Online nominations for Padma Awards-2025 invited; last date for receiving nominations is Sept. 15

New Delhi, May 20 (PIB)

Online nominations/recommendations for the Padma Awards 2025 to be announced on the occasion of Republic Day, 2025 have begun and the last date for receiving nominations is 15th September, 2024. The nominations/recommendations for Padma Awards will be received online on the Rashtriya Puraskar Portal (<https://awards.gov.in>).

The Padma Awards, namely, Padma Vibhushan, Padma Bhushan and Padma Shri, are amongst the highest civilian awards of the country. Instituted in 1954, these Awards

are announced on the occasion of the Republic Day every year. The award seeks to recognize 'work of distinction' and is given for distinguished and exceptional achievements/service in all fields/disciplines, such as, Art, Literature and Education, Sports, Medicine, Social Work, Science and Engineering, Public Affairs, Civil Service, Trade and Industry etc. All persons without distinction

of race, occupation, position or sex are eligible for these Awards. Government Servants including those working with PSUs, except Doctors and Scientists, are not eligible for Padma Awards.

The Government is committed to transform Padma Awards into "People's Padma". All citizens are, therefore, requested to make nominations/recommendations, including self-nomination.

Concerted efforts may be made to identify talented persons whose excellence and achievements really deserve to be recognized from amongst women, weaker sections of the society, SCs & STs, divyang persons and who are doing selfless service to the society.

The nominations/recommendations should contain all relevant details specified in the format available on the mentioned Portal,

including a citation in narrative form (maximum 800 words), clearly bringing out the distinguished and exceptional achievements/service of the person recommended in her/his respective field/discipline.

Details in this regard are also available under the heading 'Awards and Medals' on the website of Ministry of Home Affairs (<https://mha.gov.in>) and on the Padma Awards Portal (<https://padmaawards.gov.in>). The statutes and rules relating to these awards are available on the website with the link <https://padmaawards.gov.in/AboutAwards.aspx>.

Mayabunder, May 20

The District Administration, under the leadership of Deputy Commissioner, North and Middle Andaman, Shri Dilkhush Meena,

IAS, continues its relentless efforts in the ongoing encroachment eviction drive. Revenue officials are actively engaged in removing illegal encroachments from

public and Government lands across the district. Eviction of freshly encroached Govt. revenue land at Sitanagar village, Diglipur in the form of arecanut/ banana

plantation and roadside tea stall at Naveen Nagar was carried out today. Altogether, an area of approx 11060 sq.mtr have been restored by the team of RI, Patwari and revenue field staff

of Diglipur tehsil. Similar exercises will be conducted regularly in the District to prevent any encroachment on Govt. land, a press release from DC, N&MA said.

Electricity Deptt. urges consumers to comply with JERC Regulation for load enhancement

Port Blair, May 20

The Electricity Department has observed that some of the Electricity Consumers in A&N Islands have increased their connected/contractual power load without prior consent / permission and intimation to the Electricity Department. This unreported increase in power consumption, particularly during periods of hot weather, poses unforeseen challenges in the effective planning and distribution of

reliable electricity to the citizens.

All such consumers who have increased their connected load have been advised to download the forms from the website/ portal <https://vidyutandaman.gov.in>, <https://andssw1.and.nic.in/> and format EMCOSP-VII of JERC Annexure-VII of JERC Supply Code, 2018 and submit the filled in forms with load enhancement details to their respective Site Offices.

This will ensure that the Department is adequately informed, enabling it to plan

and allocate resources effectively to meet the growing power demands. Failing to adhere to this process not only impedes efficient power management but also disrupts overall equilibrium of electricity distribution network.

All the consumers of Electricity Department have been requested to cooperate and comply with the JERC Regulation under Section 5.98 (Load enhancement), a press release from Electricity Department said.

"Agniveers are not just soldiers but also leaders, innovators and defenders of the nation's sovereignty", says CDS Gen Anil Chauhan

Chief of Defence Staff interacts with Agniveer trainees at Maratha Regimental Centre & Airmen Training School, Belagavi

New Delhi,May 20 (PIB)

Chief of Defence Staff (CDS) Gen Anil Chauhan has stated that Agniveers are not just soldiers but also leaders, innovators and defenders of the nation's sovereignty. He was interacting with the Agniveers undergoing training at Maratha Regimental Centre and Airmen Training School (ATS), Belagavi on 20th May, 2024.

