Prime Minister, Shri Narendra Modi's maritime vision is based on three pillars: security, stability, and self-reliance. With the Maritime India Vision 2030, through initiatives like Sagarmala, Blue Economy, and Green Maritime Vision, we have set

Hon'ble Lt. Governor attends India Maritime Week Summit- 2025 at Mumbai

A&N Islands emerging as India's gateway to Southeast Asia : Hon'ble Lt. Governor

Mumbai, Oct. 27

Hon'ble Union Home Minister and Minister of Cooperation, Shri Amit Shah ji inaugurated the India Maritime Week 2025 in Mumbai today. Admiral D.K. Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Hon'ble Lieutenant Governor, A&N Islands & Vice Chairman, Islands Development Agency took part in the Andaman and Nicobar UT Session, reinforcing the vision of Viksit Bharat and Aatma Nirbhar Bharat, while emphasizing that Ports Development and Coastal Shipping are the main drivers of India's contribution towards achieving a \$5 trillion economy.

In his address, the Hon'ble Lt. Governor highlighted how the Andaman and Nicobar Islands stand as India's Maritime Hub and a rising Blue Economy powerhouse, strategically positioned on vital global shipping lanes in the Indo-Pacific, playing a key role in defence and maritime domain awareness. He also underscored the vision of developing the Islands as a regional Shipbuilding and Repair Hub in the Indo-Pacific region.

Further, the Hon'ble Lt. Governor mentioned recent flagship projects, including the International Container Transshipment Terminal (ICTT) at Galathea Bay, which has

been notified as a major port and is set to become one of the top three container-handling ports in the country, with a capacity of 16.5 million TEUs. Similarly, Port Meadows has been notified as the first ship-to-ship transshipment and Customs port for both exports and imports. The holistic development of Great Nicobar Island is also expected to significantly boost tourism and infrastructure growth in the region.

The Hon'ble Lt. Governor noted that digital transformation through the CANI project has enabled strong connectivity across more than 100 Islands. With the Islands

Development Agency (IDA) driving sustainable growth through fisheries, marine biodiversity, and renewable resources, the A&N Administration is leading new initiatives such as Cruise Tourism to Barren Island, Government e-ticketing for ship travel, Water Metro integration, and the acquisition of new passenger vessels to further enhance Island connectivity and services.

The A&N Islands are thus emerging as India's gateway to Southeast Asia and the global Blue Economy, advancing the ideals of adventure, sustainability, and digital transformation.

Hon'ble MP & DC (N&MA) visits Duke Nagar village to review developmental works

Mayabunder, Oct. 27

The Hon'ble Member of Parliament, A&N Islands, Shri Bishnu Pada Ray along with the Deputy Commissioner and Additional District Magistrate, N&MA visited Duke Nagar Village to review the progress of developmental activities and interacted with the local residents.

During the visit, the Hon'ble Member of Parliament inspected the proposed site for the Lauki Nallah Bridge at Duke Nagar Village. The bridge, once completed, is expected to significantly improve connectivity and ease of movement for the residents of the area.

The Deputy Commissioner informed the public that set-apart of the land for the proposed bridge has already been done. The Hon'ble Member of Parliament also briefed the gathering about the Pradhan Mantri Surya Ghar Muft Bijli Yojana and encouraged the public to avail the benefits under the scheme.

As a measure of safety, the Deputy

Commissioner handed over 20 life jackets and rope to the Ward Member of Duke Nagar for ensuring the safety of commuters using the existing bridge area until the completion of the new bridge, so that no more life is at stake.

Further, the public requested for an STS school bus facility for students up to

A&N Islands participate in India Maritime Week 2025 held at Mumbai

Chief Secretary highlights pivotal role of key sectors such as Shipping, Tourism and Fisheries in shaping the maritime domain of A&N Islands

Sri Vijaya Puram, Oct. 27

As part of India Maritime Week 2025, a Special Session on Andaman & Nicobar Islands was held at the Bombay Exhibition Centre, Goregaon, Mumbai today to deliberate on the potential opportunities in the Maritime sector. The event was graced by Admiral D.K. Joshi, PVSM, AVSM, YSM, NM, VSM (Retd.), Hon'ble Lieutenant Governor, A&N Islands & Vice Chairman, Islands Development Agency, Dr. Chandra Bhushan Kumar, IAS, Chief Secretary, A&N Administration, Ms. Chanchal Yadav, IAS, Managing Director, Kamarajar Port Limited (KPL) and Ms. Purva Garg, IAS, Secretary (Shipping), along with other dignitaries and representatives from

various maritime sectors. The Chief Secretary, Andaman & Nicobar Administration, highlighted the pivotal role of key sectors such as Shipping, Tourism, and Fisheries in shaping the maritime domain of the Andaman & Nicobar Islands.

