"Nari Shakti is a key pillar of Viksit Bharat and Swasth Nari Sashakt Parivar is a 'Maha Abhiyaan' towards bringing about women-led development": Hon'ble PM

New Delhi, Sept. 17 (PIB)
Prime Minister, Shri Narendra Modi launched the 'Swasth Nari, Sashakt Parivar' (SNSP) Abhiyaan along with the 8th Rashtriya Poshan Maah, in Dhar, Madhya Pradesh today. The Swasth Nari Sashakt Parivar Abhiyaan marks the largest ever health outreach for women and children in India. The initiative, jointly led by the Ministry of Health & Family Welfare (MoHFW) and the Ministry of Women & Child Development (MoWCD), will involve organising more than 10 lakh health camps from 17th September to 2nd October at Ayushman Arogya Mandirs, Community Health Centres (CHCs), District Hospitals and other Government health facilities across the country to provide women-centric preventive, promotive, and curative health services at the community level. It will strengthen screening, early detection, and treatment linkages for non-communicable diseases, anaemia, tuberculosis, and sickle cell disease, while also promoting maternal, child, and adolescent health through

antenatal care, immunisation, nutrition, menstrual hygiene, lifestyle and mental health awareness activities. At the same time, the campaign will mobilise communities towards healthy lifestyle practices with

a special emphasis on obesity prevention, improved nutrition, and voluntary blood donation. In his address, the Prime Minister stated that "Our mothers and sisters, our Nari Shakti, are the main Aadhar of

our Rashtra Pragati (National Development). If a mother is healthy, the whole family stays healthy. A mother's health impacts the whole family. Therefore, this campaign is dedicated to mothers and sisters

and for their healthy future." The Prime Minister noted that "Nari Shakti" is a key pillar of Viksit Bharat and Swasth Nari Sashakt Parivar is a "Maha Abhiyaan" towards bringing about women-led development.

He underlined that the goal is to ensure that no woman falls victim to a serious illness due to lack of knowledge or resources. "Early diagnosis for diseases like hypertension, diabetes, anaemia, or cancer is necessary as they can become fatal later and therefore will be available during this campaign", he stated. PM urged women to make time for their health and avail the facilities in the health camps without any apprehension. Noting that sickle cell anaemia is a pertinent issue in the tribal regions of the country, he particularly appealed to tribal women to take advantage of the benefits available during the campaign period. He also stated that all tests and medicines in the health centres will be available free of cost. "Our resolve is that no mother or daughter should be left behind. Those who require further treatment can avail the protective cover (Suraksha Kavach) provided by the Ayushman cards", he further stated.
