Galathea Container Transshipment Port to be Built

A Special Purpose Vehicle (SPV) has been established to construct the Galathea Container Transshipment Port in Great Nicobar, marking a significant step for India's maritime infrastructure. The SPV is a collaboration among four major ports: Jawaharlal Nehru Port, Deendayal Port, Paradip Port, and V.O. Chidambaranar Port. This port is expected to bolster India's transshipment capabilities, reduce dependency on foreign ports, and enhance trade flow in the region.

Key Highlights: SPV Collaboration: Jawaharlal Nehru Port (JNPT), Deendayal Port, Paradip Port, and V.O. Chidambaranar Port

have joined forces under an SPV to develop the Galathea Container Transshipment Port in Great Nicobar. This collaboration highlights the importance of inter-port cooperation for national infrastructure projects.

Strategic Location: The port's location in the Andaman and Nicobar Islands positions it strategically close to global shipping lanes. This makes the Galathea port an important hub for transshipment activities, reducing reliance on foreign ports like Colombo, Singapore, and Port Klang for container transshipment.

Boost to Transshipment Capabilities: The Galathea Container Transshipment Port is envisioned to enhance India's transshipment capacity, allowing the country to handle larger container volumes domestically. This will

World Suicide Prevention Day observance in Isles NMHP under State Health Society-UTHM conducting awareness campaigns in various Schools & Colleges of Isles

Port Blair, Sept. 10
Suicide is a major public health challenge, with more than 700000 deaths each year globally. Each suicide has far-reaching social, emotional, and economic consequences, and deeply affects individuals and communities worldwide. The triennial theme for

World Suicide Prevention Day for 2024-2026 is 'Changing the Narrative on Suicide' with the call to action 'Start the Conversation'. This theme aims to raise awareness about the importance of reducing stigma and encouraging open conversations to prevent suicides.

Changing the narrative on suicide is about transforming how we perceive this complex issue and shifting from a culture of silence and stigma to one of openness, understanding and support.

The call to action encourages everyone to start the conversation on suicide and suicide prevention. Every

Galathea Container Transhipment Port ... (Contd. from page 1)
help reduce the cost of logistics and improve the competitiveness of Indian exports.

Economic Impact: The development of the Galathea port is expected to drive significant economic growth, not only by boosting trade but also by creating jobs in the region. The project will foster new business opportunities and support the growth of related industries such as logistics, shipping, and maritime services.

Improving Regional Connectivity: The port will enhance connectivity between India's major ports and international trade routes, positioning India as a key player in the global maritime trade ecosystem. Improved connectivity will also benefit the Andaman and Nicobar Islands, promoting regional development.

Foreign Transhipment Dependency: India currently relies on ports in nearby countries for a substantial portion of its transhipment needs. The construction of this new port is a crucial step towards reducing dependency on foreign ports, leading to savings in time and costs associated with international trade.

Government's Maritime Vision: The development of the Galathea port aligns with the Indian Government's broader maritime vision, which aims to strengthen the country's port infrastructure and reduce logistics costs. This port is part of the Sagarmala initiative, a program aimed at modernizing Indian ports and improving port connectivity.

Capacity and Facilities: The Galathea Container Transhipment Port is expected to feature state-of-the-art infrastructure capable of handling large container ships, making it a crucial node for containerized cargo. This infrastructure will include modern berths, cargo handling equipment, and efficient transhipment operations.

Investment and Timeline: The SPV formed for this project will manage investments, project execution, and operational aspects. The timeline for construction and commissioning is expected to be detailed in upcoming project reports, with significant investments anticipated to ensure high-capacity operation.

Supporting India's Trade Ambitions: By enabling larger volumes of transhipped goods to be handled domestically, the port will support India's ambition to become a key logistics hub in Asia. This move is likely to attract more shipping lines to Indian ports, enhancing the country's global trade footprint.

Conclusion: The development of the Galathea Container Transhipment Port is a major boost to India's maritime sector, enhancing its transhipment capabilities and reducing reliance on foreign ports. With significant investments and collaboration among major Indian ports, this project is poised to transform India's role in global shipping. *(This news article was published in CW Construction World.in on Sept. 9, 2024)*

Eviction drive conducted at Govind Nagar village, Swaraj Dweep

Port Blair, Sept. 10

In a resolute effort to assert the integrity of public lands, the Assistant Commissioner, Swaraj Dweep along with Revenue staff conducted an eviction drive from Government revenue land at Govind Nagar village area. This operation successfully dismantled unauthorized encroachments, which unlawfully occupied an area of more than 1 hectare of prime Government revenue land bearing Survey No. 470. The person concerned, along with seven labourers, native of Kolkata, were taken into custody on the spot from the encroachment site and penal action has been initiated against them. They were also engaged in cutting of forest trees. Their modus operandi involves bark clearing which results in the slow and gradual death

of trees. The swift action reflects the Administration's unwavering commitment to safeguarding Government assets from unlawful occupation. By reclaiming this strategically important land, the District Administration sends a clear message that encroachment on Government property will not be tolerated under any circumstances. Members of the

public who wish to report encroachments or seek further information have been encouraged to contact the District Control Room via phone at 03192-240127/238881/1070 or through WhatsApp at 9531888844. The Administration assures that the identities of those providing information will be kept in strict confidence to ensure their security and protection, a press release from AC (Swaraj Dweep) said.
