Chief Secretary launches Pre-Sanction Module of PFMS to streamline monitoring, accounting and payment of works in APWD

Pre-Sanction Module will enable real-time monitoring of both physical & financial progress of projects

Sri Vijaya Puram, Sept. 23

In a significant move towards enhancing transparency and efficiency in Government projects, Shri Keshav Chandra, IAS, Chief Secretary, A & N Administration today in the presence of Smti Nandini Paliwal, IAS, Commissioner-cum-Secretary (APWD), Ms. Purva Garg, IAS, Secretary (APWD) and other Senior Officers of Andaman & Nicobar Administration, launched the Pre-Sanction Module of the Public Financial Management System (PFMS) for the Andaman Public Works Department (APWD). The new module is set to revolutionize the way public works are monitored, accounted for, and paid for, by embracing modern technology and streamlining Departmental processes.

As part of the ongoing digital transformation of APWD, the Pre-Sanction Module will enable real-time monitoring of both physical and financial progress of projects. This system ensures that all records are

maintained digitally through the e-Measurement Book (e-MB), fostering accuracy, transparency, and better oversight. Furthermore, it simplifies the tracking of IT and GST deductions, with the Department phasing out the outdated Info-Jyoti software.

In order to ensure the successful implementation of this new

module, the O/o the Controller General of Accounts (CGA), Ministry of Finance conducted a series of online training sessions. Additionally, APWD's Finance Officer, Smti K. Chinthamani and her team extended personal guidance and support to Divisions and Sub-Divisions to facilitate a smooth transition to the new system.

Despite the success of this rollout, some challenges were encountered. Uploading the Schedule of Agreement (SOA) in PFMS initially proved complex, but the process has been simplified with the help of NIC, Port Blair which developed a new utility tool for extracting the necessary data from the BOQ of the e-procurement portal and format it into the SOA template for PFMS. Moreover, fund allocation procedures, previously considered cumbersome, have been made more efficient.

Looking ahead, the Department plans to implement the e-Bill Module in the near future. This upcoming development will fully digitize the billing process, further enhancing the Department's operations and driving its digital transformation. Once integrated, this digital initiative will significantly improve the transparency and effectiveness of infrastructure development across

After verifying the demand, the Police laid a trap at Grillax Hotel, Bathu Basti, using pre-identified currency treated with phenolphthalein powder. A successful raid resulted in the recovery of the tainted money from Renuka and the victim's gold chain from Fareeda. The handwash test confirmed their involvement.

The operation was led by Inspector Mohd Elias, Station House Officer of PS Pahargaon along with SIs Jeevan, Jyoti, Manish Narayan, HC Limbu, PCs Vinita Baxla, Rahul Kr. Maurya & Janaki under the supervision of Shri Vikas Swami, IPS, SDPO South Andaman and overall guidance of Smti Niharika Bhatt, IPS, Superintendent of Police, South Andaman District, a press release from SP (SA) said.