Tourism: During the special session on Tourism, the A&N Administration showcased its ambitious plans through a presentation titled 'Potential and Opportunities of Maritime Tourism in Andaman and Nicobar Islands', outlining key initiatives to unlock the region's immense tourism and investment potential.

Summit will play a pivotal role in.....
(Contd. from page 1)

a goal to place India among the top five countries in the global shipbuilding industry. We are also constructing new mega and deep-draft ports. He mentioned that a target of 10,000 million metric tons per year has been set for port handling, and port transport has been fully digitized. Additionally, India is connected to connectivity projects such as the India-Middle East-Europe Economic Corridor, Eastern Maritime Corridor, and North-South Transport Corridor.

Union Home Minister stated that under the Sagarmala project, 839 projects worth 70 billion dollars have been identified for completion by March 2025, of which 272 projects worth 17 billion dollars have already been completed. The 5 billion dollar Great Nicobar Project is under construction, which will significantly enhance India's maritime global trade. Additionally, with an investment of 200 million dollars, we are moving forward with constructing India's largest dock at Cochin Shipyard. Furthermore, a Maritime Heritage Complex is being developed in Gujarat. Shri Shah said that to align with essential international laws, outdated Indian laws have also been reformed. In 2025, our Parliament passed the 117-year-old Indian Ports Bill, updated to reflect contemporary needs and a global perspective. Through the Major Port Authorities Act, 2021, we have paved the way for granting greater autonomy to ports and modernizing their institutional framework. He also mentioned that 106 new waterways have been declared under the National Waterways Act, 2016.

Shri Amit Shah stated that the Modi Government has ensured the development of the Blue Economy to enhance security, coastal security, and the safety of fishermen. Over the past decade, coastal shipping has seen a 118 percent increase, and cargo handling has risen by 150 per cent. He noted that we have reduced Turn-Around-Time (TAT), bringing it closer to global standards. To promote a circular economy in the maritime sector and advance shipbuilding, policy decisions have been made. The Home Minister said that India's goal is to build a Green Maritime Future that accelerates development while maintaining balance with nature. He added that India does not forget that Small Island States and many countries in the Global South depend on the sea for their livelihood and survival. For these nations, climate change is an existential issue, and India is moving forward with a vision to create a green, prosperous, and shared ocean, keeping this in mind.

District Administration (SA) carries out major
eviction drive along CIARI Road, Garacharma

Sri Vijaya Puram, Oct. 27
In its ongoing mission to safeguard government land and ensure the free flow of traffic, the District Administration, South Andaman carried out a significant encroachment eviction operation along the CIARI Road in Garacharma.

During the inspection, it was observed that portions of Government land situated at Garacharma village and recorded in favour of the Revenue Department, had been encroached upon by several individuals and shop owners. Temporary extensions, tin-roof sheds and makeshift vending stalls had been illegally erected along the roadside, obstructing both pedestrian movement and road widening efforts.

A detailed demarcation of the area was carried out by the Revenue Surveyor to ascertain the actual boundaries of government land. Based on the markings, the encroached portions were clearly identified on the ground. Subsequently, a joint team comprising Revenue Officials, Municipal Engineers and Police Personnel launched the eviction drive to remove all unauthorized occupations.

During the operation, seven temporary structures and one newly constructed permanent illegal structure were demolished on the spot. The team ensured that the entire stretch was cleared, restoring the land to its rightful Government status.

The District Administration, South Andaman has reaffirmed its zero-tolerance policy against encroachments on government land and public property. It has further appealed to the general public to refrain from any form of unauthorized construction or occupation and to extend their cooperation in maintaining the beauty and orderliness of Sri Vijaya Puram and its

adjoining areas.

The District Administration, South Andaman reiterates that similar operations will continue across different parts of the district to reclaim Government land, ensure planned urban development and maintain the sanctity of public spaces for community use.

For any inquiry or to report encroachments, the general public may contact the District Control Room at 03192-240127 / 238881 / 1070 or on WhatsApp at 9531888844. The identity of informants will be kept strictly confidential to ensure their safety and encourage civic participation in this public cause, a press release from DC (SA) said.