Underscoring the noble purpose of military service and its pivotal role within the Military Framework, the CDS at Maratha Regimental Centre lauded Agniveers for choosing the Armed Forces. He stated that it was a testament to their exceptional duty towards the nation.

Acknowledging the personal challenges faced by the soldiers and their families and the hardships they endure while operating in the challenging environments, Gen Anil Chauhan assured that despite the challenges, the Agniveers will find their journey immensely rewarding and their each step, will lead to their personal growth and deep sense of pride in serving the nation.

Elaborating the evolving nature of the warfare, the CDS highlighted the complexity and unpredictability of future

conflicts to include Cyber Warfare, Artificial Intelligence and Asymmetric Threats which are now an integral part of the battlefield. He also spoke about technology integration and continuous learning and mentioned that in addition of staying abreast with the latest advancements, there is also a need to showcase innovative approach towards combat.

During his visit to ATS, Belagavi, CDS took a tour of the Training Institute to gain insight into Agniveervayu training of IAF. He interacted with the third batch of Agniveervayu trainees undergoing training as per the revised induction pattern introduced by the MoD in 2022. He exhorted them to focus on training for becoming technologically proficient soldiers, ready to

meet the challenges of future warfare.

The CDS further stressed upon the trainees that learning is a lifelong process, especially in an ever evolving and dynamic field of warfare which is tech intensive, entailing a profound sense of responsibility in constant upgradation of skills. He advised the trainees to always nurture the values of integrity, physical fitness, discipline, and esprit-de-corps in their pursuit of professional excellence.

Highlighting the importance of training, the CDS lauded the efforts put in by the training faculty of ATS, and the Maratha Regimental Centre and urged them to keep on striving for excellence towards furtherance of operational might of the nation.

A&N Police issues public advisory on how fraudsters using armed forces personnel details to perpetrate financial cyber frauds

Port Blair, May 20

A new trend in financial cyber fraud has been observed where fraudsters impersonate Indian army personnel to exploit the goodwill associated with the armed forces to siphon off money from innocent victims who have advertised to put their property (House, Flat, Rooms, etc. on rent) on the popular house renting websites/apps, real estate database website or social media websites, etc.

In this regard, Andaman and Nicobar Police issues the following advisory to safeguard yourself:

- Always remember that entering OTP is a requirement for sending money, not for receiving it.
- If an unknown person makes contact for renting your house, flat, or rooms, etc., try to confirm his/her identity from other available methods/sources.
- Fraudsters typically show urgency in their requests. Scrutinize, if a request seems too urgent.
- Avoid relying on conversations and identity details provided by unknown people on messaging apps, house renting platforms, etc.

- Scrutinize every transaction request made to you from people unknown to you.
 - Cautiously perform transactions on various online transaction platforms, aware yourself with all the features of a payment gateway.
- For assistance, information or enquiries, please contact: Cyber Crime Police Station, A&N Islands, over National helpline No.1930 and A&N Police Cyber Helpline No. 9531856083 or visit cybercrime.gov.in, a press release from SP(CID) said.

Election-time seizures to cross Rs.9,000 crores soon

Intelligence-based coordinated action, constant review and ESMS-enabled real time monitoring resulted in unprecedented seizures

New Delhi, May 20 (PIB)

Election Commission's determined and concerted assault on money power and inducements in the ongoing Lok Sabha elections has resulted in staggering seizures worth Rs 8889 crores by the agencies. Enhanced vigil against inducements including drugs and psychotropic substances has resulted in big seizure actions and continuous surge. Drug seizures have been maximum. Regular follow-ups and reviews of districts and agencies in areas of expenditure monitoring, precise data interpretation and active participation of enforcement agencies have led to this significant spurt in seizures since March 1. The seizure of drugs, liquor, precious metals, freebies, cash influences elections in varying degrees, some flowing directly as inducement while others through reduced levels of circulation of money. This, thereby, adversely impacts linkages of proceeds of illegal activities to political campaigns.

