Hon'ble Union Minister, Shri Hardeep Singh Puri announces discovery of Natural Gas in Andaman Sea

Initial production testing of well has established presence of Natural Gas with intermittent flaring

Gas samples were tested and found to be 87 per cent methane

New Delhi, Sept. 27

In a significant development, Union Petroleum Minister, Shri Hardeep Singh Puri has announced that natural gas has been discovered in the Andaman basin, confirming the long-held belief that the Andaman Sea is rich in natural gas. In a social media post last night, the Minister said, an ocean of energy opportunities has opened up in the Andaman Sea. Expressing happiness, Shri Puri informed about the occurrence of natural gas in the Sri Vijaya Puram 2 well at a distance of 9.20 Nautical mile (17 km) from the shoreline on the east coast of the Andaman Islands at a water depth of 295 metres and target depth of 2,650 metres.

The Minister said, initial production testing of the well in the range of 2212 - 2250 meters has established the presence of natural gas with intermittent flaring. He

further stated that the gas samples were brought by ship to Kakinada, were tested and found to be 87 per cent methane. According to the Minister, the size of the gas pool and commercial viability of the discovery will get verified in the coming months but establishing the presence of

hydrocarbons in the Andaman basin is a major step in confirming their long-held belief that Andaman basin is rich in natural gas, in line with discoveries in the entire area from Myanmar in North to Indonesia in the south in this belt.

Shri Puri said, under the deepwater mission announced

by Prime Minister, Shri Narendra Modi on Independence Day last month, large number of deepwater exploration wells are planned in our offshore basins in order to find new discoveries and fully exploit our hydrocarbon reserves. He emphasized that the occurrence of natural gas will help the country take forward its exploration ambitions in coordination with global deepwater exploration experts, and will be a significant milestone in India's journey through Amrit Kaal.

Prime Minister, Shri Modi, in his Independence Day address had announced the National Deep Water Exploration Mission, which aims to explore oil and gas reserves in the sea. Terming it "Samudra Manthan," he had said, the initiative will be executed in mission mode, highlighting India's push for self-reliance in the energy sector. (Source: newsonair.gov.in)

MESSAGE

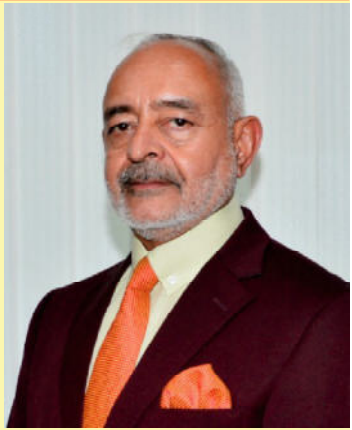

World Rabies Day, observed on 28th September to mark the death anniversary of Louis Pasteur, the great scientist whose pioneering research laid the foundation for rabies prevention - reminds us of the urgent need to eliminate this fatal disease.

This year's theme, "Act Now: You, Me, Community," emphasizes that rabies elimination is not the sole responsibility of health authorities. It is a shared duty that calls for the active participation of individuals, families, communities and institutions alike.

The A&N Islands are privileged to remain rabies-free - a distinction that demands our continued vigilance and care. Regular vaccination of pets, responsible ownership, effective surveillance and close coordination among Panchayats, Municipal Councils, civil society, animal welfare organizations and UT Administration are essential to preserve this achievement.

On this occasion, I appeal to every citizen to play their part in sustaining our rabies-free status and to support the global mission of "Zero by 2030"-zero human deaths from dog-mediated rabies. Together, through collective resolve and timely action, we can ensure a healthier and safer future for generations to come.

I extend my heartfelt appreciation to all stakeholders for their dedication and commitment to this vital cause. Let us move forward with unity and determination to safeguard the health and well-being of our island community.

Chief Secretary launches New Tourism Policies & Revamped Website; Highlights infrastructure push

Sri Vijaya Puram, Sept. 27

Along with the rest of the country and the world, World Tourism Day 2025 was celebrated in the A&N Islands in a befitting manner today. To mark the occasion, the Department of Tourism, A&N Administration, organized a thematic seminar under the UNWTO's global theme "Tourism & Sustainable Transformation" in the Conference Hall of Megapode Resort. The Chief Secretary, Dr. Chandra Bhushan Kumar, IAS, as the chief guest, inaugurated the seminar by lighting the traditional oil lamp. The Commissioner-cum-Secretary (Tourism), Ms. Chanchal Yadav, IAS, Deputy Commissioner, (SA), Shri Arjun Sharma, IAS, Secretary (Tourism), Ms. Jyoti Kumari, IAS, Secretary (SVP/PMC), Shri Azharuddin Zahiruddin Quazi, IAS, Director (IP&T), Shri Vinayak Chamadia, IAS and several tourism

stakeholders were present on the occasion.

The Chief Secretary formally launched the Astro Tourism Policy, SOP for Fly-boards/ Water Jet Packs, Calendar of Events, Fairs & Festivals, and the revamped Official Tourism Website. He also flagged off the Caravan Bus, marking the beginning of caravan tourism in the Islands, a globally recognized sustainable and experience-driven

mode of travel.

In his address, the Chief Secretary congratulated the Tourism Department for conducting the thematic seminar to mark World Tourism Day. He highlighted that the newly revamped Tourism Website is highly dynamic, and he complimented the Commissioner-cum-Secretary (Tourism) and Secretary (Tourism) for their efforts in developing a

standard and vibrant website for the benefit of users. He emphasized that the initiatives of the Tourism Department can bear fruit only when industry partners remain engaged with the Administration and expressed his gratitude to industry partners and stakeholders for their constant support in the development of tourism in the A&N Islands.

The Chief Secretary further informed that while some new tourism policies have already been launched, several others are in the pipeline and their draft publications will soon be released. He noted that many new tourism activities are lined up for the coming year to enhance visitor experience by offering greater variety and choices which he described as crucial for any tourist destination.