Tourism Department to host Kayak
Festival 2025 at North Bay on Nov. 1

Sri Vijaya Puram, Oct. 27

The Department of Tourism, Andaman & Nicobar Islands, in collaboration with Sports Authority of India and Andaman Water sports Adventures Pvt. Ltd., will organize exciting Kayak Event for Commercial Operators as part of ongoing series of events i.e. Kayak Festival under the theme "Paddle to Paradise: Explore, Engage, Conserve", to be held at North Bay on the 1st of November, 2025. This unique initiative aims to encourage skill development, teamwork, and safety awareness among the Islands' growing community of licensed kayak tour operators. The event is designed as a friendly competition that promotes camaraderie and the exchange of best practices within the local water sports industry.

All registered Kayak operators from North Bay and SVP are requested to participate in the competition, with at least one representative from each company taking part.

Event Schedule Highlights

- ◆ 09:00 AM - Obstacle Course (Singles): A 100-meter precision steering race through color-coded "Port" and "Starboard" markers, designed to test maneuvering and control.
- ◆ 09:30 AM - Capsize Challenge (Tandem): Teams execute a capsiz and re-entry followed by a 50-meter dash to the beach finish.
- ◆ 10:00 AM - Capsize Challenge (Singles): Solo re-entry and sprint emphasizing self-rescue skills.
- ◆ 11:00 AM - Out & Back Beach Start (Tandem): Participants carry, launch, paddle, and run to the finish in this dynamic race.
- ◆ 12:30 PM - Closing Ceremony: Results, acknowledgements, and group photo.

The event underscores the Department's commitment to raising professional standards in adventure tourism, fostering safe and sustainable water sports and celebrating local expertise in kayaking - an activity that has become central to the islands' eco-adventure identity. All participants are required to bring their own personal flotation device (PFD) and paddle. Safety checks will be conducted before the races, and lifeguards and safety boats will be stationed along the course. The competitions will also serve as a refresher in navigation awareness, rescue readiness, and environmentally responsible practices, reinforcing the Department's emphasis on building competence and confidence among water sports operators.

The Department of Tourism has invited tourists, stakeholders, and the local public to attend and cheer on the Island's kayaking community as they showcase their skills in the scenic waters of North Bay. Parallel to this, the Kayak activities at North Bay on 1st of November will be available for tourists/visitors/general public after the event at Rs. 400/- per person whereas the current rate is Rs. 1000/-. Registration to the event/completion is free. Forms can be obtained from In-charge, Registration Section, Adventure Water Sports Cell (AWSC), Directorate of IP&T, Mobile No. 9434290132 & Shri. Karma Toppo, Coach (Kayak & Canoe), SAI, STC, SVP, Mobile No. 9933224090, a press release from Directorate of IP&T said.

Chief Secretary highlights pivotal role of key
(Contd. from page 1)

With a comprehensive focus on Beach Tourism, Cruise Tourism, Heritage Tourism, Eco-Tourism, Astro Tourism, and Adventure Tourism, the Islands are positioning themselves as a holistic tourism hub that seamlessly blends nature, culture, and adventure. New cruise circuits linking Sri Vijaya Puram, Swaraj Dweep, Shaheed Dweep, Barren Island, Little Andaman, and the Nicobar group are being developed, alongside seaplane connectivity between Swaraj Dweep, Shaheed Dweep, and Long Island, to enhance accessibility and attract global tourists. Recognizing its world-class dive sites such as South Button, Dixon's Pinnacle, and Jackson Bar, the Administration is positioning the Islands as a Global Scuba Diving Destination. To ensure quality and safety, efforts are being made to align diving guidelines with international WRSTC (World Recreational Scuba Training Council) standards. The Andaman and Nicobar Islands stand out as the country's only Union Territory with a dedicated Sport Fishing Rule, positioning the archipelago to emerge as India's premier Sport Fishing destination. The Administration also plans to establish international-level dive schools, upgrade diver safety infrastructure by setting up hyperbaric chambers, and develop Underwater Maritime Heritage Parks around historically significant World War-II shipwrecks. These steps are aimed at creating a globally recognized destination for both recreational and heritage-based diving. Eco- and astro-tourism are being promoted through birdwatching and dark-sky stargazing zones, while heritage sites such as Cellular Jail, NSCB Dweep, Viper Island, and Chatham are being transformed into interactive attractions highlighting the Islands' journey from "Colonial Sin to Tourism Paradise to Investor Paradise."

