Albendazole Tablet to be administered to children at Schools & Anganwadi Centres

Sri Vijaya Puram, Feb. 9

The Government of India is committed towards Anaemia Mukh Bharat and a worm-free future for the children of India. Worm infestation impairs the nutritional status of the children. deworming.

In order to reduce the load of intestinal worms which is a major cause of Anaemia and related morbidity in the country, the Ministry of Health & Family Welfare in co-ordination with Department of Women and Child Development and