The Commission has laid special emphasis on seizure of Narcotics and Psychotropic substances. Analysis of data found that states/UTs which used to be transit zones are increasingly becoming consumption territories. Chief Election

Commissioner, Shri Rajiv Kumar addressing the nodal agencies during one of the review visits had said "Precise intel-based collaborative efforts by agencies against drugs and narcotics is need of the hour to root out the role of dirty money of drug trade in elections and more important and holistically, to save future of youth and thereby, country". The contribution of seizure of drugs is Rs. 3958 Crores which is 45% of total seizures.

The Commission led by CEC Shri Rajiv Kumar along with ECs Sh. Gyanesh Kumar and Sh. Sukhbir Singh Sandhu held meetings with DG, Narcotics Control Bureau to take up analytics-based proactive action for ensuring action by dedicated Nodal Officers of NCB. Similarly active involvement of DRI, Indian Coast Guard, State Police and other agencies was ensured during ongoing elections. All these measures have led to significant seizures in two months post announcement of polls.

With increasing intensity of campaigning in last three phases, Commission is keeping close tab on attempts at

influencing voters through inducements and has directed the CEOs and enforcement agencies to step up the vigil. The crusade against drugs and other inducements by the Commission will continue.

Gujarat ATS, NCB and Indian Coast Guard, in joint operations have made three high-value seizures of drugs in just three days amounting to Rs 892 crores.

Operation 1: (Seizures - Rs 602 crore)

A joint force identified and intercepted a suspected Pakistani fishing boat, 'Alraza' which was carrying 14 crew members, all Pakistani on Indian waters, 180 nautical miles off the coast of Porbandar, Gujarat. The joint team of Gujarat ATS and Narcotics Control Bureau (Operations), New Delhi recovered 78 boxes of contraband suspected to be Heroin weighing roughly 86 Kgs worth nearly Rs. 602 Crore in the international market. The boat and crew were brought to Porbandar for further legal procedures.

Operation 2: (Seizures -Rs 230 crores)

Operation was based on intelligence received by ATS Gujarat that units in Rajasthan and Gujarat are involved in the illicit manufacturing of psychotropic substances such as Mephedrone. Joint teams of Gujarat ATS and NCB (Operations) Delhi conducted simultaneous raids at Amreli and Gandhinagar in Gujarat, Sirohi and Jodhpur in Rajasthan on 27th April 2024, and seized illicit manufacturing units involved in the production of Mephedrone, a psychotropic substance under the NDPS Act. In the ongoing operations, 10 individuals have so far been detained and a total of 22 kgs of Mephedrone powder and 124 litres of Mephedrone in liquid form has been seized. The total value of the seized psychotropic substance, Mephedrone is estimated to be around Rs. 230 crores in the international market.

Operation 3: (Seizures worth Rs 60 crore)

These elections have witnessed a series of targeted actions against the menace of drugs. Other states apart from Gujarat, Maharashtra and

Delhi have also shown seizures of drugs. On 17.04.2024 Noida Police busted drug factory in Greater Noida wherein 26.7 kg of MDMA drug valued at Rs. 150 Crore were seized and two persons of foreign origin were arrested. The seizures in other cohorts have equally been impressive and surpasses the entire seizures of 2019 Parliamentary Elections by a big margin. Meticulous and exhaustive planning stands at its base.

Realtime reporting of interceptions and seizures under the Election Seizure Management System (ESMS)- an in-house app has resulted in quick, regular and precise reviews on expenditure monitoring. In addition, 656 Expenditure Observers deployed for P a r l i a m e n t a r y Constituencies and 125 Expenditure Observers are also keeping a close tab on check posts, functioning of ground level teams and are actively monitoring that citizens are not put to discomfort in the process of monitoring. A close vigil is also kept in 123 P a r l i a m e n t a r y Constituencies which are marked as Expenditure Sensitive Constituencies for more focussed vigil.

Background

The process of motivating agencies and having an active interface started in full force during last quarter of 2023. In first two months of the calendar year, already Rs. 6760 Crores worth of drugs were seized which conveyed a message that Commission has a 'zero-tolerance' approach to any form of inducements which may influence the voters.

The commitment of the Commission to contribute in crusade of drugs particularly during enforcement of MCC has gathered momentum in last couple of years. Apart from the seizures made recently as mentioned above, last two years has also seen huge seizures being made during the operation of Model Code of Conduct in previously conducted Assembly Elections in last few states. Along with free, fair, participative and violence connotation, "i n d u c e m e n t - f r e e" dimension has also been added as top priority for qualitative election process.