The Administration has introduced the first-ever Houseboat Tourism Policy, encouraging luxury eco-resorts and mangrove-to-houseboat experiences, and has announced three Guinness World Record attempts in March 2026, including the largest underwater flag and human chain. These multi-faceted initiatives reflect a strategic push toward sustainable, inclusive, and investor-friendly tourism, positioning the A&N Islands as a vibrant maritime tourism hub and global tourism powerhouse.

Fisheries: During the session on Fisheries, a panel discussion on the theme "Fisheries as a Driver of the Blue Economy" was conducted, led by the Commissioner-cum-Secretary (Fisheries), A&N Administration. The session witnessed active participation from various stakeholders representing the maritime sector of the Islands.

The discussion focused on the immense Blue Economy potential of the Andaman & Nicobar Islands and the emerging opportunities in the fisheries sector, particularly in the development of the Tuna Cluster, Commercial Mariculture and Brackishwater Aquaculture, establishment of the Integrated Fishing Harbour at Mayabunder, and promotion of Sport Fishing activities. The Commissioner-cum-Secretary (Fisheries) further highlighted several recent initiatives undertaken by the A&N Administration to strengthen and expand the Blue Economy of the Islands. These include the invitation of applications for leasing designated sea areas to promote Commercial Mariculture ventures such as Open Sea Cage Culture, Seaweed Cultivation, and Pearl Farming; amendment of A&N Marine Fishing Rules, 2004 enabling registration and licensing of fishing vessels upto 24 metre OAL, proposal for upgradation of existing mechanized fishing vessels under tuna cluster initiative, development of tsunami-inundated lands for Brackishwater Aquaculture; and the ongoing implementation of the Pradhan Mantri Matsya Sampada Yojana (PMMSY).She also urged potential investors to actively explore and invest in these key areas of the fisheries sector to accelerate the Islands' Blue Economy growth.

An interactive session followed the panel discussion, providing a platform for stakeholders to share insights and suggestions. An exhibition stall representing the Andaman & Nicobar Islands was also set up at the venue, showcasing the proposed layout of the Integrated Fishing Harbour at Mayabunder, Opportunities in Mariculture sector, sport fishing in A&N Islands etc.

Shipping: During the session on Shipping, the Secretary (Shipping), Ms. Purva Garg, IAS, outlined a series of ongoing and upcoming transformative maritime initiatives aligned with the Maritime Amrit Kaal Vision 2047, highlighting the Andaman and Nicobar Islands' central role in India's eastern maritime frontier.

The Directorate of Shipping Services currently operates 66 vessels, carrying 7.5 million passengers and handling 2 million MT of cargo annually across harbour, inter-island, and mainland routes. Notably, 70% of short-route passenger movement is already managed by private operators, indicating potential for expanded private partnership in shipping services. International Container Transshipment Port (ICTP) at Galathea Bay to serve as a high-capacity regional hub near the Malacca Strait. Deep-water port project at Atlanta Bay, Diglipur, identified for shipbuilding, ship repair and cargo operations with low infrastructure cost due to natural depth. Water Metro Project at Sri Vijaya Puram in collaboration with Kochi Water Metro is designed to improve urban-island water connectivity and reduce road congestion. Vessel Traffic Management System (VTMS) being implemented at Sri Vijaya Puram by the Directorate General of Lighthouses and Lightships for enhanced maritime safety.

The Andaman & Nicobar Islands are witnessing steady progress towards becoming a significant centre for cruise and yacht tourism in the region. With the development of world-class cruise infrastructure already underway, the Islands are well positioned to attract greater maritime tourism activity in the coming years.

Prior to the COVID-19 pandemic, the Islands received an average of six international cruise calls annually. The resumption of operations has been encouraging, with four confirmed cruise calls scheduled during the upcoming tourist season from December 2025 to March 2026. This reflects renewed confidence among cruise operators and underscores the growing potential of the islands as a preferred cruise destination.

In alignment with India's maritime vision for the Indo-Pacific region, the A&N Islands continue to attract yacht traffic as well. On an average, around 120 yachts transit through the Indo-Pacific region annually. Efforts are being made to develop facilities to support and expand this sector. In consultation with the Indian Coast Association, Sri Vijaya Puram (Mithakadi) has been identified as a potential site for a yacht marina. Similarly, Campbell Bay is also being considered by the Ministry for development into a marina facility to further promote yacht-based tourism.

In addition, an Expression of Interest (EOI) has been floated proposing new cruise circuit itineraries. These itineraries include eight islands and two anchorage ports that are presently unexplored and possess significant tourism potential. The initiative aims to facilitate responsible and sustainable tourism development while ensuring that the ecological sensitivities of these locations are maintained.

The continued development of cruise and yacht tourism infrastructure in the A&N Islands is expected to substantially enhance connectivity, generate employment opportunities, and position the islands as a key maritime tourism hub in the region. Development of Identified Waterways: Eleven routes within the islands are being declared as National Waterways under the Inland Vessels Act 2021, facilitating multimodal logistics.

Skill Development & Digital Integration: A Centre of Excellence for Maritime Training is proposed to build local manpower capacity. Digital initiatives such as the Chennai-Andaman & Nicobar Submarine Cable and Digital Bharat Network will improve vessel operations and communications.

Shipbuilding & Repair Hub: The Islands aim to attract part of the estimated Rs. 70,000 crore national investment earmarked under the Ship Construction and Repair Mission, leveraging their strategic Indo-Pacific location.

The session reaffirmed Andaman & Nicobar Islands' role as a strategic maritime gateway for India's eastern seaboard and Indo-Pacific engagement.

The delegation emphasized continued collaboration with MoPSW, Cochin Shipyard Limited, and private stakeholders to realize the Maritime Amrit Vision 2047 objectives through sustainable shipping growth, infrastructure modernization, and employment generation, press releases received from Tourism, Fisheries & Shipping Departments said.

Hon'ble MP & DC (N&MA) visits
(Contd. from page 1)

Ram Mandir, Duke Nagar. The Deputy Commissioner assured that the matter will be examined and appropriate action will be taken shortly.

The general public also raised concerns regarding the water supply, to which the Deputy Commissioner assured that the ongoing work is in progress and is expected to be completed by the end of December 2025.

The District Administration reiterated its commitment to the continued welfare and development of the residents of North & Middle Andaman District, a press release from DC N&MA said.

As part of the observance of the 'Vigilance Awareness Week', the Commissioner-cum-Secretary, A&N Administration, Dr. Sachin Shinde, IAS, administered the 'Integrity Pledge' to the Officers and staff of Secretariat today. The 'Integrity Pledge' was also administered to officers and staff of various Departments functioning under A&N Administration.

Deptt. of AH&VS initiates
Broiler Quail farming

Sri Vijaya Puram, Oct. 27

The Department of AH&VS in collaboration with the Union Territory Agricultural Technology Management Agency (UT ATMA), concluded a six-week 'Farm School on Broiler Production' training program on Oct. 17 at Govind Nagar village, Great Nicobar Island. The program, which commenced on Sept. 12 and was conducted every Friday, aimed to enhance broiler production skills for improved livestock productivity and farmer livelihoods.

The training was hosted at the farm of Shri Abhijit Mandal, son of Supada Mandal, a beneficiary farmer from Govind Nagar.

The program focused on

equipping participants with practical knowledge in broiler management, including feeding, housing, disease control, and market-oriented production techniques. Through hands-on sessions, participants gained insights into modern poultry farming practices to boost efficiency and income generation.

The active participation of farmers underscored their commitment to adopting advanced broiler production methods. The training emphasized sustainable practices tailored to the unique conditions of Great Nicobar, enabling farmers to contribute to local food security and economic development, a press release from Deptt. of AH&VS said.

Vigilance Awareness Week
observance by NCC Army Unit

Sri Vijaya Puram, Oct. 27

As part of the nationwide observance of Vigilance Awareness Week, the staffs of the NCC Army Unit, Junglighat took Integrity Pledge today. This was led by Commanding Officer, Col

KY Singh, who administered the pledge to all employees, reaffirming their commitment to uphold honesty, transparency, and accountability in all spheres of work, a press release from NCC said.

MV Swaraj Dweep to arrive today

Sri Vijaya Puram, Oct. 27

The Vessel MV Swaraj Dweep which sailed from Chennai is expected to arrive at Sri Vijaya Puram on Oct. 28 at 0600 hrs. She has 109 passengers with 309 MT of Cargo onboard.

On arrival at Sri Vijaya Puram, the vessel will be berthed at Haddo Wharf and passengers will be disembarked immediately, a press release from DSS said.
